

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

INTRODUCTION.

THE introduction of the Order of Odd Fellows into the State of Connecticut was looked upon with doubt and distrust, even by some of those engaged in the first attempt. There were those however among them, who had so much faith in the justness of its principles, and its power of usefulness, that they unhesitatingly incurred the responsibility and pecuniary risk, and planted the systematic seeds of benevolence upon the soil of Connecticut. And well have their zeal and faith been rewarded. Temples, dedicated to Friendship and Love, have risen in rapid succession, around which have entwined, watered by the unfailing rills of Truth, the perennial vines of Faith, Hope, and Charity.

Quinnipiac Lodge, No. 1, was established by a dispensation granted by Samuel H. Perkins, Grand Sire of the Grand Lodge of the United States, July 2, 1839, to Samuel Bishop, Frederick Croswell, George Derby, Marcus Bassett, and A. De Fontaine, and was instituted by G. M. John A. Kennedy, assisted by Wilson Small, John G. Treadwell, James Alcock, Willet Charlick, Wm. J. Clark, and Richard Jennings, of the Grand Lodge of the State of New York, on the 3d of September, 1839.

In February, 1830, a dispensation was also granted to James B. Gilman, Nathan M. Waterman, Gurdon Robins, S. B. Grant, G. W. Lloyd, Charles T. Bull, and James B. Shultas, for opening Charter Oak Lodge, No. 2, which was instituted by Past Grands C. McGowan and J. G. Treadwell, of New York, assisted by members from Quinnipiac Lodge, on the 21st of April, 1840.

In March, of the same year, a like dispensation was granted to Charles W. Bradley, J. C. Palmer, Watrous B. Smith, George Douglass, and Daniel B. Warner, for opening Middlesex Lodge, No. 3,

which was instituted on the following day, by the same delegation opening Charter Oak Lodge.

The Grand Lodge of the United States, at a special session in April, 1840, confirmed the action of the Grand Sire, and granted, simultaneously, charters for the first three subordinate lodges in Connecticut.

Such, however, was the growth of the Order in the State, that in one year from the establishment of the first lodge, it had attained to the constitutional requirements that entitled them to a Grand Lodge, and the Grand Lodge of the United States, at its regular session in October of the same year, upon the application of the three subordinate lodges, issued a charter to Past Grands Frederick Croswell, Samuel Bishop, William E. Vibbert, John Eissaman, and Augustus Fleighler, of Quinnipiac Lodge, No. 1, James B. Gilman, of Charter Oak Lodge, No. 2, and John C. Palmer, of Middlesex Lodge, No. 3, for a Grand Lodge of the State of Connecticut, which was instituted by P. G. M. John A. Kennedy, assisted by Wilson Small, John G. Treadwell, A. H. Brown, and Hiram Arnold, of the Grand Lodge of the State of New York, on the 24th of November, 1840. The original charters for the three subordinate lodges were surrendered to the Grand Lodge upon acknowledging its jurisdiction, and new charters were issued therefrom, under which they are now working.

The Patriarchal branch was introduced into the State by the institution of Sassacus Encampment, No. 1, at New Haven, Aug. 19, 1841. Oriental Encampment, No. 2, was instituted at East Haddam, Sept. 13th, 1841, and in April, 1843, a Grand Encampment was instituted at New Haven.

Clause 3d. When charges have been preferred against a brother, in proper manner, or any matters of grievance between brothers be brought before the lodge, they shall be referred to a special committee of five members, who shall, if possible, be chosen from among the peers of the implicated brother; and they shall, with as little delay as the case will admit, summon the parties, and examine and determine the matter in question; and if not involving the expulsion or suspension of a member, or no appeal be taken from their decision to the lodge, it shall be final without other action from the lodge. Should the committee be convinced of the necessity of suspending or expelling a member, they shall submit a motion for the purpose to the lodge for action.

When a motion for the expulsion or suspension of a member shall have been submitted in due form, it shall be announced at two regular meetings previous to action being taken, and the accused shall be summoned to be in attendance at the lodge, on the time when it may have been determined to consider the question; at which time, whether the implicated brother be present or not, the lodge may proceed to consider and determine it; two thirds of the members present, voting in favor of the motion, it shall be carried; and the lodge shall be fully competent, while such motion is under consideration, to vary the penalty from the original motion.

Clause 5th. When the decision of a committee appointed under clause third, shall not be satisfactory to all parties, either of those interested shall have the privilege of appeal to the lodge; and at the time appointed for trying the appeal, the committee shall present to the lodge, in writing, the grounds on which their decision was founded, and the parties shall have the privilege of being heard before the lodge; and the lodge shall determine the correctness of the decision of the committee, by a majority of votes present.

Clause 6th. Any brother feeling aggrieved by the decision of the lodge against him, is entitled to an appeal to the Grand Lodge for a new trial, if informality or want of fairness be shown on the former trial; and on the command of the Grand Lodge, the brother may be tried anew for the same offence.

Clause 7th. Any brother having been suspended or expelled, notice thereof shall be sent to all lodges under the jurisdiction of the Grand Lodge of the State; and a brother who has been legally expelled, shall not be again admitted to membership, without the consent of the Grand Lodge.

Clause 2d. These Articles, nor any part thereof, shall be altered, amended, suspended or annulled, except on motion made in the Grand Lodge, and adopted by the representatives of a majority of the lodges present.

SECOND SECTION.—BY-LAWS.

and a representation of lodges entitled to a voice in the Grand Lodge.

The minutes of the last regular meeting, and of the special sessions, April 19th and May 15th, were read and approved.

The G. Master appointed G. Con. Waterman and P. G. Hinman, a Committee of Elections and Returns.

A certificate of election for a representative to the Grand Lodge, to serve for this session, was presented from Middlesex Lodge, No. 3, in favor of P. G. Charles W. Bradley, which was referred to the Committee of Elections and Returns.

The Quarterly Reports of the lodges subordinate to this Grand Lodge, for July, were presented from Nos. 1, 2, and 3, and from No. 2, for April, which was not received at the last session, and referred to the Committee of Elections and Returns.

The Committee of Elections and Returns reported all the

returns referred to them, correct ; whereupon they were read and ordered on file.

A communication from G. C. Secretary of the Grand Lodge of the United States, stating the time when the annual session of that body would be held, was read and ordered on file.

The Grand Master read his annual report or communication to the Grand Lodge, which, on motion, was ordered on file.

R. W. Officers and W. Members of the Grand Lodge of Conn., I. O. O. F.

This being the annual meeting of this Grand Lodge, in accordance with my duty, and with custom, I beg leave to address to you the following remarks.

The steady, rapid, and thus far, healthy increase of the Order of Odd Fellows in this State, has excited the astonishment of the most sanguine of its friends. The more widely its principles are extended and made known, the more favorably they are received by the public ; and the opposition that the Order met with on its first introduction, is apparently fast disappearing. We have probably nothing to fear hereafter from opposition—the greatest danger that we have to apprehend, is the incautious zeal of our friends in endeavoring to extend the Order ; but nothing as yet *has* occurred that has seemed to warrant the supposition.

At the last quarterly meeting of the Grand Lodge, a charter was granted on the application of the requisite number of brethren residing in Bridgeport for a lodge to be held in that city, under the name of Pequannock Lodge, No. 4 ; and at a special meeting of the Grand Lodge, convened for the purpose on the 15th day of May last, a charter was granted to five brothers duly qualified, who petitioned for another lodge to be located at New Haven, under the style and title of Harmony Lodge, No. 5. On the 11th of June last, I formally presented the charter for Pequannock Lodge, No. 4, to the applicants in Bridgeport, and with the assistance of several of the Grand Officers, and in the presence of a large delegation of brethren, instituted the lodge and installed its officers ; and in like manner the charter was presented to Harmony Lodge, No. 5, the lodge instituted and its officers installed on the 14th of the same month. There are now, therefore, five subordinate lodges in full operation under the jurisdiction of this Grand Lodge, with an aggregate of between five and six hundred members. I regret that I am obliged to speak thus indefinitely with regard to the number of the members of the various lodges. The reason is, that the semi-annual returns which are required by Art. 4, Sec. 2, Clause 2d of the Constitution, have not been made. I trust that the representatives of the several subordinate lodges will see that this most important duty is hereafter properly attended to.

As there are now two lodges in New Haven, the Degree Books were not delivered with the charter to Harmony Lodge, and those of Quinnipiac Lodge were afterwards demanded and received from the Noble Grand, and are now in my possession ; and since that time the degrees have been conferred by myself, or some other member of the Grand Lodge. I have acted in this manner because I conceived it to be required by the directions in the Degree Books, which state that the degrees shall be conferred by the subordinate lodges only in those States where there is no Grand Lodge. This matter is referred to you for your decision.

In connection with this subject, and in conclusion, I would recommend, in consequence of the increase of members and lodges, that D. D. G. Masters be appointed by the Grand Master or Grand Lodge for the lodges that are distant from the places of residence of the Grand Master and D. G. Master, and that they be required to take charge of the Degree Books and confer the degrees in their several districts. In my opinion, more uniformity could be attained by this method, even if no other advantage were to be derived from it.

And I conclude with the humble hope, that the Almighty Grand Sire of the Universe will so direct our deliberations, as to draw the Fraternity still more closely together in the bonds of Friendship, Love, and Truth.

F. CROSWELL, *Grand Master*.

NEW HAVEN, July 8, 1841.

ter be and is hereby authorized and empowered to grant dispensations, in all cases that he may deem proper, to petitioners for charters, in the interval between the sittings of the Grand Lodge, which grants shall be subject to the approval or correction of this body, at their next regular meeting.

On motion of G. Cond. Waterman, *Voted*, That so much of the Grand Master's communication as relates to the appointment of District Deputy Grand Masters, be referred to a special committee of three.

The Chair appointed on said committee, G. Cond. Waterman and P. G.'s Bradley and Hinman.

To the R. W. Grand Lodge, I. O. O. F. of the State of Connecticut :

Your committee, to whom was referred the subject of the appointment of D. D. G. Masters, would report, that the appointment of the above officers ought, in our opinion, to consist of Past Grands of the several subordinate lodges, where no Grand or Deputy Grand Master resides, and whose particular duty it should be to have charge of the Degree Books, and confer all degrees.

N. M. WATERMAN, }
C. W. BRADLEY, } *Committee.*
R. S. HINMAN, }

On motion, *Voted*, That the report be accepted, and the committee discharged.

Whereupon, P. G. Heitmann was duly initiated and instructed in the Grand Lodge degree, qualified, and took his seat.

P. G. Bradley offered the following resolution, which was adopted :

Resolved, That in the opinion of this Grand Lodge, it is inexpedient for the subordinate lodges to admit a brother who is more than thirteen weeks in arrears, (not having received the quarterly pass-word,) unless such brother declare his desire to pay up his arrears.

QUARTERLY SESSION.

NEW HAVEN, Oct. 14, 1841.

The R. W. Grand Lodge, I. O. O. F. of the State of Connecticut, convened this day, being the regular Quarterly Session, and opened in ample form.

PRESENT :

M. W. JAMES B. GILMAN,	<i>Grand Master,</i>
R. W. WILLIAM E. VIBBERT,	<i>Grand Warden,</i>
R. W. R. S. HINMAN,	<i>Grand Secretary,</i>
R. W. SAMUEL BISHOP,	<i>Grand Treasurer,</i>
R. W. CHARLES W. BRADLEY,	<i>Grand Representative.</i>

On motion of P. G. Hinman, the certificates of election of delegates from the several subordinates were referred to the Standing Committee on Elections and Returns.

The Grand Master appointed P. G. Bradley to fill the vacancy in the Committee of Elections and Returns.

The Committee of Elections and Returns reported the following representatives as regularly elected to serve until the second Thursday of July, 1842, viz :

Quinnipiac, No. 1—Frederick Croswell, Samuel Bishop, William E. Vibbert, Thomas J. Stafford, Robinson S. Hinman, Adrian C. Heitmann, William H. Ellis.

Charter Oak, No. 2—James B. Gilman, John Moore, Nathan M. Waterman, James B. Shultas, Benjamin F. Folger.

Middlesex, No. 3—Charles W. Bradley, John C. Palmer, Richard S. Pratt, Daniel B. Warner, Thomas C. Bordman.

Harmony, No. 5—James W. Newell, Jr.

P. G.'s William H. Ellis, James B. Shultas, James W. Newell, Jr., and Benjamin F. Folger, being in waiting, were duly initiated and instructed in the Grand Lodge degree, and took their seats.

The Grand Master then appointed the following Standing Committees, for the present year, viz :

Committee of Finance—P. G.'s Ellis, Vibbert, and Shultas.

Committee of Correspondence—P. G.'s Croswell, Folger, and Hinman.

Committee of Grievances—P. G.'s Moore, Bradley, Newell, and Stafford.

The Committee to whom was referred, at the last session, the Constitution and By-Laws, for revision, reported a form

of Constitution and code of By-Laws. The form of Constitution was taken up by sections, in committee of the whole, and before finishing, on motion, the committee rose, and the report was laid on the table.

The G. Treasurer reported the state of his accounts, and on motion of P. G. Hinman, the same was referred to the Committee of Finance.

The Grand Master reported, that since the last session he had received application for a charter for a new lodge, from several brethren in Derby,* accompanied with thirty dollars; upon which he granted a dispensation, and authorized P. G. Bradley to open the same, and that said brother had performed that duty, and made the following report to him, viz :

M. W. Grand Master,—

Under your authority and command, the undersigned, accompanied by G. Treas. Bishop and P. G. James W. Newell, Jr., together with a number of brothers from Quinnipiac, Harmony, and Pequannock Lodges, proceeded to the town of Derby, in the county of New Haven, where, on the 13th of October inst., he opened "OUSATONIC LODGE, No. 6, I. O. O. F.," according to the most ancient usages of the Order, and not contrariwise.

The lodge elected the following officers, viz :—Sheldon Bassett, N. G.; Robert Gates, V. G.; Peter Phelps, Secretary; Richard Evans, Treasurer; who were installed into their respective chairs, in regular form; and in pursuance of your instructions, the first term of said lodge was extended to the 2d day of March next. The stated meetings are to be held on Wednesday of each week.

Eight individuals were solemnly initiated at the primary session, and the applications of several candidates for membership were referred to the proper committee. From the high respectability influence and energy of the present members, and from the general favor with which the Order is regarded, there seems every probability that Ousatonic, No. 6, will soon rank among the first lodges in this Commonwealth, both in numerical strength and in the cultivation of the peculiar graces of our popular and wide-spreading institution.

CHARLES WILLIAM BRADLEY, *D. D. G. M. pro tem.*

On motion of P. G. Hinman, the report and papers accompanying it were referred to a committee of three. The Chair appointed P. G.'s Bishop, Shultas, and Folger.

The committee reported in favor of granting the petition. Report accepted, and charter granted.

* The applicants were Sheldon Bassett, Robert Gates, Peter Phelps, Richard Evans, and Robert R. Wood.

G. Rep. Bradley's bill for expenses in attending upon the United States Grand Lodge, amounting to \$30, and sundry small bills, amounting to \$19, were referred to the Finance Committee, who reported the same to be correct. Report accepted, and the bills ordered to be paid.

Adjourned till to-morrow, at 8 A. M.

FRIDAY, Oct. 15, 8 A. M.

The Grand Lodge met pursuant to adjournment, and opened in ample form.

On motion of G. Rep. Bradley, the proceedings of this session were ordered to be printed for distribution, and P. G.'s Hinman, Vibbert, and Stafford were appointed a committee to superintend the printing.

The Constitution and By-Laws were again taken up in committee of the whole, and after having been examined by sections, were reported to the Grand Lodge.

1. The M. W. Grand Master shall request the brethren to clothe themselves in proper regalia, and direct the officers and members to take their respective stations, and shall then call up the Grand Lodge.
2. While standing, the Grand Chaplain shall address the Supreme Ruler of the Universe in prayer.
3. Proclamation shall be made by the Grand Marshal of the opening of the Grand Lodge.
4. The minutes of the last session shall be read, and if no objection be made to any part thereof, they shall stand approved without vote.
5. The Committee of Elections and Returns shall report on the eligibility of members.
6. New members admitted and instructed.
7. The Committee of Elections and Returns shall report on the returns from the subordinates ; and each of the returns reported as correct shall be read.
8. Petitions read and referred.
9. Communications read.
10. Financial accounts read and referred.
11. Appeals read and referred.
12. Reports of Committee of Finance submitted.
13. Reports of Committee of Correspondence submitted.
14. Reports of Committee of Grievance submitted.
15. Reports of Special Committees, by seniority, submitted.
16. Unfinished business acted upon, by priority.
17. New business.

The Reports of the Committee of Elections and Returns are privileged to take priority to all other business, until disposed of. But the reports of all other committees, after having been submitted, will take their place in order among the unfinished business.

The order of business, as here arranged, may, at any time, for an occasion, be changed or dispensed with, by a special two third vote of the Grand Lodge.

II.—OF DECORUM.

During the continuance of the meeting, the most decorous silence must be observed; the officers and members retaining their respective seats, and no one leaving the room without the permission of the M. W. Grand Master, nor entering without the consent of the R. W. Grand Warden.

No member shall speak to another, or otherwise interrupt the business of the Grand Lodge, or refuse to obey the Chair.

Every officer and member shall be designated in debate, or otherwise, by his proper office or title, according to his standing in the Order.

No member shall be permitted to vote or speak, unless clothed in regalia appropriate to his rank and station.

III.—OF THE CHAIR.

The Grand Master, while presiding, shall state every question coming before the Grand Lodge, and immediately before putting it to vote, shall ask, "*Is the Grand Lodge ready for the question?*"—when, should no member rise to speak, the G. Master shall rise to take the question; and after he has risen, no member shall be permitted to speak upon it. He shall pronounce the votes and decisions of the Grand Lodge on all subjects. His decisions on questions of order shall be without debate, unless entertaining doubts on the point, he invite it; and he shall have the privilege of speaking only on such questions from the Chair. When his decision has been appealed from, the question shall be put thus: "*Shall the decision of the Chair stand as the decision of the Grand Lodge?*"

IV.—OF DEBATE.

Every member, when he speaks or offers a motion, shall be up-standing, and shall respectfully address the Chair, and when he has finished, he shall sit down. While speaking, he shall confine himself to the question under debate, avoiding all personality and indecorous language, as well as any reflection upon the Grand Lodge or its members.

Should two or more members rise to speak at the same time, the Chair shall decide which shall be entitled to the floor.

No member shall disturb another in his speech, unless to call him to order for words spoken.

If a member, while speaking, shall be called to order at the request of the Chair, he shall cease speaking and take his seat until the question of order is determined, when, if permitted, he may again proceed.

No member shall speak more than once on the same question, until all the members wishing to speak shall have had an opportunity to do so; nor more than twice without permission of the Chair;—

but no member shall have the privilege of speaking more than once on a question of order, after appeal from the decision of the Chair.

V.—OF QUESTIONS AND VOTES.

- When any communication, petition or memorial is presented, before it is read, or any vote taken on it, a brief statement of its contents shall be made by the introducer, or the Chair; and after it has been read, a brief notice of the purport shall be entered on the journal.

No motion shall be subject to action, until seconded and stated by the Chair; and at the desire of any member, it shall be reduced to writing.

When a blank is to be filled, the question shall be taken first upon the highest sum or number, and the longest or latest time proposed.

Any member may call for a division of a question, when the sense will admit of it.

When a question is before the Grand Lodge, no motion shall be received, unless to adjourn, the previous question, to lie on the table, to postpone indefinitely, to postpone to a certain time, to refer, or to amend; and shall have precedence in the order herein arranged—the three first of which shall be decided without debate.

After any question has been decided, any two members who voted in the majority, may, at the same or next succeeding meeting of the same session, move for a reconsideration thereof.

The previous question can be called for by two members, and, if seconded by a majority, shall be put in this form: "*Shall the main question be now put?*" If carried, the first question in order shall be immediately taken without further debate.

When one fifth of the members present rise in favor of taking a question by ayes and nays, they shall be ordered to be so recorded.

Every member present shall vote on any question before the Grand Lodge, unless he is personally interested in the result, or has been excused by the Grand Lodge, or is otherwise incapacitated.

-
- The Committee of Elections and Returns reported that the several lodges had made their returns in proper form, and that the dues had been received from all but Pequannock Lodge, No. 4. Report accepted and returns ordered on file.

On motion of G. S. Hinman, the vote adopting the Constitution was unanimously reconsidered, and on his motion the word "*annually*," in the last line but one in clause second, section first of Article third, was stricken out, and the word "*quarterly*" inserted; and the Constitution, as thus amended, was adopted unanimously.

The Grand Master appointed P. G. Newell, D. D. Grand Master for New Haven and Fairfield Counties, for the ensuing quarter.

The Grand Lodge was then adjourned to the next Quarterly Session, and was closed in ample form.

R. W. Grand Officers and Representatives :

The expiration of my official term, and the return of another Annual Session of the Grand Lodge of Connecticut, imposes upon me the pleasant duty of announcing the continued harmony and prosperity of the Order within this jurisdiction. By information received from the several confederate lodges in this state, I am happy to know that the success of our institution has exceeded our fondest hopes.

Wherever lodges have been planted, the work of brothers has been characterized with affection and zeal, and with a good degree of prudence and judgment. I cannot too strongly impress on your minds the necessity which still does, and *must* ever exist, for perseverance in and faithfulness to the cardinal principles which bind us together, and of the scrupulous care with which we should guard the very portals of our sanctuary. The credit which Odd Fellowship has obtained in our borders is based and will *continue* to be based, in no small degree, on the character of its sons. Let us hope that Connecticut will continue to suffer nothing by a comparison, in this element of success.

Recently, the seeds of our systematic benevolence have been scattered broad-cast over the state, in that a wide diffusion has been given to the name and object of the Order, by the contemplated act of incorporation for the Grand Lodge, and the action thereon by the late General Assembly. A spirit of inquiry has been raised, and we may confidently look for valuable results, notwithstanding the passage of that act was then denied.

Having made regular reports of my doings as Grand Master at the Quarterly Sessions, it is unnecessary that I should now recapitulate them. Since our last regular session, I have received a petition from the requisite number of brothers residing in the city of Hartford, praying to be instituted as a new lodge in that place. The prayer of the petitioners having been accompanied with the required fee and a recommendation from Charter Oak Lodge, No. 2, I availed myself of the constitutional license, and on the 13th day of June, instituted said brothers under the style and title of "MERCANTILE LODGE, No. 8, I. O. O. F." It is confidently believed that this step is the commencement of a more auspicious era among the brethren of that city.

I deem it my duty to recommend to the Grand Lodge that a law be passed providing for the payment of expenses of such Grand Officers as reside out of this city, whenever such officers give their attendance at any regular or special session of the Grand Lodge.

I have been prevented from giving that personal inspection which I both desired and intended towards the several subordinate lodges, by reason of sickness in my family and severe domestic affliction.

This, I do not doubt, will be a sufficient apology for any seeming neglect which I have committed.

Permit me, officers and representatives, in my retiring from the Chair with which you have honored me, to express my cordial thanks for your courtesy and kindness, as also for the support and advice which I have uniformly received at your hands.

JAMES B. GILMAN, *Grand Master.*

New Haven, July 7, 1842.

The Quarterly Reports of all the subordinate lodges, except Middlesex, No. 3, and Annual Returns from Nos. 5 and 6, were

presented, and referred to the Committee of Elections and Returns.

Grand Rep. Bradley presented a petition from five brethren of the Order in New London city, praying for a charter for a subordinate lodge, which was referred to a select committee of one from each lodge.

Grand Master Gilman presented a petition from six brethren of the Order,* residing in the city of Hartford, to whom a dispensation had been granted, praying for a charter for a lodge, which was referred to the same committee.

The Chair appointed Reps. Heitmann, Bradley, Hollis, Landon and Gates, committee on said petitions.

The committee to whom was referred the above petitions, reported in favor of granting the same, and that the lodge to be located in Hartford, be called "Mercantile Lodge, No. 8," and that in New London, "Thames Lodge, No. 9."

The report was accepted and the charters granted.

Committee of Elections and Returns reported that all the returns referred to them were correct. Report accepted.

P. G. Bowditch offered an amendment to the Constitution prescribed for the government of the subordinate lodges, viz: To insert the word "Secretary" between the words "the" and "and Treasurer," in the fourth line of the third clause of section third of Article third. The amendment passed unanimously.

G. Secretary Hinman offered a resolution, that the Grand Lodge celebrate the anniversary of the introduction of the Order into Connecticut, on the 2d of September, 1842, which was laid on the table.

Rep. Heitmann moved that when the Grand Lodge adjourn, it adjourn to meet at 8 o'clock A. M. to-morrow. Passed.

G. Secretary Hinman moved that the election of officers for the ensuing year, be assigned for half past 8 o'clock to-morrow morning. Passed.

G. Secretary Hinman, from the committee appointed to obtain a charter from the Legislature, reported that the committee made application for one, but were not successful.

Bills for a box and a sword were presented, and referred to Committee of Finance.

Adjourned.

* The names of the applicants were Calvin Spencer, William B. Ely, Roland A. Robbins, Henry A. Miller and Ezra Clark, Jr.

July 15th, 1842.

The Grand Lodge met pursuant to adjournment.

The reports from the subordinate lodges were read and accepted.

G. Rep. Bradley moved to amend the constitution prescribed for the subordinate lodges, by erasing the word "may," in the sixth line of clause second, first section of the second Article, and inserting in its place the word "shall."

On this motion, the yeas and nays were ordered.

Those who voted in the affirmative were, Heitmann, Thomas and Hotchkiss, of Quunpiac Lodge, No. 1; and Bradley, of Middlesex, No. 3.

Those who voted in the negative were, Bishop, Vibbert, Hinman, Ellis and Bowditch, of Quunpiac, No. 1; Gilman, of Charter Oak, No. 2; Landon, of Pequannock, No. 4; Hollis, of Harmony, No. 5; Bassett and Gates, of Ousatonic, No. 6.

For the amendment, one lodge; against it, five lodges. So the motion was lost.

The hour assigned for the election of officers having arrived, the Grand Master called for nominations. D. G. Master Palmer having declined the nomination, G. Rep. Bradley was nominated for Grand Master; G. W. Vibbert, for D. Grand Master; P. G. Landon, for Grand Warden; P. G. Heitmann, for Grand Secretary; G. Treas. Bishop, for Grand Treasurer; G. Chap. Moore, for Grand Chaplain; G. Sec. Hinman and P. G. Ellis, for Grand Representative.

The Grand Lodge proceeded to ballot, and the following persons were declared duly elected, viz:

CHARLES W. BRADLEY,	<i>Grand Master,</i>
WILLIAM E. VIBBERT,	<i>Deputy Grand Master,</i>
GILSON LANDON,	<i>Grand Warden,</i>
ADRIAN C. HEITMANN,	<i>Grand Secretary,</i>
SAMUEL BISHOP,	<i>Grand Treasurer,</i>
JOHN MOORE,	<i>Grand Chaplain,</i>
ROBINSON S. HINMAN,	<i>Grand Representative.</i>

Resolution relative to the celebration of the anniversary of the introduction of the Order into Connecticut, was taken up, and on motion of Rep. Ellis, amended by adding thereto the following words: "provided the expense to the Grand Lodge does not exceed fifty dollars."

The resolution as amended passed; and Past Grands Hinman, Hollis, Heitmann, Bowditch and Anthony, appointed Committee of Arrangements.

The Committee of Finance reported in favor of P. G. Thomas' bill for a box. Report accepted and bill ordered to be paid.

On motion, Reps. Ellis and Heitmann were authorized to bargain with Bro. Burwell, with regard to the sword, and draw on the Treasurer for the amount agreed upon.

G. Rep. Bradley reported, that as D. D. G. Master for Middlesex District, he had conferred the following degrees, viz:

P. N. Grand's degree on G. M. Gilman, of No. 2; D. G. M. Palmer, G. Mar. Pratt and P. G. Kingsley, of No. 3.

P. V. Grand's degree on D. G. M. Palmer, G. Mar. Pratt and P. G. Kingsley, of No. 3.

P. Secretary's degree on G. Mar. Pratt and P. G. Kingsley, of No. 3.

On motion of Rep. Ellis, *Voted*, That instead of the per centage now paid by the subordinate lodges to the Grand Lodge, they pay the sum of one dollar on each candidate initiated.

On motion of Rep. Ellis, *Voted*, That the Grand Officers residing out of the city of New Haven, be allowed their traveling expenses while attending the Grand Lodge.

D. D. Grand Master Landon submitted the following report, which was accepted:

M. W. Grand Master :

Under your authority and command, the undersigned, accompanied by P. G. George Walter, together with a number of brothers from Ousatonic and Pequannock Lodges, proceeded to the town of Danbury, in the County of Fairfield, where, on the 5th of May inst. he opened "Samaritan Lodge, No. 7, I. O. O. F.," according to the most ancient usages of the Order, and not contrariwise.

The lodge elected the following officers, namely:—Rev. Samuel Brittan, N. G.; Rev. John L. Ambler, V. G.; William H. Clark, Secretary; Henry S. Dan, Treasurer; who were installed into their respective chairs in regular form; and in pursuance of your instructions, the first term of said lodge was extended to the 1st day of September next. The stated meetings are to be held on Wednesday of each week.

A number of candidates were initiated in an appropriate and impressive manner at the first regular meeting, and several more referred to the committee for membership. From appearances presented at the opening of the lodge, combined with the high moral character, intellectual worth, industry, energy and perseverance of the present officers, we have every reason to think that Samaritan Lodge, No. 7, will be an ornament to the Order.

GILSON LANDON, D. D. G. M.

The committee heretofore appointed to procure regalia, were discharged.

The officers elect were then duly installed, with the exception of Grand Secretary.

The Grand Master then made the following appointments :

ANNIVERSARY CELEBRATION.

SPECIAL SESSION.

A special session of the R. W. Grand Lodge, I. O. O. F. of the State of Connecticut, was held this evening, and opened in regular form.

PRESENT :

R. W. WM. E. VIBBERT,	<i>Deputy Grand Master, in the Chair,</i>

QUARTERLY SESSION.

NEW HAVEN, October 13th, 1842.

The Right Worthy Grand Lodge, I. O. O. F. of the State of Connecticut, convened this day, being the regular Quarterly Session, and opened in ample form.

PRESENT :

M. W. C. W. BRADLEY,	Grand Master,
R. W. W. E. VIBBERT,	Deputy Grand Master,
R. W. A. C. HEITMANN,	Grand Secretary,
R. W. R. S. HINMAN,	Grand Representative,
W. LUCIUS A. THOMAS,	Grand Marshal,
W. THOMAS C. HOLLIS,	D. D. Grand Master for N. Haven District,
W. GEORGE WALTER,	" " " Fairfield "
W. SHELDON BASSETT,	" " " Derby "

Certificates of election were presented for representatives as follows: P. G's F. Croswell, S. Bishop, W. E. Vibbert, T. J. Stafford, R. S. Hinman, A. C. Heitmann, W. H. Ellis, J. G. Hotchkiss, L. A. Thomas, J. B. Bowditch and B. R. Hitchcock, of No. 1; Henry H. Dickinson, of No. 2; Porter H. Snow, of No. 3; John M. Wilson and E. B. Stevens, of No. 4; and S. O. Merwin and D. Carrington, of No. 5.

Reps. Bowditch and Bassett were appointed on Committee of Elections and Returns, *pro tem.*, and reported the certificates of the above named representatives as correct.

Whereupon, the following P. G's were admitted, instructed in the G. L. degree and took their seats, viz: Henry H. Dickinson, Porter H. Snow, S. O. Merwin and Dennis Carrington.

The Grand Master read the following report, which by vote was accepted and ordered to be placed on file:

Representatives:

I shall avail myself of the opportunity which our regular assembling affords, to lay before you as well such legislative matters as may seem needful for your action, as a summary of the official duties which have been performed by the Grand Master since the annual session.

Immediately after the adjournment of that session, I forwarded to each of the District Deputy Grand Masters under this jurisdiction, certificates of their appointment; and in accordance with a requisition, it is expected that written reports of their doings will be here-

with submitted. Instructions have also been issued to these officers, requiring certain specified changes to be made in the location of the acting Past Grand's and the Warden's chairs. The arrangement thus proposed, while in strict conformity with the almost universal usage, is also calculated to secure a more perfect and dignified performance of the duties of those officers, respectively, than has been hitherto attained.

Under this head I have also to add, that Ousatonic Lodge, No. 6, being at great inconvenience and expense in having no resident D. D. G. M., and the consequent difficulty of obtaining, at convenient seasons, the five minor degrees for her members, I was induced to clothe P. G. Sheldon Bassett, of Derby, with a like authority and commission.

In the recess of the Grand Lodge, I have conferred the Past Official Degrees appertaining to the chairs of V. G. and N. G., on your R. W. Grand Representative. The continued remissness of those who are qualified and entitled to receive these very beautiful and instructive degrees, is a source of deep regret,—and I feel myself obliged once more to commend them to your earnest attention.

On the 9th of September, I installed the officers of Mercantile Lodge, No. 8; on the 13th, those of Charter Oak Lodge, No. 2; and on the 21st of the same month, those of Middlesex Lodge, No. 3.

On the 22d of September, attended by D. D. G. M. Pratt, P. G. Thomas Prentiss, of the Grand Lodge of New York, P. G. Kingsley, of No. 3, and several brothers of Nos. 1, 2, 3 and 5, of the lodges in this state, I proceeded to the city of New London, where I instituted *Thames Lodge, No. 9, I. O. O. F.*, according to the most ancient and august ceremonial of the Order. The following brothers were elected to office, viz: J. Washington Clowes, N. G., Jesse Rich, V. G., Francis B. Loomis, Sec., and Henry Stayner, Treas., who were also installed in ample form. [The first term of this lodge was extended to the 6th day of March, 1843. The sessions are held weekly, on Monday evening.]

From the character, standing and energy of the brothers to whom the charter of Thames Lodge was granted, and from the respectability and intelligence of the gentlemen who were initiated at the first session, I confidently look for a large accession to our fraternity from that city and vicinage, of such as shall become pillars and ornaments of the Order.

On the 29th of September, I received a petition from five qualified brothers residing in the borough of Norwalk, praying for a dispensation to open and constitute a lodge in that place. The prayer of the petitioners and the accompanying documents, together with the charter-fee, were returned to the proper officer, with my reasons for declining any action in the premises. I am aware that in similar applications such warrants have sometimes been issued by the Grand Master, and the analogies of the Order, as exhibited in the

executive functions of the Grand Sire, would seem to sanction the proceeding in all parallel cases occurring within the jurisdiction of a state Grand Lodge; yet, in the entire silence of our constitution and laws upon the subject, I cannot but deem the exercise of that prerogative by the Grand Master, in *any emergency*, as a clear transcendence of his legitimate powers. To meet cases where there is a peculiar and manifest expediency for granting dispensations to institute, without waiting to petition the Grand Lodge, and during its recess, I respectfully suggest to the representatives the propriety of vesting this power in the Grand Master, by a special enactment;—subjecting, however, such dispensations to the after-approval of this R. W. body.

In conformity with the third section of the fifth Article of the Constitution, until otherwise classified, the several subordinates will be arranged in the following districts, “for the more advantageous administration of the superintending powers of the Grand Master,” through his Deputies:

District No. 1 will embrace the lodges in the city of New Haven.

“ “ 2 “ “ “ Hartford.

“ “ 3 “ “ East Haddam and the

lodge in the city of New London.

District No. 4 will embrace the lodge in the city of Bridgeport, the lodge in Danbury and the lodge in Norwalk, [when instituted.]

District No. 5 will embrace the lodge in Derby.

In the event of a new lodge being formed, it will be placed under the supervision of the constituted authority of such district as its geographical position shall indicate.

The duty of executive visitations to the several subordinates, which is incidentally recognized in our organic laws, I purpose to discharge in the course of the coming winter. Owing to circumstances beyond the control of my predecessors in this chair, such a visitation has never yet been performed, and has not, perhaps, heretofore been so imperiously demanded as at the present time. With the exception of Nos. 5 and 8, all the lodges in Connecticut were formed by newly initiated members, the great majority of whom had never after seen a lodge-room until they were called upon to fill its offices and to decide upon the principles and usages of the Order. In addition to this source of embarrassment, the bodies thus formed have generally been too remote from the parent lodges to obtain, by frequent intercourse, the means of correcting many errors in the work, into which, by a necessary consequence, they have fallen. In the proposed visitation, therefore, it will be my object to examine carefully the mode in which the work is performed—to correct all irregularities and abuses—to “set in order the things which are wanting”—to cause the operations of all to conform to a uniform system—and to address the lodge on the principles of the institution, and the duties of its officers. Such a course of investigation and discipline, I

am fain to believe, will be productive of valuable results to the existing subordinates, and tend also to diminish both the number and the magnitude of the evils complained of, in lodges yet to be created.

From personal observation and from epistolary intercourse with the District Deputy Grand Masters, I am enabled to announce to you a continuance of harmony throughout this jurisdiction, and a very encouraging degree of prosperity and usefulness in all its branches.

The report of the R. W. Grand Representative will receive from you all that attention which its importance deserves ; for although it is not our province to revise the acts of the highest court of Odd Fellowship, yet its decisions may affect our future legislation. Whether *all* the proceedings of the late Grand Annual Communication will be sustained by this Grand Lodge and its co-ordinates, is a question which remains to be settled. It is my earnest wish that you should examine dispassionately and with care the journal of its session, and be prepared to decide on any question that may arise therefrom, at the next meeting of this Grand Lodge.

That our deliberations may be conducted with peace and discretion, should be our united and earnest endeavor.

CHARLES WILLIAM BRADLEY, *Grand Master*.

A petition was received from the requisite number of brothers residing in Norwalk, for a charter for a lodge to be located in that town, under the style and title of Our Brothers Lodge, No. 10,* which was referred by vote to the following committee of one from each lodge, viz: Hinman, of No. 1 ; Dickinson, of No. 2 ; Snow, of No. 3 ; Walter, of No. 4 ; Hollis, of No. 5 ; Bassett, of No. 6.

The reports of D. D. Grand Masters Walter, Pratt and Bassett, were presented, and by vote accepted and placed on file.

The Grand Master appointed the following D. D. Grand Masters: H. H. Dickinson, for Hartford district ; P. H. Snow, for Middlesex district ; J. M. Wilson, for Fairfield district ; S. Bassett, for Derby district.

The Quarterly Reports of all the subordinate lodges, except Samaritan Lodge, No. 7, were presented and referred.

The committee to whom was referred the petition for a lodge in Norwalk, reported in favor of granting the same. Report accepted, committee discharged and charter granted.

The Committee of Finance reported in favor of paying the following bills, viz: C. W. Bradley's bill for traveling expen-

ses, \$7; R. S. Hinman's bill for books, \$12; Grand Lodge of the State of New York, bill for books, \$8; and by vote they were ordered to be paid.

Rep. Ellis, from committee appointed at the last regular session to "bargain with Bro. Burwell for the sword," reported, that he had drawn on the Treasurer for \$7, in payment for the same.

P. G. Heitmann, Grand Secretary elect, was installed in due form.

G. Sec. Heitmann offered the following resolutions:

Resolved, That the wearing of regalia at funerals be dispensed with hereafter, by all lodges under the jurisdiction of this Grand Lodge.

Resolved, That ——— be appointed a committee to propose to this Grand Lodge a suitable badge to be worn by the brothers of the different lodges, on their attendance at funerals.

The above resolutions, after discussion, were, on motion of Rep. Ellis, referred to a committee.

The Grand Lodge was then adjourned to Thursday, the 27th inst.

Attest,

A. C. HEITMANN, *Grand Secretary*.

ADJOURNED SESSION.

NEW HAVEN, October 27th, 1842.

The R. W. Grand Lodge, I. O. O. F. of the State of Connecticut, convened this day, in pursuance to adjournment, and was opened in ample form, Grand Master Bradley in the chair.

On motion, the reading of the minutes of the last meeting was dispensed with.

P. G. Benjamin R. Hitchcock, of No. 1, was presented by the G. Marshal, instructed in the Grand Lodge degree and took his seat.

So much of the Grand Master's report as relates to the granting of dispensations, was taken up, and on motion referred to Reps. Palmer and Bishop, who submitted the following amendment, which was laid on the table:

The undersigned, members of the Grand Lodge, I. O. O. F. of Connecticut, representatives of two subordinate lodges, would propose the following as an amendment to Article third, section second, clause first of the Constitution, after the word "lodge," in fourth line, to wit:

He shall grant dispensations to subordinates, at his discretion, when the Grand Lodge is not in session.

J. C. PALMER, *R. of Middlesex Lodge, No. 3*,
S. BISHOP, *R. of Quinnipiac Lodge, No. 1*.

Rep. Walter, of No. 4, having resigned his office of D. D. Grand Master, E. B. Stevens was appointed to fill the vacancy.

On motion of G. Sec. Heitmann, the vote passed at the annual session in July last, relative to dues from the subordinate lodges, was rescinded by a unanimous vote.*

The following amendment to the Constitution was then submitted and laid on the table:

REGULAR SESSION, October, 1842.

To the R. W. Grand Lodge, I. O. O. F. of Connecticut:

The undersigned, representatives from two subordinate lodges, propose the following amendment to the Constitution of the Grand Lodge, to wit:

By striking out the second section of Article fifth, and inserting in lieu thereof, "Each subordinate lodge shall pay to the Grand Lodge the sum of one dollar for each candidate admitted during the last quarter, said payment to be made quarterly."

J. C. PALMER, *R. of Middlesex Lodge, No. 3*,
G. WALTER, *R. of Pequannock Lodge, No. 4*.

On motion of G. Treas. Bishop, *Voted*, That a committee of three be appointed to revise the Constitution of this Grand Lodge.

Grand Master Bradley, G. Rep. Hinman and Rep. Palmer, were appointed on said committee.

Hitchcock & Stafford's bill of \$72.43, and John Galpin's bill of \$1.25, were presented and referred to the Finance Committee, who reported them correct, and the bills were ordered to be paid.

The committee to whom was referred the motion of G. Sec. Heitmann in regard to the wearing of regalia at funerals, made the following report:

* This being a constitutional provision, it could not be changed, except in the form prescribed; hence the vote was rescinded, and the amendment laid on the table, as prescribed by the Constitution.

To the R. W. Grand Lodge, I. O. O. F. of Connecticut :

The undersigned, committee to whom was referred the resolution of G. Sec. A. C. Heitmann, concerning the wearing of regalia at funerals of members of the Order, respectfully report :

That in their opinion uniformity among the different lodges under the jurisdiction of this Grand Lodge, is extremely desirable in all matters, and that this object can be better attained by following the ancient and universal custom of the Order, than in any other way, and therefore beg leave to amend the said resolution by the following :

Resolved, That it is hereby recommended to the members of the subordinate lodges under the jurisdiction of this Grand Lodge, to appear at the funerals of deceased members in full regalia in all cases, except when the contrary is desired by the friends of the deceased brother.

All which is respectfully submitted in F., L. and T.

F. CROSWELL, *Rep. No. 1*,

P. H. SNOW, *Rep. No. 3*,

On motion of Rep. Walter, the above resolution was adopted.

Rep. Hollis, of No. 5, offered the following resolution :

Resolved, That hereafter none but members of the scarlet degree shall be entitled to vote on the application of a brother for the degrees, and any brother recommended by the subordinate lodge of which he is a member, to take the degrees, shall have them conferred upon him, without further vote of the Degree Lodge.

G. Sec. Heitmann moved to lay the resolution on the table until the next regular session. Motion lost and resolution then passed.

The Grand Lodge adjourned, and was closed in ample form.

A. C. HEITMANN, *Grand Secretary*.

QUARTERLY SESSION.

NEW HAVEN, Jan. 12th, 1843.

The R. W. Grand Lodge, I. O. O. F. of the State of Connecticut, convened this day, being the regular Quarterly Session, and opened in regular form.

PRESENT :

R. W. WILLIAM E. VIBBERT,	<i>Deputy Grand Master, in the Chair,</i>
R. W. A. C. HEITMANN,	<i>Grand Secretary,</i>
R. W. R. S. HINMAN,	<i>Grand Representative,</i>
W. L. A. THOMAS,	<i>Grand Marshal,</i>
W. T. C. HOLLIS,	<i>Grand Guardian,</i>

and representatives from seven subordinate lodges.

Quarterly Reports from lodges No. 1, 4, 5, 6, 8 and 9, were received, with the regular per centage.

The Chair appointed Reps. Hinman, Hollis and Landon, Committee of Elections and Returns, *pro tem.*; and the Quarterly Reports were referred to said committee, who reported them as correct.

The Quarterly Reports were then read, accepted and ordered on file.

Certificates of election of representatives were presented, as follows : P. G. Wm. A. Goodwin, of No. 1 ; P. G. Wm. W. Kingsley, of No. 3 ; P. G. Joseph Crosby, of No. 4 ; and P. G. Noah Chandler, of No. 5 ; and were, on motion, referred to Committee of Elections and Returns, who reported them correct.

Whereupon the above named representatives were admitted, instructed in the Grand Lodge degree, and took their seats as members.

The following report from the Grand Master was read, accepted and ordered for record :

To the Grand Lodge, I. O. O. F. of the State of Connecticut :

The undersigned, being by circumstances beyond his control prevented from attending the winter session of your Right Worthy body, respectfully transmits his report of official duties performed since the 14th day of October, 1842.

It has been the intention of the Grand Master to visit each of the subordinate lodges in this state, previous to the communication of the Grand Lodge, and from personal inspection to report on their individual prosperity and proficiency in the work of the Order. This

purpose, however, he has hitherto been able to accomplish only in part. The following synopsis will show how far the design of official visitations has been completed, together with the dates of which they were severally made, viz :

Friday, Nov. 11th, 1842, Mercantile Lodge, No. 8, Hartford.

Monday, " 14th, " Charter Oak " " 2, "

Wednes., " 16th, " Middlesex " " 3, East Haddam.

Friday, " 18th, " Thames " " 9, New London.

Among these lodges, a considerable diversity of work was found to exist both in the ceremonial of initiation and in the conferring of degrees. But whatever departures from our authorized standards has been unwarily allowed, were cheerfully and at once corrected, so soon as the deviation was pointed out. The brothers, according to their grade, were fully examined in the various secret modes of giving and receiving the tests and tokens of fraternal recognition ; and the respective lodges were addressed as well in counsels adapted to the peculiar circumstances of each, as in the general principles and duties attaching to our social and insuring system.

To the establishment of a second independent organization in Hartford, is mainly owing the present improved condition of Odd Fellowship in that city. The two lodges meet in the same hall.

The lodge in East Haddam is numerically small from the sparseness of population in its neighborhood. For the same reason, (its members living remotely from the place of meeting,) its weekly sessions are but thinly attended. Its affairs are, however, prosperous, its strength gradually increasing, and its members are harmonious, and sincerely attached to the institution.

The Grand Master installed its officers in ample form, on the 7th of December last.

At the visitation of Thames Lodge, No. 9, of New London, the whole five degrees were conferred on twenty-two brothers of that flourishing subordinate. The primary term, also, of this lodge, (which, at the time of its institution, was extended to the first meeting in March, 1843,) was allowed to close with the month of November, 1842 ; circumstances having occurred which rendered this re-arrangement highly expedient. When we take into consideration the census of New London, the recent introduction of Odd Fellowship into that city, and the already large array of her intelligent and worthy sons, the thrift which No. 9 exhibits is unparalleled in the history of any lodge in Connecticut.

Throughout this entire jurisdiction, the Order is believed to be steadily advancing in the increase and affection of its members, and in the confidence of a scrutinizing and discriminating public.

That your deliberations may be excited by zeal and tempered by sound wisdom and discretion, is the earnest desire of

Your brother, in F., L. and T.

CHARLES WILLIAM BRADLEY,

G. M. of G. L. of Connecticut.

The following amendment of the Constitution, offered by Reps. Palmer and Bishop at the last session, was taken up, viz: To insert after the word "lodge," in the fourth line of Article 3d, section 2d, clause 1st, "he shall grant dispensations to subordinates at his discretion, when the Grand Lodge is not in session."

On motion of G. Rep. Hinman, the above amendment was adopted, 10 representatives voting in the affirmative, and in the negative, none.

The amendment of Article 5th, section 2d of Constitution, proposed by Reps. Palmer and Walter, at the last session, was taken up and unanimously adopted.

Grand Sec. Heitmann moved to repeal the resolution relative to voting for applicants for the degrees, which was passed at the last session. Motion was laid on the table.

Reps. Ellis, of No. 1, and Landon, of No. 4, proposed the following amendment of first section of Article 4th of Constitution, viz:

To strike out the word "four" in the first line of clause first, "October" in the second line, "April" in the third line, and "Quarterly" in the fourth line, and also the word "Quarterly" in the first line of third clause, and insert in the place of the word "four," in the first line, first clause, the word "two," and the word "SEMI-ANNUAL" in place of the word "Quarterly," in the fourth line of first clause, and first line of third clause.

WM. H. ELLIS, *Rep. of No. 1,*
GILSON LANDON, *Rep. of No. 4.*

Grand Rep. Hinman submitted the following report, which was accepted, and ordered to be put upon record:

To the R. W. Grand Lodge, I. O. O. F. of Connecticut:

The subscriber, your Grand Representative, begs leave to Report:

That in addition to the report verbally made at the last session of your R. W. body, he has now the honor of saying:

That from the several reports of the R. W. Grand Representatives of the several R. W. Grand Lodges, the Order is in the most flourishing condition in all the states in the Union, except Louisiana, and that even there its prospects are brightening.

The returns from the several grand and subordinate lodges, show that the whole number of Odd Fellows in the United States is 24,160, of whom, 7,946 were initiated the present year, and 2,097 have arrived to the R. P. degree.

The revenue of the subordinates is \$163,717.00.

The amount paid for relief the past year, is \$44,435.00, of which

sum, \$831 were expended in educating the orphan children of our deceased brethren.

By a reference to pages 93 and 94 of the printed proceedings of the R. W. Grand Lodge of the United States, it will be seen that the Order is paying a salary of \$1,000 to the editor of the Official Magazine, and about \$1,300 in commissions to the agent; and that the expenses of the Magazine the past year were above \$4,000, besides an amount not reported, due to those who have furnished matter for that paper. It will also be observed, that the R. W. Grand Lodge is indebted to the agent on account of the Magazine, \$925.12, and to the editor for most of his salary.

Under these circumstances, and believing that it is not for the good of our Order, as a body, to enter into any kind of business transactions that can be carried on by individual enterprise, he takes the liberty of calling the particular attention of your R. W. body to the subject, and for that purpose he submits a resolution, for the action of the R. W. Grand Lodge.

At the organization of the R. W. Grand Lodge of the United States, the difficulty of getting Grand Representatives to attend its sessions, on account of the expense and the small number of the members of the Order, led to the adoption of the proxy system. Your representative, believing the system a wrong one, and that the time had come when necessity (the only excuse that could ever have been given for its adoption) no longer required its continuance, offered an amendment to the Constitution of that R. W. body for its repeal, (which will be found on the 69th page of the proceedings.) Wishing for an opinion from your R. W. body on that amendment, he submits a resolution for that purpose, and he respectfully recommends an interchange of opinions with the several Grand Lodges.

Grateful for the favors and honors conferred on him by his brethren of the Order and the R. W. Grand Lodge, he will ever remain their faithful

And obedient servant, in Friendship, Love and Truth.

R. S. HINMAN.

Grand Rep. Hinman offered the following resolutions, which were passed:

Resolved, That in the opinion of this Grand Lodge, the I. O. O. F., as a body, should never enter into any kind of business transactions which shall come in competition with individual enterprise; and that the publication of a Magazine by the Grand Lodge of the United States, is, therefore, impolitic, and ought to be discontinued.

Resolved, That the creation of new salaried officers by the said R. W. Grand Lodge, should be discountenanced, and that as little money should pass through said Grand Lodge as possible, with due regard to the performance of its official duties.

Resolved, That in the opinion of this Grand Lodge, the system of allowing proxy representation in the R. W. Grand Lodge of the United States, ought to be abolished.

Resolved, That a copy of the foregoing resolutions be forwarded to each of the R. W. Grand Secretaries of the several Grand Lodges, and R. W. Grand Scribes of the several Grand Encampments in the United States, with a request that they be laid before their R. W. Grand Lodges and Encampments respectively.

Grand Rep. Hinman, from committee on banner, &c. made the following report, which was accepted and ordered on file.

To the R. W. Grand Lodge, I. O. O. F. of Connecticut :

The subscriber, one of the committee appointed to procure a banner, jewels, &c. for the Grand Lodge, begs leave to report :

That the committee directed him to procure the same, that he proceeded to purchase silk, and procured the same to be painted and trimmed.

He paid for painting,	-	-	-	-	-	-	\$53.00
" " " trimming, silk, making, &c.	-	-	-	-	-	-	35.06
							<hr/> \$88.56

That soon after his appointment, he applied to Messrs. Brown & Kirby to make the jewels, who agreed to make them, but they did not, and there being no prospect of getting them made at present, the subscriber asks to be discharged.

There remains in his hands of the appropriation which was paid over to him, the sum of \$11.44, which he is ready to pay to the Grand Lodge.

All which is respectfully submitted,

R. S. HINMAN, *one of the Committee.*

No further business offering, the Grand Lodge, on motion, adjourned without day, and was closed in regular form.

Attest,

A. C. HEITMANN, *Grand Secretary.*

of the State of Connecticut, Feb. 20th, A. D. 1843. }*

Upon the memorial of Middlesex Lodge, No. 3, I. O. O. F., to the R. W. Grand Lodge of the State of Connecticut, preferring certain charges against Charter Oak Lodge, No. 2, I. O. O. F., and praying for relief, &c., which said memorial is here annexed, *Ordered*, That notice of the pendency of said memorial before the Grand Lodge be given to Charter Oak Lodge by the R. W. Grand Secretary, by depositing in the Post Office at New Haven, a true and attested copy of said memorial and this Order of Notice, addressed to the Secretary of said Charter Oak Lodge, on or before the first day of March, 1843; that said Charter Oak Lodge may appear before said Grand Lodge, if they see cause, and answer to the matters contained in said memorial, at its regular session, to be holden at New Haven, on the second Thursday of April next.

CHARLES WILLIAM BRADLEY, *Grand Master*.

* The names of the applicants were John L. Devotion, Edward W. Eells, James D. Mowry, John A. Lathrop, Charles C. Williams and John N. Woodard.

† The names of the applicants were Stephen M. Shaddick, Charles H. Mather, Origen Utley, Erastus H. Booth and Timothy Sage.

To the Right Worthy the Grand Lodge, I. O. O. F. of the State of Connecticut, to be held at New Haven on the 2d Thursday of April, 1843.

The memorial of Middlesex Lodge, No. 3, I. O. O. F., located at East Haddam, in and for Middlesex county, in the state of Connecticut, respectfully represents:—That on the 31st day of January, A. D. 1843, Charter Oak Lodge, No. 2, I. O. O. F., located in Hartford, in and for Hartford county and state aforesaid, initiated as members of said Charter Oak Lodge, Stephen M. Shaddick, Charles H. Mather, O. Utley, E. H. Booth and T. Sage, all inhabitants of and residents in the town of Middletown, county of Middlesex, with a view to the organization of a subordinate lodge in said town of Middletown. That the initiation of the above named persons by Charter Oak Lodge, was and is a wanton infringement of the rights, immunities and privileges of said Middlesex Lodge, as guarantied to her by her charter, recognized and settled by ancient usage and custom, and confirmed by the Constitution and By-Laws of the Grand Lodge. That said Middlesex Lodge has, and of right ought to have, the sole power, right and privilege of initiating any person or persons into the Order whose residence is in any town in said Middlesex county, and that without such power, right and privilege, her charter is impotent, deficient and ineffective.

That said Middlesex Lodge has fully discharged its obligations to the Grand Lodge, and to every subordinate lodge in the state, and when numbering only fifty-seven members, she is surprised to find her prolific sister Charter Oak Lodge, which numbers over *one hundred* members, invading her jurisdiction and enticing away subjects for the sake of gain, at the sacrifice of brotherly feeling, and without law or right. And for a more specific statement of the matters complained of against said Charter Oak Lodge, your memorialists would prefer the following charges and specifications, to wit:

1st. That the initiation of S. M. Shaddick, C. H. Mather, O. Utley, E. H. Booth and T. Sage, all residents of Middletown, Middlesex county, District No. 3, by Charter Oak Lodge, on the 31st of January last, was in violation of the Constitution and By-Laws of the Grand Lodge of Connecticut, and of the Grand Lodge of the United States.

2d. That such proceedings are a violation of usage, custom and precedent.

3d. That such proceedings are contrary to a pledge given to Middlesex Lodge, by the Order, in 1839.

4th. That such proceedings are contrary to the official remonstrance of the M. W. Grand Master.

5th. That such proceedings are injurious to the prosperity of Middlesex Lodge, of mischievous tendency, and destructive to the harmony of the Order in Connecticut.

6th. That such proceedings are an infringement of the charter of Middlesex Lodge.

Your memorialists therefore pray that notice of the foregoing may

be served upon Charter Oak Lodge, and said lodge required to answer the same, and that such relief may be granted in the premises to your memorialists by your Right Worthy body, as is in accordance with the laws, usages and customs of our Order; and that said Charter Oak Lodge be directed to pay to your memorialists the sum of thirty dollars, being the amount of initiation fees received from said persons by said Charter Oak Lodge, contrary to law, usage and custom.

And your memorialists, as in duty bound, will ever pray.

Dated at East Haddam, this 15th day of February, A. D. 1843.

*Middlesex Lodge, No. 3, I. O. O. F., }
Regular Session, Feb. 15, 1843. }*

The foregoing memorial was adopted and ordered to be signed by the N. G., V. G. and Secretary, with the seal of the lodge affixed, and returned to the R. W. Grand Lodge, I. O. O. F. of the State of Connecticut.

Resolved, That Samaritan Lodge, No. 7, be permitted to hold a public procession in May next, to celebrate the institution of said lodge.

Resolved, That the proceedings of Charter Oak Lodge, No. 2, in initiating Brs. S. M. Shaddick, E. H. Booth, T. Sage, C. H. Mather and O. Utley, against the remonstrance of the M. W. Grand Master and the known claims of Middlesex Lodge, No. 3, were uncourteous and disrespectful to the Grand Master, a violation of the rights of said Middlesex Lodge, No. 3, and had a tendency to disturb the harmony of the Order; and that said Charter Oak Lodge, No. 2, be and she is hereby directed to pay over to Middlesex Lodge, No. 3, the sum of

thirty dollars, being the amount of initiation fees received from said persons.

Resolved, That the Grand Secretary be directed to forward a copy of the above resolution to the Secretary of said Charter Oak Lodge, No. 2, and to the Secretary of Middlesex Lodge, No. 3.

The G. Master then submitted the following report :

Right Worthy Grand Officers and Representatives :

The requirements of our Constitution have brought us together in this third annual session, to legislate for the interests of the Order here committed to our charge, and to fill the several offices of the Grand Lodge which are about to become vacant by the limitation of her law. To the performance of these duties let us bring such a measure of harmony as shall exemplify the first virtue which we teach,

and such prudence in counsel as shall secure to our institution continued and permanent success.

In accordance with a custom which, though it has obtained through sufferance and not by any statutory provision, is yet one of obvious propriety, I submit to you a summary of official acts since my last written report to this Right Worthy body.

On the 8th of March, I installed the officers of Middlesex, No. 3.

On the 10th of the same month, I issued a dispensation, subject to your approval, for constituting a lodge in the city of Norwich, and proceeded forthwith to constitute the same, under the title of "Uncas Lodge, No. 11, I. O. O. F." Of my transactions on that occasion, and of the auspicious circumstances under which this new colony of brothers commenced their chartered existence, I made a full oral report at your last regular session, when the said dispensation was confirmed. At a grand visitation of this subordinate, held on the 28th day of April, and at a visit made on the 15th of June, (at which time the patriarchal branch was established in that city,) I conferred the five minor degrees on a large number of candidates who had been duly recommended therefor. At the latter named date I also conferred the Past N. G's, Past V. G's and Past Secretary's degrees on P. G. John L. Devotion,—the Past V. G's and the Past Secretary's degrees on N. G. Edward W. Eells, and the Past Secretary's degree on Br. James D. Mowry. From an examination made on both these occasions into the mode of working in Uncas Lodge, I am confident that in strict fidelity to and familiarity with the printed charges and lectures, in tasteful execution of the work, and in attachment to the institution, this young offspring of our confederacy comes behind no lodge in Connecticut, and is fully equal to any of those which I have visited in other states.

The petition which was brought to the April session of the Grand Lodge, from brothers residing in Middletown, praying for a charter to open and constitute a lodge in that place, (and which was laid over for subsequent action,) and the remonstrance of Middlesex Lodge, No. 3, against granting the prayer of said petition, having been severally withdrawn by the consent of the Grand Lodge, in a special session held May 31st, arrangements were entered into which it is believed will be satisfactory to all the parties concerned.

A renewed application from that quarter was made to me early in the month of June last, accompanied with the charter-fee and a recommendation of the petitioners from lodge No. 3. The action of the Grand Lodge in the premises, as already recited, left me free to issue the proper warrant for institution, which was accordingly done; and on the 12th day of June I opened "Central Lodge, No. 12, I. O. O. F." in the city of Middletown, and installed into their respective chairs the officers elect. At this ceremony I was gratified in having the assistance of P. G. M. James B. Gilman, a large number of brothers from the lodges in Hartford, and a representation from those in East Haddam and New Haven.

From the statistical reports of our subordinates for the quarter ending June 1st, you will infer the continued prosperity of the brotherhood within this jurisdiction. So far as I have had opportunity to observe from personal inspection and epistolary intercourse, this favorable conjecture is substantiated by the practical results of our system: numerous and prompt benefits have been afforded to the sick and bereaved, and the halcyon influence of "Friendship, Love and Truth" has, without demanding or receiving the surrender of any principle, softened the asperities which are too apt to exist among men of different creeds in religion and different parties in politics.

The aggregate of contributing members now under our supervision is 1266; showing an increase of about 45 per cent. over the last annual returns. Arithmetical progress, however, is not always an infallible criterion of solid prosperity: for while there is good reason to believe that the character and standing of our members is not inferior to that of an equal amount taken promiscuously from any association of men, it is yet probable that we suffer in some degree from the want of due scrutiny into the *social* as well as into the moral qualifications of candidates previous to their initiation.

"————— Fertur quò rara securis,"

(if we except the harmless symbol of the Warden,) is an error to which recent lodges are more especially prone, and arises partly from inexperience and partly from a desire to multiply quickly their social and financial resources. The evil results of this making haste to be rich and powerful, cannot be too strongly impressed upon the subordinates, and should be carefully checked by the representative guardians of their interests.

Having ascertained that the prevailing opinion of the Past Grands in this state corresponds with my own herein, I respectfully suggest the propriety of bringing before the R. W. Grand Lodge of the United States the views of this Grand Lodge on the necessity of a thorough revision of the lectures, charges and other work appertaining to the several degrees of the Order. Into an analysis of their supposed defects, it is both inexpedient and unnecessary here to enter. I commend the subject to your wise consideration, satisfied that you will dispose of it as its high importance demands.

Before closing this report, I avail myself of the opportunity which it affords to testify my grateful sense of the courtesy which has been uniformly extended to me by the officers and members of the Grand Lodge of Connecticut, during the year in which I have had the honor to preside over its deliberations.

CHARLES WILLIAM BRADLEY,
G. M. of G. L. of Connecticut.

The report of the M. W. Grand Master was, on motion of Grand Rep. Hinman, accepted and ordered to be entered on the record.

On motion of Rep. Hinman, the report was laid on the table.

The committee to whom was referred so much of the Grand Master's report as relates to the Degrees, offered the following report and resolution :

Whereas, in the opinion of this Grand Lodge, the charges and lectures of the several degrees of the I. O. O. F., require many important alterations ; therefore,

Resolved, That the R. W. Grand Reps. be instructed to bring before the R. W. Grand Lodge of the United States, the subject of a thorough revision of the work of the Order, and to introduce a resolution before that body for committing said work to a special committee for that purpose.

On motion of P. G. M. Bradley, the appeal of Middlesex Lodge, No. 3, which was laid on the table at the last session, was taken up, and leave granted to said lodge to appeal to the R. W. Grand Lodge of the United States.

P. G. M. Bradley, as chairman of the committee on the revision of the Constitution and By-Laws, reported verbally, that he had prepared said revision and was ready to report at the April session, but the press of business prevented; he had not the report with him now, and asked further time, which was granted.

Rep. Devotion moved to take up the report on the appeal of Bro. George Hinman, which was carried.

P. G. M. Bradley, from the committee appointed at a previous session to revise the Constitution and By-Laws of the Grand Lodge, made the following report:

To the R. W. Grand Lodge, I. O. O. F. of the State of Connecticut:

The committee to whom was referred the business of revising the Constitution and By-Laws of the Grand Lodge, I. O. O. F. of the State of Connecticut, beg leave to report:

* The ground of this appeal was “informality and want of fairness.” There appeared to be no want of fairness, and the only informality or irregularity shown before the committee was, that when the vote was taken on suspending the brother, two thirds of the members who *voted* were in the affirmative, but not two thirds of the members *present*, as required by the Constitution. But at the next regular meeting of the lodge the vote was reconsidered, and upon being put again, it was passed by a constitutional majority. The point therefore decided by the Grand Lodge, in this case, was that a subordinate lodge has power to correct its own acts (when not properly done) by a vote of reconsideration.

That the several members of your committee have given the important trust confided to them a long and careful deliberation—the result of which, incorporating the decisions and standing resolutions of the Grand Lodge, and provisions for such emergencies as experience has demonstrated to be necessary for the prosperity of this jurisdiction, and on which no special legislation has yet been had, is herewith presented.

Your committee regret that this result of their labours cannot now have the exposition and support of one of their number on whom they greatly relied—the late eminent and beloved M. W. Grand Master.

To Rep. Thomas, of No. 1, the committee are under peculiar obligations for the many and valuable suggestions which his zeal and intelligence on the subject enabled him to offer; and they avail themselves of this occasion to acknowledge his kindness and courtesy.

All which is respectfully submitted.

CHARLES WM. BRADLEY, *Chairman.*

New Haven, Jan. 11, 1844.

On motion of Rep. Miller, the report was laid on the table. On further motion by the same, the Grand Lodge opened on the nomination and election of a Grand Master.

The Chair appointed Reps. Bishop and Hollis tellers.

Rep. Sheldon Bassett, of No. 6, D. G. M., was nominated, and upon balloting was duly elected Grand Master.

The office of Deputy Grand Master having thus become vacant, the Chair called for nominations therefor, when the following named representatives were nominated, to wit: W. H. Ellis, J. L. Devotion, A. C. Heitmann, P. Demick and H. L. Miller. On the first ballot, no choice; on the second ballot, Rep. John L. Devotion, of No. 11, was chosen.

The office of Grand Warden being thus vacated, the following representatives were nominated, to wit: William H. Ellis, L. A. Thomas, N. Chandler, H. H. Dickinson, O. F. Smith, H. L. Miller, S. M. Shaddick. Rep. Ellis declined being considered a candidate. On the first and second ballots, no choice; on the third ballot, there were 33 votes polled, viz: for Rep. Lucius A. Thomas, 16; for Rep. Noah Chandler, 15; and one double vote, which was counted blank. The Chair decided that there was no choice. Hereupon an irregular discussion arose,—first, as to the propriety of calling the duplicate a blank, and next, as to the value of blank votes towards frustrating an election—pending which, Rep. Ellis offered the following resolution, viz:

Resolved, That hereafter blanks shall not be counted in a ballot.

Rep. Heitmann objected to the resolution, as out of order,

there being before the Grand Lodge the special business of electing a Grand Warden. The Chair decided the resolution to be in order; from which decision Rep. Miller appealed, and the decision of the Chair was not sustained.

On the fourth ballot, Rep. Lucius A. Thomas was elected Grand Warden.

The Committee of Finance reported on bills referred to it as correct. On motion, the report was accepted, and the several bills, (with the exception of that of Messrs. Hitchcock & Stafford, which was laid on the table,) were ordered to be paid.

Rep. Dickinson, of No. 2, announced the death of his colleague, D. D. G. M. Joel Pratt, 3d; and accompanied the same with some pertinent remarks concerning the deceased brother.

P. G. M. Bradley offered a resolution raising a committee of three to draft resolutions on the announcement made by Rep. Dickinson, with instructions to report the same to-morrow morning: passed,—and Reps. Devotion, of No. 11, Seaman, of No. 9, and Thomas, of No. 1, appointed.

Resolution by G. Rep. Ellis, requiring the Grand Secretary hereafter to give receipts for all moneys paid him: passed.

The Grand Secretary tendered to the Grand Lodge the resignation of his office. Rep. Ambler moved to lay it on the table: not carried, and the resignation was then accepted.

On motion, the Grand Lodge proceeded to fill the vacancy caused by the resignation of G. Sec. Heitmann. P. G. M. Charles W. Bradley was nominated thereto, elected and entered on the duties of his office.

On motion, adjourned to 8 o'clock to-morrow morning.

FRIDAY MORNING, January 12th.

The Grand Lodge met pursuant to adjournment.

The Grand Treasurer made report on the funds of the Grand Lodge, (cash on hand, \$446.25; Union School stock, \$300.00=\$746.25,) which was accepted.

The special committee to whom was referred the duty of preparing resolutions expressive of the bereavement felt by this Grand Lodge in the death of Brother Joel Pratt, 3d, D. D. G. M. of District No. 2, reported the following preamble and resolutions, which were unanimously adopted:

WHEREAS, it has pleased an All-wise Providence—in the justness of whose decrees we submissively acquiesce—to remove from this earthly lodge another beloved brother and fellow representative, therefore,

Resolved, That in the death of D. D. G. M. Joel Pratt, 3d, this Grand Lodge has sustained a loss of one of its most excellent and efficient members.

Resolved, That in his social relations he was eminently calculated to secure the esteem of all who knew him. Quiet and affectionate in disposition, and possessing more than an ordinary share of those qualities which most adorn a man, his eulogy can be best spoken by those whose daily intercourse with him made them best acquainted with his virtues.

Resolved, That we deeply sorrow for his loss, as a member of this body, as an Odd Fellow, and as a man; and that we sincerely sympathize with the family and friends of the deceased in the affliction.

Resolved, That copies of these resolutions, signed by the Grand Secretary and sealed with the seal of the Grand Lodge, be forwarded to the family of our deceased brother, and to the subordinate lodge of which he was an ornament.

Bill of Messrs. Hitchcock & Stafford taken up. On motion of Rep. Miller, the account was again referred to the Committee of Finance, with instructions to settle it on the best terms which said committee may find practicable.

Secretary of the R. W. Grand Lodge of South Carolina, containing preambles and resolutions adopted by that body, *de* Proxy Representation in the Grand Lodge of the United States, and the “Covenant;” elicited by certain resolutions passed by the Grand Lodge of Connecticut,—a circular from the G. Sec. of the Grand Lodge of the United States, *de* date of institution of Lodges and Encampments, and a circular from the same, *de* the “Covenant;” all of which were ordered on file.

Report of the special committee on revision of the Constitution and By-Laws, taken up, and again laid upon the table.

Resolution by Rep. Seaman, that the G. Secretary be instructed to prepare a sufficient number of copies of the report of the committee on the Constitution and By-Laws of this Grand Lodge, in the form presented by said committee to the Grand Lodge, and that a copy of such report be sent to the representation of each of the various subordinate lodges in this jurisdiction ; “for which service he shall be entitled to receive a proper remuneration ;” passed.

The Grand Master submitted the following report:

To the R. W. Grand Lodge of the Independent Order of Odd Fellows of the State of Connecticut :

BROTHERS—We have again assembled together, being the fourth annual session, to transact the necessary business committed to our charge, and to fill the several offices which are about to become vacant in this Grand Lodge.

In compliance with former customs, I herewith submit to your R. W. body a summary of my official doings since the semi-annual session of the R. W. Grand Lodge, in January last.

Soon after the adjournment of that session, I caused to be forwarded to each of the D. D. Grand Masters under this jurisdiction, certificates of their appointment, and at the expiration of the quarter renewed the appointments by new certificates.

On the 4th day of March, and also on the 3d day of June, I installed the officers of Ousatonic Lodge, No. 6, in ample form. I have also conferred the Past V. G. and Past N. G. degree on Bro. H. N. Hawkins and Bro. Lewis Hotchkiss, the Past N. G. degree on Bro. Ely Burritt, and the Past Secretary degree on Bro. James Kneringer and Bro. Simon Tomlinson.

On the second day of March, I received through the hands of our R. W. Grand Secretary, an application for a new lodge, to be located at Lower Mystic, town of Stonington and county of New London, to be known and hailed as "CHARITY LODGE, No. 13, I. O. O. F." I accordingly issued a dispensation, subject to your approval, and vested P. G. M. CHARLES W. BRADLEY with power and authority to open and constitute the same.

In the month of May, I received an application for another lodge, to be located in the town of Milford, in New Haven county. I issued a dispensation, and on the 19th day of June, accompanied by a number of brothers from Quinnipiac, No. 1, Harmony, No. 5, and Ousatonic, No. 6, I proceeded to institute the same, under the title of "WOPOWAGE LODGE, No. 14, I. O. O. F." and installed the following officers, to wit :—BENJAMIN P. BUSH, N. G., JOHN N. BUCKINGHAM, V. G., RALPH H. AUGER, Secretary, and WILLIAM BUSH, Treasurer. Five others were initiated at the same time. The time of meeting of this lodge is Wednesday evening. On the 25th day of June, I again visited Milford, and conferred the five degrees on the last initiated brothers. And I take pleasure in saying, from the character of her members, the zeal displayed, the harmony and good feeling prevailing amongst them, that Wopowage Lodge, No. 14, promises to become an important and useful branch of the Order in this state.

I received a communication from the N. G. of Charter Oak Lodge, No. 2, dated June 6th, 1844, informing me that the office of D. D. Grand Master in that district had become vacant by the removal from the state and withdrawal by card from that lodge, of Brother R. A. Robbins, late D. D. G. M. And in accordance with the powers in

me vested, I immediately forwarded a commission for the appointment of another to fill the office during the remainder of the term, leaving a blank for the name,—my acquaintance being somewhat limited among the brothers there, and believing them better qualified to judge who would best subserve their interests.

My business has been of such a nature as to debar me from the pleasure of visiting in person any of the lodges in the state, excepting the one of which I am a member, and Samaritan Lodge, No. 7, of Danbury, where I was present, by a special invitation, to participate in celebrating the second anniversary of said lodge, on the 23d day of May last. And I should do injustice to my own feelings, did I not express my grateful acknowledgments to D. D. G. M. HURLBUT, and to the other worthy officers and brothers from whom I received so much kindness and attention during my short stay with them. The brothers composing this lodge are not excelled in point of respectability by any lodge in the state, and are fast increasing in numbers.

It has been my design to call your attention to some resolutions which were submitted to the Grand Lodge of the United States at its last session, some of which will again be brought up at its session in September next, with my views on the same, for your consideration. But, if I am correctly informed, but one copy of the proceedings of that body has been received in this state, and that came into my hands but within a few days; since which, I have had no time for giving it an examination, and can only refer you to that document, which is now in this Grand Lodge.

On retiring from the honourable station to which you have been pleased to elevate me, permit me to return you my sincere and grateful thanks for the kind indulgence I have received at your hands.

Yours, in Friendship, Love and Truth,

SHELDON BASSETT, *Grand Master.*

Report accepted.

The Grand Master also submitted the following report of P. G. Master Bradley :

To Sheldon Bassett, Esq., M. W. Grand Master of R. W. Grand Lodge, I. O. O. F. of Connecticut :

Under the authority of your warrant, issued March 9th, 1844, empowering me as special deputy to perform the service therein required, having duly discharged the trust imposed by that instrument, I beg leave respectfully to Report :

That on the 11th day of April, 1844, I proceeded to the village of Lower Mystic, town of Stonington and county of New London, where, with the assistance of the R. W. D. G. M. John L. Devotion, W. D. D. G. M. Orrin F. Smith, and thirty-five brothers from lodges No. 9 and No. 11, I instituted CHARITY LODGE, No. 13, I. O. O. F., installed its officers and delivered the Charges and Lectures necessary for its complete organization.

Great credit is due to the brothers who have thus established another fraternity of our benevolent Order at much labor and expense, in a region where, from the sparseness of its population, neither a large nor a rapid increase can be expected. There is, however, every encouragement to believe, that the accession of such as shall become pillars and ornaments of the Order will be large enough to give efficiency and interest to the institution.

All which is respectfully submitted.

CHARLES W. BRADLEY, *Past Grand Master*.

Report accepted.

The Grand Master also submitted the reports of the Deputy Grand Master and the District Deputy Grand Masters of their official acts in their respective districts.

On motion of Rep. Thomas, Article 11 was amended by adding after "Deputy Grand Master," "Grand Warden or District Deputy Grand Master."

The remaining Articles from 12 to 22 inclusive were adopted without amendment.

D. G. M. Miller then moved that the Constitution as amended be adopted as the Constitution of this Grand Lodge. Which was decided in the affirmative by a constitutional majority.

D. G. M. Miller then moved that the By-Laws as amended be adopted as the By-Laws of this Grand Lodge. When, on voting, there appeared 13 yeas to 11 nays—not a constitutional majority; so the motion was lost.

Rep. Converse moved that Art. 5 be amended by adopting it as originally reported, substituting the words "all the Grand Officers," in place of the "Grand Master, Deputy Grand Master, Grand Warden, Grand Secretary, Grand Treasurer, Grand Representatives," which was carried in the affirmative.

Rep. Converse then moved that the By-Laws as amended be now adopted; which was carried unanimously in the affirmative.

The following amendment to Article VI. Sec. 7 of the Constitution, was offered by Reps. Thomas, of No. 1, and Hollis, of No. 5, which was laid on the table, according to the requisitions of the Constitution, for action at the next session, viz: to strike out the whole section and substitute the following:

"Sec. 7. The representations of each lodge which has duly reported to the Grand Lodge, at the Annual Session, *fifty members* or less, in full membership, shall be entitled to *one vote*, and of each which has reported a greater number, shall be entitled to *one additional vote* for every fifty members; which votes shall always be ascertained by polling the representatives of each subordinate separately. The ayes and nays shall always be recorded when the vote is taken by representations."

P. G. M. Bassett presented the report of Grand Secretary Bradley, who was appointed to apply for an act of incorporation from the General Assembly, stating that the application had been continued to the next session.

Report accepted.

Uncas Lodge, No. 11, applied for permission to hold a public procession in August, September or October. Granted.

Ousatonic Lodge, No. 6, applied for permission to hold a public procession in September or October. Granted.

The committee appointed at the semi-annual session to take

into consideration the propriety of erecting a monument to the late M. W. Grand Master ROBINSON S. HINMAN, reported in favor of an appropriation by the Grand Lodge for that purpose, and submitted three drafts for monuments, one at \$75, one at \$125, and one at \$145. Report accepted.

To M. W. JOHN L. DEVOTION, GRAND MASTER OF THE GRAND LODGE,
I. O. O. F. OF THE STATE OF CONNECTICUT :

The Committee on the State of the Order, to whom was referred, by vote of the Grand Lodge, at its last session, a Report of a Committee on the Constitution of Subordinate Lodges, directing that this committee should revise the same, respectfully report :

That in accordance with that vote, the committee have given the subject a careful consideration, and do concur fully in the recommendations of that Report, with the exception of a few verbal corrections. In furtherance of the plan of suiting it to the present condition of the Order, and rendering it complete in all matters necessary for the government of subordinate lodges, they have made a few other changes, which experience has seemed to them to render necessary, though not absolutely required by existing enactments ; subject, however, to your approval, and the action of the Grand Lodge at its next session.

The following are the changes not rendered necessary by any previous enactments :

In Article III. Sec. 3, the minimum of a funeral benefit, on the death of a brother, has been made *fifteen* in place of *thirty* dollars, for the reason that, in many small towns, from fifteen to twenty dollars is sufficient to defray all ordinary expenses, although in cities and larger towns, thirty dollars is not too much. Young lodges, too, with small funds, and those whose means have become reduced from any cause, ought to be allowed to suit their benefits to their means. With this view, the Grand Lodge has never thought it expedient to make any requirements in regard to the amount paid for weekly benefits. A very liberal spirit has always existed in this state on the subject of benefits ; and as any higher sum can and probably will be adopted by lodges whose location or circumstances make it advisable or necessary, it is believed that the change will be advantageous. A simi-

lar reduction has been made in the amount of benefit on the death of a wife, for the same reason. Another benefit has been added, of five dollars, on the death of a child.* Any reasons that would seem to render a benefit proper on the death of a wife, would operate with equal force in favor of a benefit on the death of a child.

As no requirement existed in relation to serving a copy of charges on an accused brother, a regulation that seemed necessary to the ends of justice, and on which point an appeal had already been taken to the Grand Lodge, the committee in view of its manifest necessity, have added Sec. 8 of Art. IV.

With these changes, this committee believe that the Constitution will be found sufficiently complete in its requirements to meet the wants and enable the subordinate lodges to administer their affairs understandingly, in conformity with the rules and usages of the Order.

The aforementioned Report, together with a copy of the Constitution as amended, is herewith submitted.

Very respectfully yours,

In Friendship, Love and Truth,

JAMES B. GILMAN,
CHARLES A. CONVERSE,
ORRIN F. SMITH,
JAMES D. MOWRY,
ORIGEN UTLEY,

} *Committee on the
State of the Order.*

August 1st, 1844.

TO THE R. W. GRAND LODGE, I. O. O. F. OF THE STATE OF CONNECTICUT:

The committee appointed to revise the Constitution and By-Laws of your Right Worthy Body, respectfully report, that they have also revised, in connection therewith, the Constitution of Subordinate Lodges, a copy of which is herewith submitted.

Several changes were necessary to render it conformable to the new laws of the Grand Lodge; and your committee have endeavored, in addition thereto, to embody all those decisions of the Grand Lodge which relate to the duties and government of subordinates, with the intention of making it full and complete in all the regulations immediately necessary for their guidance. A few other additions are also suggested, which the committee deemed necessary to adapt it to the present condition of the Order, to preserve uniformity in usage, and to give definiteness to former enactments; all which will appear in the accompanying document.

A slight change has been made in the arrangements of the articles and sections, for perspicuity.

All which is respectfully submitted.

CHARLES W. BRADLEY, *Chairman.*

NEW HAVEN, July 11, 1844.

* This emendation was rejected by the Grand Lodge, at its semi-annual session, Jan. 1845.

SEC. 3. Should this lodge fail to make its returns as required by the second section of Article VI, for four successive terms, it shall thereby forfeit its charter and become extinct: and it shall become the duty of the last installed officers to transmit or surrender to the Grand Secretary, (or such other brother as may be appointed by the Grand Lodge to receive them,) the charter, books, papers, furniture and funds of the lodge.

SEC. 1. Any member who shall violate any of the principles of the Order, or offend against these Articles or the By-Laws, shall be subject to be fined, reprimanded, suspended or expelled, as the By-Laws may direct, ancient usage require or the lodge determine.

Trial.

SEC. 2. Every member shall be entitled to a fair trial for any offence involving reprimand, suspension or expulsion; but no member of this lodge shall be put on trial, unless charges duly specifying his offence be submitted to the lodge, in writing, by brothers of the Order, except when made liable by non-payment of dues to the lodge.

Committee.

SEC. 3. When charges have been preferred against a brother in proper manner, or any matters of grievance between brothers be brought before the lodge, they shall be referred to a Special Committee of five members, who shall, if possible, be chosen from among the peers of the implicated brother; and they shall, with as little delay as the case will admit, summon the parties and examine and determine the matter in question; and if not involving the expulsion or suspension of a member, or no appeal be taken from their decision to the lodge, it shall be final without other action from the lodge. Should the committee be convinced of the necessity of suspending or expelling a member, they shall submit a motion for the purpose to the lodge for action.

* The benefit on the death of a child was ordered to be stricken out, at the session in January, 1845.

Action on Motion of Committee.

SEC. 4. When a motion for the expulsion or suspension of a member shall have been submitted in due form, it shall be announced at two regular meetings previous to action being taken, and the accused shall be summoned to be in attendance at the lodge, on the time when it may have been determined to consider the question; at which time, whether the implicated brother be present or not, the lodge may proceed to consider and determine it; two-thirds of the members present voting in favor of the motion, it shall be carried; and the lodge shall be fully competent, while such motion is under consideration, to vary the penalty from the original motion.

Appeal from Decision of Committee.

SEC. 5. When the decision of a committee appointed under Sec. 3 shall not be satisfactory to all parties, either of those interested shall have the privilege of appeal to the lodge; and at the time appointed for trying the appeal, the committee shall present to the lodge, in writing, the grounds on which their decision was founded, and the parties shall have the privilege of being heard before the lodge; and the lodge shall determine the correctness of the decision of the committee, by a majority of votes present.

Appeal to the Grand Lodge.

SEC. 6. Any brother feeling aggrieved by the decision of the lodge against him, shall be entitled to an appeal to the Grand Lodge for a new trial, if informality or want of fairness be shown on the former trial; and on the command of the Grand Lodge, the brother may be tried anew for the same offence.

*Notice to other Lodges.**

SEC. 7. Any brother having been suspended or expelled, notice thereof shall be sent to all lodges under the jurisdiction of the Grand Lodge of the State, [and to the Grand Scribe of the Grand Encampment of the State;] and a brother who has been legally expelled, shall not be again admitted to membership, without the consent of the Grand Lodge.

Notice of Charges.

SEC. 8. When charges have been preferred against a brother in regular form, a copy of the charges, together with a notice of the time and place of meeting of the committee appointed to investigate the same, shall be left at his residence or where he was last known to reside, if within the town where the lodge is located. If he is absent from or resides out of town, then they shall be directed to the last place where he was known to reside and left at the Post Office; and if the brother so notified shall not appear at the time specified, or

* Amended by inserting the part enclosed in brackets, at the January session, 1845.

offer satisfactory reasons therefor, the committee shall proceed in manner and form as if he were present.

Disability.

SEC. 9. No officer or member shall officiate in the lodge during the time occupied in his trial, nor be present when the question is taken on the report or resolution of the committee. Should the N. G. be under charges, a P. G. shall preside.

*Cannot be Re-tried.**

[SEC. 10. No member of a subordinate lodge who has had charges preferred against him, and has been tried thereon and acquitted, shall again be put upon trial for the same offence, unless evidence is first given to the lodge that new facts, not known at a former trial, can be produced.]

Bush, John N. Buckingham, of No. 14.

The M. W. Grand Master read the following Report, which was accepted and ordered to be spread upon the records:

Right Worthy Grand Officers and Representatives:

There is no assemblage which I can conceive of, more intensely beautiful than an assemblage like this; when the din of party strife is obliterated and forgotten and all dwell "together in unity." In a spirit of brotherly love, becoming our "laudable profession," I trust we are assembled, in obedience to the requirements of our Constitution, for the purpose of legislating upon the various subjects which may be presented for our consideration, and I avail myself of the opportunity now offered, to felicitate you on the favorable auspices under which we are convened, and to assure myself that all our pro-

ceedings will be conducted in such a manner as to merit the approbation of our constituents.

It is a source of great pleasure to me to be able to inform you that the Order within this jurisdiction has experienced a season of great prosperity, since our last session—from every quarter we have the gratifying intelligence of its onward progress.

In accordance with the custom of those who have preceded me, I present you with a summary of my official acts.

The Committee on the State of the Order, to whom was referred the revision of the Constitution for Subordinate Lodges, attended to this important duty immediately after the close of our last session. With a view of presenting a code of laws, for the government of the subordinates under this jurisdiction, which should accord with the Constitution, as well as embrace the various decisions of the Grand Lodge, the committee found it necessary to bestow considerable attention to the subject. Although somewhat embarrassed they discharged the delicate duty in a manner highly creditable to themselves and to the Order. On the first day of August, I received a report of their doings, together with the Constitution as revised. After a careful examination of the alterations which experience seemed to require, I gave it the sanction of my approval and directed the printing thereof. The same, I doubt not, has ere this been before you, and you are now probably prepared to decide upon its merits.

On the 21st day of August, by request of District Deputy Grand Master Meeker, I conferred the five Degrees on a large number of the members of Charity Lodge, No. 13, who had been duly qualified therefor. I have not been able to visit officially this subordinate since our last session, but learn that it is in a highly flourishing condition. The difficulty which prevented its rapid growth, owing to the prejudice which existed in the minds of some, in regard to our Order, is fast being surmounted, as its benevolent operations are developed.

On the 28th day of August, I made an official visit to Samaritan Lodge, No. 7, accompanied by R. W. Grand Treasurer Bishop. The regularity with which the business of the Lodge was conducted, the splendid manner in which the ceremony of initiation was performed, added to the attention which I received during my sojourn there, greatly augmented the pleasure which I derived on that occasion. I found this flourishing subordinate with a room tastefully and handsomely decorated, and enjoying a season of prosperity, which convinced me that the members were only "striving to excel each other in promoting the welfare and harmony of the lodge." I conferred the Past Official Degrees appertaining to the offices of Vice Grand and Noble Grand, on Past Grand S. A. Hurlbut, and the Past Secretary's Degree on Brother James P. Sanders. As there was no Past Grand qualified to receive the Past Secretary's Degree, I issued a special dispensation to Past Secretary Sanders, and empowered him to confer that Degree on District Deputy Grand Master John Green-

wood, Jr., on his presenting a certificate of having passed the Secretary's chair. On the 20th day of October he informed me that he had discharged the duty assigned to him.

On the 6th day of September, I received a petition from Quinnipiac Lodge, No. 1, as also one from Harmony Lodge, No. 5, asking permission to hold a public procession during that year, for the purpose of receiving in an appropriate manner the members of "Hinman Lodge, No. 107," of the city of New York, who had signified their intention of visiting New Haven. As their visit was to the place where reposed the ashes of him whose name they delighted to honor,—a name around which is entwined so many pleasing reminiscences,—I could not consistently refuse granting the permission they desired.

On the 9th day of September, I installed the officers of Uncas Lodge, No. 11, in ample form.

On the 26th day of September, I made an official visit to Central Lodge, No. 12, accompanied by W. Grand Marshal Converse; on this occasion I conferred the Past Secretary's Degree on Brothers Patrick Fagan, James E. Bidwell and Horace D. Hall. I did not have an opportunity to witness the ceremony of initiation in *this* lodge, consequently cannot say any thing in regard to that subject. The harmony and brotherly love which characterized the proceedings of the lodge, while I was present, induced me to believe that they had not forgotten the essential principles of Odd Fellowship.

On the 27th day of the same month, I visited Mercantile Lodge, No. 8, accompanied by R. W. Grand Secretary Bradley, W. Grand Marshal Converse, W. Grand Guardian Johnson, together with several members of the Grand Lodge. To say that I was pleased on this occasion, would be a phrase of inadequate meaning: "Friendship, Charity and Harmony," seemed to reign predominant, and I could not avoid indulging the pleasing anticipation, that, in point of numbers, this lodge would soon occupy a more conspicuous place in our confederacy.

On the 18th day of November, I received a petition for a lodge to be located at Willimantic, in the town and county of Windham. From the high character of the applicants, I was satisfied that the Order would pass under no evil imputation, if entrusted to their hands. I accordingly issued a dispensation, subject to your approval, and on the 26th day of December, I proceeded to institute the same, under the style and title of "Washington Lodge, No. 16, I. O. O. F.," according to the most ancient ceremonial of the Order. I installed the officers into their respective chairs, and delivered the necessary lectures and charges for its organization. I received the assistance of eighty members of Uncas Lodge, as also a number from Middlesex Lodge, No. 3. Fourteen candidates were initiated on this occasion. The highly flattering circumstances under which this lodge commenced its existence, must be gratifying to every member of our Order.

On the 2d day of December, I installed the officers of Uncas Lodge, No. 11, in ample form. I herewith lay before you the appeal of a large number of the members of this lodge, from the decision of the Noble Grand in regard to the election of Vice Grand, and the ground that *blank* ballots should not be counted in the election of officers; as this appeal involves considerations of an important character, I trust it will receive at your hands the attention which it obviously demands. Whatever may be your decision in this matter, I confidently anticipate that you will make such provision for the future, either by statutory enactments or by resolution, that a case like this will not again occur.

On the 18th day of December, I received a petition from seven brothers for a lodge to be located in the city of New London, to be known and hailed by the style and title of "Trumbull Lodge, No. 17, I. O. O. F." As this application was approved by the *unanimous* vote of Thames Lodge, No. 9, I granted a dispensation, subject to your approval, and on the 20th day of December, I instituted the same, in accordance with the requirements of the Order. The character of the brothers who had commenced the good work of establishing this new colony of our beloved Order, is a sure guarantee of success.

On the 24th day of December, I made an official visit to Charter Oak Lodge, No. 2, accompanied by several officers and members of the Grand Lodge. This Lodge has been in existence nearly five years, and is now in a very thriving condition; the establishment of the Patriarchal branch of the Order in this place, where our systematic benevolence has been so long and favorably known, will tend to strengthen the institution of Odd Fellowship, which is fast winning its way into the favor of an intelligent and discerning community.

The Committee on Printing, to whom was referred the subject of procuring an engraved Visiting Card for the use of the subordinates under this jurisdiction, were making arrangements to carry out your wishes in regard to this matter, when the action of the Grand Lodge of the United States rendered further action of this committee inexpedient.

On the 25th day of December, I received a petition from five brothers residing at Tolland, for a lodge to be located at that place, and known and hailed by the style and title of "Nathan Hale Lodge, No. 18, I. O. O. F." The petitioners were desirous of being immediately organized, but, owing to the press of other matters, and the near approach of the session of the Grand Lodge, I was compelled to forego the pleasure of adding another to the many bright stars which adorn our confederacy. The petition I herewith lay before you, and recommend the same to your favorable notice.

At a previous session of the Grand Lodge, a committee was appointed to take into consideration the propriety of erecting a monument to the late M. W. Grand Master R. S. Hinman. That committee reported, at our last session, in favor of an appropriation for

that purpose, which report was accepted. Opposed as I am to taxing subordinates for the purpose of raising funds to be expended for such purposes, I cannot avoid recommending that you will again take this subject into consideration, and appropriate an amount sufficient to erect a monument to the memory of our departed brother, as a token of our regard for his services in the work of benevolence and philanthropy.

I would suggest to you the propriety of having the odes prescribed by the work of the Order arranged to appropriate music, in order that there may be a uniformity in the subordinates in this particular.

I have this day instituted "Montawese Lodge, No. 15, I. O. O. F." and presented the charter which was granted at our last session. This lodge bids fair to become a powerful auxiliary in the cause of benevolence and Odd Fellowship. The officers were installed in ample form, according to the requirements of the Order.

The limited number of the printed proceedings of this Grand Lodge, which embraces the doings of this body during its infancy, have long since been exhausted, and a few lodges only are in possession of entire copies of our proceedings from its organization to the present time. The propriety of transmitting a correct record of our doings to those who shall succeed us, must be apparent to you all. I would, therefore, respectfully recommend to your favorable consideration, the subject of having our proceedings reprinted, with such marginal references as to embrace a complete history of Odd Fellowship since its first introduction into this state. Our financial affairs, I learn, are in such a situation as to admit of this expenditure.

Through the politeness of the R. W. Grand Treasurer, I have had an opportunity to peruse the printed proceedings of the Grand Lodge of the United States at its last session; from which I learn that a committee has been appointed by that body to revise the various lectures, charges and work appertaining to the several degrees of the Order. The committee to whom this important duty was entrusted, is composed of some of the most distinguished brothers connected with our Order, and embraces a splendid array of talent. The "Official Magazine" of the Grand Lodge of the United States, which has been published for several years by that body, has been ordered to be disposed of on terms therein specified.

There are several subjects acted upon at the last session of the highest court of Odd Fellowship in this country, which may require some action at your hands.

In concluding this report of my official acts since our last session, I beg leave to assure you of my willingness to coöperate with you in any measure which will tend to promote the best interests of our fraternity and advance the cause in which we are here engaged.

The Grand Master submitted the following report :

Right Worthy Grand Officers and Representatives :

The period designated by our laws for us to assemble, has again arrived, and we are once more convened conformably to the requirements thereof, to legislate for the several subordinates here committed to our charge. The occasion which has this day brought us together is one of no ordinary interest and importance : we are not here convened to witness a great military pageant ; we are not here to recount the exploits of a military chieftain or to entwine a garland around a conqueror's brow ; but the cause in which we are convened is of a far higher and more ennobling character,—that cause, the cause of human brotherhood. In view of the responsibility of the trust reposed in us by the lodges which we represent, let us enter upon the business of the session in a manner corresponding with its importance, and exemplify as far as in our power the principles of Friendship, Love and Truth.

It is with no ordinary pleasure that I inform you that the Order under your jurisdiction continues to be steadily advancing in strength, harmony and popular favor ; at no period since the banner of Odd Fellowship was unfurled in this state, has the Order been in a more flourishing condition ; the various obstacles placed in the way of its

advancements have been surmounted,—the prejudice which existed has in a measure been eradicated, and there seems to be nothing new to impede its onward progress.

In accordance with former customs, I embrace the opportunity now offered of presenting you with a report of my official acts, since our last session.

On the 17th day of January I instituted "Nathan Hale Lodge, No. 18, I. O. O. F.," at Tolland, and presented the charter granted at our last session, together with the lectures and charges necessary for its complete organization; on this occasion I received the assistance of Grand Marshal Converse, Grand Guardian Johnson, and a large number of the members of Charter Oak, Middlesex and Washington Lodges. From the high character of the petitioners, I entertained no doubt but that their exertions would be crowned with success; and it is a source of unalloyed satisfaction for me to be able to say, that my most sanguine anticipations in regard to this lodge have been fully realized; in this town, Odd Fellowship has found a genial soil;—the names of those brothers enrolled among its members give ample evidence that such is the case.

On the 18th day of January, I made an official visit to Washington Lodge, No. 16, and conferred the five degrees on fourteen brothers of this flourishing subordinate. I also visited this lodge on the first day of March, on which occasion I installed the officers in ample form, assisted by brother Henry A. Barrows.

On the 20th day of January, I installed brother David Young into the office of Vice Grand of Uncas Lodge, No. 11.

On the 29th day of January, I granted a special dispensation to Noble Grand Henry F. Gardner, and empowered him to confer the degrees on such brothers of Nathan Hale Lodge, No. 18, as should be duly qualified therefor. I also granted on the same day a similar dispensation to Noble Grand Lloyd E. Baldwin, of Washington Lodge, No. 16. Said dispensations expired on the first day of July.

On the 7th day of February, I received a petition from six brothers residing at Mystic, in the county of New London, for a lodge to be located at that place. I granted a dispensation, subject to your approval, and on the 27th day of the same month I proceeded to institute the same, under the style and title of "Mystic Lodge, No. 19, I. O. O. F." assisted by P. G. Judson, as Grand Marshal, and District Deputy Grand Master Meeker, together with a large number of the members of the adjoining lodges:

On the 11th day of February, I made an official visit to Trumbull Lodge, No. 17, on which occasion I conferred the Past Official Degrees appertaining to the offices of Vice Grand and Noble Grand, on District Deputy Grand Master Henry Stayner. The philanthropic exertions of the brothers through whose instrumentality this lodge owes its existence, have been crowned with abundant success.

On the 3d day of March, I made an official visit to Uncas Lodge, No. 11, and installed the officers in ample form.

On the 8th day of March, I received a petition for a lodge to be located at Essex, in the town of Saybrook and county of Middlesex; I granted a dispensation, subject to your approval, and on the 19th day of the same month, I complied with the request of the petitioners, and instituted "Fenwick Lodge, No. 20, I. O. O. F.," according to the most ancient customs of the Order; P. G. Bordman and a large number of the members of Middlesex Lodge were present and assisted on this occasion. Rev. Brother Junius M. Willey was installed Noble Grand: the election of so distinguished a brother to preside over this lodge, could not fail of giving character and efficiency to the Order, in this quarter of our jurisdiction.

On the 14th day of April, I received an application from Central Lodge, No. 12, for permission to hold a public procession on the 12th day of June. I also received a similar application on the same day from Samaritan Lodge, No. 7, for permission to hold a public procession during the month of May, which applications were severally granted.

On the 26th day of March, I conferred the Past Official Degrees appertaining to the offices of Secretary, Vice Grand and Noble Grand, on Past Grands John T. Wait, Wm. C. Potter and George T. Bromley, of Uncas Lodge, No. 11.

On the 21st day of April, I made an official visit to Quinpiac Lodge, No. 1, accompanied by the Grand Warden, Grand Treasurer and several members of the Grand Lodge. This lodge has been too long and favorably known to require any eulogium at my hands.

On the 22d day of April, I made an official visit to Pequannock Lodge, No. 4, on which occasion the patriarchal branch of the Order was instituted. At this time I conferred the Past Secretary's Degree on District Deputy Grand Master E. B. Stevens, P. G. George Walter and brother Isaac L. Young. This lodge have a new hall arranged in a style of unsurpassed magnificence and beauty; the whole proceedings of the lodge while I was present, indicated that the members were desirous of promoting the best interests of the Order.

On the 1st day of May, I received a petition from five brothers for a lodge to be located at Waterbury, in the county of New Haven. I granted a dispensation, subject to your approval, and on the 1st day of July, I instituted the same under the style and title of "Nosahogan Lodge, No. 21, I. O. O. F." I received on this occasion the assistance of Deputy Grand Master Miller, and several members of the Grand Lodge. This lodge commenced its existence under circumstances that could not fail to gladden the heart of every true Odd Fellow; the high character of the petitioners leads me to anticipate that the favors of the Order on them "have not been undeservedly bestowed."

On the 16th day of May, I received a petition from five brothers residing at Warehouse Point, in the county of Hartford, for a warrant to open and constitute a lodge at that place. I granted a dispensa-

tion, subject to your approval, and on the 12th day of June, I instituted the same under the style and title of "Farmers and Mechanics Lodge, No. 22, I. O. O. F.," assisted by the Deputy Grand Master, Grand Marshal, Grand Guardian and a large number of the members of Charter Oak, Mercantile and other lodges. The brethren who have charge of the Order in this locality sustain so respectable a standing, that success must necessarily attend their exertions. I conferred the Past Official Degrees of Secretary, Vice Grand and Noble Grand on this occasion, upon Past Grands J. M. Willey and H. F. Gardner, and that of Secretary on brother Wm. W. Brace.

On the 31st day of May, I granted a special dispensation to Grand Guardian Johnson, and authorized him to install the officers of Nathan Hale Lodge, No. 18. A similar dispensation was granted on the same day to Past Grand Lloyd E. Baldwin, authorizing him to install the officers of Washington Lodge, No. 16.

On the 2d day of June, I installed the officers of Uncas Lodge, No. 11, in ample form.

On the 14th day of June, I received an application from Wopowage Lodge, No. 14, for permission to hold a public procession, which was granted.

On the 28th day of June, I received a remonstrance directed to this Right Worthy body, from a large number of the members of Central Lodge, No. 12, in regard to the election of Vice Grand, setting forth the extraordinary course pursued by District Deputy Grand Master Uley, in relation thereto; the same I herewith lay before you and trust you will bestow upon it the attention which it demands.

On the 4th day of July, I conferred the Past Official Degrees of Secretary, Vice Grand and Noble Grand, on Past Grands Lloyd E. Baldwin and David Young.

On the 7th day of July, I conferred the degrees of Past Secretary and Past Vice Grand on Noble Grand William L. Brown, and that of Secretary, on Vice Grand Henry A. Barrows.

The Act of the General Assembly of this state, giving corporate powers to the Grand Lodge, cannot fail of proving highly beneficial, not only to the Grand Lodge, but to the several subordinates under this jurisdiction. The Right Worthy Grand Secretary, through whose exertions the prayer of the petitioners for said act of incorporation was granted, will submit a report in regard to this subject.

The Right Worthy Grand Treasurer will submit a detailed report, from which you will learn the situation of the financial affairs of the Grand Lodge.

The committee to whom was referred the arranging and preparing for the press the proceedings and history of the Grand Lodge, will submit a report in relation to this subject.

The regalia for the officers, authorized at the last session, has been procured and is now in possession of the Grand Lodge.

The committee to whom was assigned the duty of contracting for

and superintending the erection of a suitable monument to the memory of the late M. W. Grand Master Hinman, will report what progress has been made towards carrying out the wishes of the Grand Lodge.

The subject of allowing public lectures to be delivered before the lodges under your jurisdiction, is one which I think demands your attention. To allow brothers indiscriminately to expound the principles of Odd Fellowship, cannot, I am confident, prove advantageous to the Order or tend to exalt it in the minds of an intelligent community. The subject I respectfully recommend to your consideration, not doubting but what it will receive such attention as in your judgment it commands.

When I had the pleasure of meeting you at the semi-annual session in January last, I fondly anticipated that long ere this we should be in possession of an entire revision of the work of the Order; the committee to whom this duty was assigned have signified their readiness to report, and the Grand Sire has ordered a special session of the Grand Lodge of the United States to be convened on the 9th day of September next, to receive and act upon the report of that committee.

The district system which has been adopted does not, I think, fully meet the intentions of the Grand Lodge. It has occurred to me that if the persons applying for admission into the different lodges residing in towns where no lodge exists, were permitted to apply where they thought proper, it would prevent much difficulty which now arises between the subordinates. This subject will not, I am sure, fail of receiving that degree of attention which its importance demands.

The period for which I was elected to preside over your deliberations is soon to expire, and I assure you that there was one consideration only, which marred the pleasure I derived when I entered upon the duties which your fraternal partiality allotted me; and that was a consciousness of my inability to perform the important and responsible duties which devolved upon me, in such a manner as to meet your approbation; nor did I for a moment have the vanity to suppose that a much better selection than myself might not have been made. The relation which I trust has pleasantly existed between us for the last year, is soon to be dissolved, and the arduous duties of the office are to devolve upon another; and I fear that I should do you injustice were I to suffer the present opportunity to pass without tendering you my heartfelt acknowledgments for the kindness and courtesy which you have shown me, and to the officers and members in particular, who have aided me by their counsel and advice.

In concluding this report, I beg leave to again congratulate you upon the success which has crowned your exertions in the great work of benefaction to the human family; and as we close the session and return to our respective lodges, let us not forget that "our Order was formed for purposes of benevolence and friendship, and

while we proudly contemplate the illustrious character of those who have gone before us, let us endeavor to acquire an experimental knowledge of the pure principles inculcated by our institution. It is our privilege and interest, as it should be our pride and delight, to emulate the virtues and acquirements of the one, and to prove an ornament to the other.

JOHN L. DEVOTION, *Grand Master*.

when the same was referred to a select committee, consisting of Reps. Judson, of No. 11, Gruman, of No 10, and Fessenden, of No. 8.

The chairman of the select committee on revising and re-printing the past proceedings of the Grand Lodge, made the following report, which was read and referred to the Committee on the State of the Order :

To the R. W. Grand Lodge, I. O. O. F. of Connecticut :

The committee appointed to revise the record of the proceedings of this Grand Lodge, and prepare the same for the press, respectfully

REPORT—

That in furtherance of the object of their appointment, they have examined the records of the Grand Lodge, and all the documents on file in its archives ; upon which examination they have been induced to make a few verbal changes and such additions to the printed record as seemed necessary to render the Journal of the Grand Lodge plain and explicit. They have also collected from authentic sources the facts connected with the rise and progress of the Order in the state, prior to the establishment of the Grand Lodge, so as to present a complete history down to the present time.

For want of a proper system in transacting the business of the Grand Lodge during its session, a considerable degree of indistinctness exists in regard to the record of reports of committees and the decisions of this body. It was deemed important by the committee; that there should appear the *grounds* upon which the Grand Lodge has predicated its decisions upon the various questions which have been brought before it for adjudication. To this end, notes have frequently been added to illustrate the facts and principles involved in the decision of cases which have hitherto, for the want of a fuller journalizing, been either misapprehended or entirely forgotten. These, it is believed, will be of service not only in the future legislation of the Grand Lodge of Connecticut, but by placing principles and decisions within the reach of her subordinates, will render their own action more uniform, and enable them to adjust intelligently many questions which are now brought before the Grand Lodge.

All which, in F., L. and T., is respectfully submitted.

L. A. THOMAS, *Chairman.*

GRAND LODGE, I. O. O. F. OF CONNECTICUT, }

The committee to whom was referred the report of the D. D. G. M. Utley, of District No. 10, relative to the initiation of H. E. Russell, G. M. Sanders and E. B. Erwin, and conferring the degrees on said brothers without charge, (they residing in Berlin, in District No. 10,) by Mercantile Lodge, No. 8, in District No. 2, without the consent of the D. D. G. M. of District No. 10, and after protest from the R. W. D. G. Master, respectfully

REPORT :

That they have attended to the duties assigned them, and find the facts stated in said report to be true, and that the action of Mercantile Lodge was in violation of the Constitution of this Grand Lodge, and calculated to disturb the harmony of the Order :—the committee would therefore recommend the passage of the accompanying resolution.

All which is respectfully submitted. Per order,

G. R. PHELPS, *Chairman*.

Resolved, That the action of Mercantile Lodge, No. 8, in initiating Brothers H. E. Russell, G. M. Sanders and E. B. Erwin, residents in

Berlin, in District No. 10, and conferring said degrees, was in violation of the Constitution of this Grand Lodge and of the rights of Central Lodge, No. 12, and deserves the censure of this Grand Lodge; and that the Treasurer of said Mercantile Lodge be directed to pay over to the Treasurer of said Central Lodge the sum of eighteen dollars, (being the amount paid for initiation by said brothers,) and that the Grand Secretary be directed to forward a copy of this resolution to the Treasurers of said Central and Mercantile Lodges, under seal of this Grand Lodge.

Resolved, That Brother Townsend P. Abell, at the time he was elected Vice Grand of Central Lodge, No. 12, had not held such a subordinate office* as is required by the Constitution of said lodge to qualify him for such election, and that his said election is hereby declared to be illegal and void, and the office of Vice Grand of said lodge to be vacant; and said lodge is hereby directed to cause said vacancy to be filled without delay.

Resolved, That D. D. G. M. Utley, by disregarding and overruling the decision of the M. W. Grand Master, transcended the powers of his office and forgot the respect due from inferior to superior officers, and that his conduct in so doing cannot be regarded by the Grand Lodge of Connecticut except with disapprobation.

The Committee on Grievances made the following report:

* Central Lodge, by her laws, created the office of Chaplain; and Br. Abell having held that office two terms was elected Vice Grand. The Grand Lodge decided that a Chaplain in subordinate lodges was not recognized as an officer by the Grand Lodge, and therefore Bro. Abell was not qualified according to Art. V. Sec. 6, Constitution for Subordinates.

GRAND LODGE, I. O. O. F. OF CONNECTICUT, }

REPORT :

Ewen having fully complied with the *spirit* of the Constitution and laws of said Thames Lodge, (in a case where a *literal* compliance was, from the nature of his position, absolutely impossible,) is fairly entitled, by every principle of law and equity, to draw the usual stipend allowed by his said lodge. They therefore recommend the passage of the following resolutions. Per order,

DEAR SIR AND BROTHER,—At a session of this lodge held as per above date, the following preamble and resolutions were passed :—

“Whereas, on the 3d day of March, A. D. 1845, Edward F. Balcam, then a member of this lodge, was by a lawful vote thereof expelled from the same ; and whereas the said Edward F. Balcam, feeling aggrieved by the decision of the lodge in that behalf, appealed therefrom to the Grand Lodge of the State of Connecticut, holden at New Haven on the 9th day of July, 1845, for a new trial, and the said Grand Lodge upon a hearing of said appeal, ordered this lodge to reinstate the said Balcam without a new trial, in the privileges of membership thereof ; it is therefore

The question being put on adopting the resolution, it was decided in the negative.

No further business offering, the Grand Lodge was closed in regular form.

Attest,

LUCIUS A. THOMAS, *Grand Secretary, pro tem.*

Resolution that when this Grand Lodge shall adjourn, it adjourn to 7 o'clock this evening : passed.

The Grand Master made the following report :

R. W. Grand Officers and Representatives :—

We are again assembled to deliberate upon all questions of interest and importance that may be presented for our consideration, and to devise and perfect plans and measures for the prosperity and advancement of our ancient and honourable Order. And it becomes us, with united hearts, to render thanks to our Heavenly Father for the many favours and blessings which we, as individuals and as a society, have received from His hands.

Since we were last assembled, an unusual degree of health has prevailed among our members, and harmony and peace have reigned in your midst. A large number have added themselves to our fraternity. Five new lodges have sprung into being. Benevolence and Charity have, with liberal hand, supplied the wants of the infirm, the sick and the needy. The orphan's tears have been dried up, the widow's heart has been made to leap for joy; the world has learned to look with less suspicion upon us; prejudice has been weakened, and from the lips of many of the uninitiated has burst forth the exclamation, "See how these love one another!" We ourselves have richly experienced the benefits of our association. Friendship, Love and Truth have abounded among us, and we have had practical demonstration that "it is good and pleasant for brethren to dwell together in unity."

I regret that by the present mode of making returns by the secretaries of subordinate lodges, I am not able to present to you, in detail, the exact condition of the lodges in this state at the close of their last quarter. I am aware that the information will be brought before you during the session by the proper committee; but would suggest whether it would not be desirable that it should be embodied in the reports of the Grand Master. I have sufficient information to justify the announcement, that at no previous period have our prospects been more flattering than at the present time.

It is a gratifying fact, that on referring to the returns from the several state lodges to the Grand Lodge of the United States in September last, it will be found that our own state ranks among the foremost, in the relative proportion of its lodges, its members, the amount disbursed for the sick, the needy, the widow and the orphan, and the limited number who have been suspended, expelled or removed by death.

During the period of my administration, I have visited, accompanied by the Grand Marshal, the following subordinate lodges, viz :—

On the 5th of August, I visited Nathan Hale Lodge, No. 18, at Tolland. This lodge has been instituted one year, and has about eighty members. Great interest is felt by its members in each other, and strong attachment to their lodge and to the Order. Men of station and honour, and of high moral character, are foremost in its ranks.

On the 5th inst., I visited Washington Lodge, No. 16, at Willimantic. We were kindly received, and found the lodge in a flourishing condition. This lodge was instituted December 26th, 1844. It has about eighty members, and occupies a beautiful hall, appropriately furnished, and conspicuous upon its walls are mottoes of moral sentiment and truth, worthy to be treasured in the heart of every Odd Fellow.

On the 6th inst., I visited Uncas Lodge, No. 11, at Norwich. This lodge was instituted March 10th, 1843, and has about three hundred members. It has a fund of about three thousand dollars, and has always been in a prosperous condition. It is worthy of high praise for the prudent management of its funds, and is distinguished in having furnished so many valuable officers and members of this Grand Lodge.

On the 7th inst., I visited Trumbull Lodge, No. 17, at New London. This lodge was instituted December 20th, 1844, and has about eighty members. Enterprise, intelligence and zeal distinguish the members of this lodge, many of whom will, I doubt not, attain a high rank in the honours of our Order, and ever be highly valued as friends and brothers.

On the 8th inst., I visited Charity Lodge, No. 13, at Lower Mystic. This lodge was instituted April 11, 1844, and has about seventy members, who are, most of them, in middle life, but the *warmth and ardour of youth is not abated*. With minds matured by reflection and experience, they appreciate the true value of friendship. Brotherly love unites their hearts as one man, and their care for the widow and orphan clearly shows that the deep recesses of the soul have been lighted up with benevolence and love.

On the 9th inst., I visited Mystic Lodge, No. 19, at Upper Mystic. This lodge was instituted February 27th, 1845, and has about thirty members. The brothers of this lodge seem to vie with each other in acts of kindness, and are alive to the performance of every duty, doing much to commend the principles of our Order to the uninitiated.

On the 18th of September, I visited Central Lodge, No. 12, located at Middletown. This lodge was instituted June 12th, 1843, and has about one hundred and sixty members. The interest in this lodge is well sustained; its influence in the community where it is located is felt, and prejudice has been long since put to silence.

On the 29th of the same month, I visited Quinnipiac Lodge, No. 1, in this city. This lodge was instituted September 3d, 1839. It has about four hundred and fifty members, and a fund of about \$4000. It is the oldest lodge in the state, and it would be superfluous to say, that it is one of the noblest pillars in the "Temple" of Odd Fellowship. Its members are bright and shining lights, and ornaments truly of our Order.

On the 30th of September, I visited Our Brothers Lodge, No. 10, at Norwalk. This lodge was instituted October 19th, 1842, and

has about one hundred and eighty members. We might speak in the highest praise of this lodge. A laudable pride exists in the performance of the work of the Order. Great interest is felt in the prosperity of the lodge. They occupy a beautifully decorated hall, and give abundant evidence that the past is a fore-shadowing of future prosperity.

On the 20th day of August, on application from Joseph L. Dennis, Watson Dewey, Lester H. Holcomb, Chester Seymour, and Josiah C. Banning, brothers and members of our Order, residing in the town of Granby, I granted a dispensation to open and constitute a subordinate lodge, to be known and hailed by the name of Acanthus Lodge, No. 23, and, assisted by Grand Marshal J. W. Johnson, brother Thomas H. Seymour, as D. Grand Master, *pro. tem.*, and brother Jared B. Flagg, Grand Chaplain, *pro. tem.*, instituted their lodge and installed their officers.

On the 1st day of October, on application from Joseph D. Warner, Lorenzo Meeker, William H. H. Hallock, William P. Miner, and William H. Buxton, brothers and members of our Order, residing in the town of Stamford, I granted a dispensation to open and constitute a subordinate lodge, to be known and hailed by the name of Rippowam Lodge, No. 24, and on that day, assisted by Grand Marshal Johnson, D. D. G. M. Chamberlain, of No. 8, with several brothers of Our Brothers Lodge, No. 10, instituted the lodge and installed their officers.

On the 9th day of October, on application from Melancthon Hudson, H. W. Hudson, Andrew Outterson, John Outterson, and Henry C. Woodbridge, residents of the village of Oakland, in the town of Manchester, I granted a dispensation to open and constitute a new lodge, to be known and hailed by the name of Oakland Lodge, No. 25, and on that day, assisted by G. M. Johnson, D. D. G. M. Edward Button, brothers Thomas H. Seymour, Jared B. Flagg, Calvin Spencer, and others, instituted the lodge and installed their officers.

On the 12th day of December, on application from Charles H. Smith, Reuben C. Hancox, George Hebard, James W. Murray, and Russell A. Denison, brothers and members of our Order, and residents of the town of Stonington, I granted a dispensation to open and constitute a lodge, to be known and hailed by the name of Stonington Lodge, No. 26, and, assisted by G. M. Johnson, D. D. G. M. Cliff, of district No. 11, and brothers of Charity Lodge, No. 13, and Mystic Lodge, No. 19, on that day instituted the lodge and installed its officers.

On the 1st day January, on application from James D. Mowry and nineteen brothers, members of our Order, residents of Greenville, in the town of Norwich, I granted a dispensation to open and constitute a lodge, to be known and hailed by the name of Owene-co Lodge, No. 27, and, by special dispensation, authorized and empowered P. G. Master John L. Devotion, with the aid of Grand

Conductor P. M. Judson, to institute said lodge and install its officers, on or before the 14th day of the present month, which service was performed, as appears by the returns of P. G. M. Devotion, on the 10th inst.

I respectfully recommend that charters be granted to the above lodges, fully assured that the interests of our Order have been confided to brothers who are true and faithful, worthy of our entire confidence, and second to none for character and influence, moral and religious, in the places where they dwell. The first four of which have already made large additions to their numbers, and by their prudence and discretion, in admitting only persons of unblemished reputation, have done much to dissipate the prejudice that yet, to some extent, exists in our state, where the principles and tendencies of our benevolent and charitable institution have been imperfectly understood.

On the 14th day of August, I received a communication from S. W. Chamberlin, D. D. G. M. of District No. 8, asking for permission for Melancthon Lodge, No. 163, at Port Chester, New York, to receive and initiate in their lodge sundry residents of Greenwich, in this state. Also, on the 20th of the same month, a communication from Asa W. Davis, M. W. G. M. of the Grand Lodge of Rhode Island, asking permission for ——— Lodge, at Westerly, Rhode Island, to receive and initiate sundry residents of Stonington, in this state. To both of which applications I replied, that by the provisions of the charter granted to the Grand Lodge of this state, no power was vested in me to grant such permission.

On the 24th day of November, I received a communication from a committee of Thames Lodge, No. 9, calling my attention to the improper use of some of the signs of the Order, in several publications, in some sense under the patronage of our Order, referring particularly to the "Covenant" and "Offering." In accordance with my reply to that communication, I present the matter for your consideration.

On the 20th day of October, I received a communication from P. G. William Mercer, of Trumbull Lodge, No. 17, signed as Secretary of Covenant Degree Lodge, No. 1, accompanied by a copy of the Constitution and By-Laws adopted by sundry brothers of Thames and Trumbull Lodges, who have associated themselves together as a Degree Lodge, asking my approval. While the objects sought, "the more thoroughly perfecting brothers in the degrees," and "securing a more uniform attendance at degree meetings," met with my entire approbation; yet, believing that their organization might conflict with the rights and duties of the D. D. G. Master, and exceed the powers granted to subordinates by this Grand Lodge; and further, that a plan embracing so much in its design should rather emanate from this Grand Lodge, I felt constrained to withhold my sanction, recommending the brothers to bring the subject to your consideration at

your present session : and from the high character and standing of the brothers who have thus associated themselves together, their zeal and devotion to the best interests of the Order, their suggestions merit, and I know will surely receive, your careful attention.

On the 28th day of August, I received a letter from the N. G. of Uncas Lodge, No. 11, inclosing resolutions passed by said lodge, directing their N. G. to ask permission to appeal from the decision of this Grand Lodge to the Grand Lodge of the United States, at their annual session in September, in the matter of Edward F. Balcum, who, having been expelled by said Uncas Lodge, on the 3d day of March last, was, by vote of this Grand Lodge, at its annual session in July, reinstated without a new trial ; wherein it was claimed on the part of Uncas Lodge, that this Grand Lodge had transcended its authority, and infringed the rights and privileges guaranteed to Uncas Lodge by its constitution. Although intrusted with full powers to decide on the application, in the recess of the Grand Lodge, I felt great embarrassment with regard to my decision. On the one hand, a respectful request for permission to appeal, on the part of a subordinate lodge, should always be treated with deference, and complied with, unless important reasons exist for a refusal. On the other hand, here were charges of a high character against the legislation of this Grand Lodge. To grant the petition, might prejudice this Grand Lodge with the Grand Lodge of the United States, and would seem to require the assent of this Grand Lodge ; and the fact that the representatives of Uncas Lodge neglected to avail themselves of the opportunity to apply to the Grand Lodge, when in session in July, for such permission to appeal, might be thought to weaken their claim for such indulgence. In this view of the case, feeling unwilling to refuse, and hesitating to grant the request, with the approbation of such officers and members of the Grand Lodge as I had opportunity of consulting, I called a special session of the Grand Lodge to hear and decide upon the said application for appeal, which was held in this hall on the 12th day of September, for the doings of which, I refer you to the records of the proceedings of said special session.

I would respectfully suggest the propriety of defining more explicitly, by resolution or otherwise, what rule shall henceforth govern this Grand Lodge relative to appeals from members of subordinate lodges ; and also, whether any new legislation is necessary relative to the payment of expenses that may be incurred by the holding of special sessions of the Grand Lodge.

The Grand Lodge of the United States having required that after the first day of the present month, all visiting cards shall be countersigned by their Grand Secretary, the cards in the hands of the Grand Secretary of this Grand Lodge have been returned, and new ones received, which are now ready for delivery.

The Grand Lodge of the United States have revised the work of our Order, with the lectures and charges connected with the Degrees.

The work has been received, and is intended for use on and after the first day of the present month. After being officially informed of its adoption, I requested the Grand Secretary to notify the D. D. G. Masters of the several districts, and the Noble Grands of the several lodges in this state, that the new work would be furnished to the subordinates at our present session. This course was deemed advisable to secure accuracy and uniformity in the work of subordinates, which, it was thought, would be best accomplished by instruction to the D. D. G. Masters and the members of this Grand Lodge by our Right Worthy Grand Representatives.

The adoption of this revised work will form a new era in the history of our Order. The task was confided to an able committee, and perfected by the united counsel and wisdom of the Grand Lodge. So far as a hasty glance enables me to judge, their labour has not been in vain. Some legislation may be necessary on the part of this Grand Lodge, to secure a strict adherence to the work on the part of subordinates, which is made incumbent on us by a resolution of the Grand Lodge of the United States.

The committee who were appointed to arrange and present a plan for the safe keeping of the funds of subordinate lodges, with power to report to the Grand Master during the recess, have not submitted any plan for my action, but will probably report to this Grand Lodge.

The districting system, and other subjects of interest, which were brought forward at the last session, and laid over by the rules of this Grand Lodge, will come before you for deliberation, in all of which, I doubt not, you will be conducted to wise and happy results.

Permit me, brothers, in conclusion, to express the strong and pleasing conviction of my heart, that Odd Fellowship in this state rests upon a foundation that cannot be shaken. Its principles have sunk deep into a goodly soil; many highly cultivated minds have taken a place in our ranks. Men of all professions and employments have cast in their lot with us. The religious portion of the community are better informed with regard to the character and objects of our association. Our own members seem fully resolved to prove, by their lives, that Odd Fellowship is second only to Christian Fellowship, in its influence on the character and destiny of man in this world of selfishness, oppression and sin.

I rely upon your kind indulgence in my endeavours to preside over your deliberations to your acceptance. May Friendship, Love and Truth characterize your present session, and may all your decisions tend to promote the best good of our Order, so that when we separate we may all feel that it has been good for ourselves, and for those whose interests we are called to watch over and provide for, that we have been permitted to hold this session of the Grand Lodge of the State of Connecticut.

Report of the Committee on the State of the Order, on general subjects, with accompanying resolutions :

FRIENDSHIP, LOVE AND TRUTH.

In conformity with the requirements of the Constitution, the Committee on the State of the Order herewith submit their report upon the various subjects connected with the welfare of the Order, under this jurisdiction.

The late Grand Master, in his annual report, recommended a change in the regulation of districts ; and a proposition for an alteration of the Constitution, adapting it to such a change, was then submitted. The district system has been the occasion of much trouble between the subordinate lodges, and, as your committee believe, will ever continue to be a cause of difficulty. For this reason alone, were there no others, they would deem it best to abolish the law ; believing that all legislation of the Grand Lodge should be such as will produce the utmost harmony among the subordinate lodges. But there are other and important reasons why the law should be repealed : it has ever been a source of inconvenience to persons desirous of joining the Order, who reside in towns where there are no lodges, from the fact that by the present arrangement of districts, they are compelled to go to a certain lodge. Your committee fear that much unfriendly feeling has already been engendered between different lodges by this law, and they are not aware of a single instance where it has been productive of any good.

The only argument ever urged in favour of the present district system, was, that it would benefit lodges in the smaller towns ; but past experience has failed to verify this idea. As far as your committee have been able to ascertain, no similar regulation exists in any other state. Your committee therefore recommend the adoption of the amendment to Art. VII. of the Constitution, as proposed at the annual session.

A proposition was laid on the table, at the last regular session, to amend the Constitution of Subordinates, (Art. V. Sec. 2d,) so as to require the appointment of a chaplain in each subordinate lodge. In the opinion of your committee, this is a measure entirely uncalled for, and they would beg to invite particular attention to the Proceedings of the R. W. Grand Lodge of the United States, at its session in 1844, (p. 81,) where may be found an able report on this subject. The resolution accompanying that report is here given :

"Resolved, That in the opinion of this Grand Lodge, it should be the duty of every subordinate to determine upon the practicability of opening and closing their lodges with prayer, and they should be the judges of what form they should adopt."

With the above expression of opinion by the R. W. Grand Lodge of the United States, your committee fully concur, and cannot, therefore, recommend the alteration of the Constitution as proposed.

At the semi-annual session, 1845, a resolution was adopted, construing Art. III. Sec. 15 of the Constitution to mean "that hereafter no blank votes, or votes for persons not in nomination, should be counted." This resolution, it will be remembered, was adopted while a particular case was under consideration, and therefore as your committee believe, without that grave consideration which the importance of the subject demanded. Time sufficient having elapsed to allay the feeling then excited, your committee deem it proper to bring the subject again before you ; believing that a calm revision of the matter will satisfy all that the adoption of that resolution was contrary to the spirit of the Constitution, and calculated to be injurious.

Your committee are of opinion that as few trammels as possible should be imposed on a free expression of choice ; for all the offices within the gift of the Order being honorary in their nature, it is highly important that as much unanimity as possible, and a perfectly free and open expression of the will of the majority, should prevail. Without these, neither the officer nor the body over which he rules for the time being, can be benefited. As the matter now stands, if a member vote at all, it *must* be for a person in nomination. It will readily be seen by a glance at Art. V. Sec 3 of the Constitution for Subordinates, that under the present law a wide door is left open for collusion among aspirants for office.

Any person in nomination can secure an election, if by any means he can induce all other candidates to withdraw : promises of reciprocal assistance for other offices, or at other times for the same

office, or even pecuniary considerations, may not unfrequently defeat the will of a majority ; for if all but one candidate withdraw from a nomination, the single vote of the person left in nomination secures his election, even though the whole lodge were opposed thereto.

Your committee, in view of all the circumstances, herewith submit a resolution, which they recommend should be adopted at the present session. Since, under the existing law, a great positive evil may grow out of it, which it is best to avoid, if possible, by timely legislation.

There being now no specified regulation in this jurisdiction for the order of processions, your committee beg leave to call attention to this subject, and herewith submit a programme for that purpose. This is thought necessary, not only to produce uniformity, but also to give to the younger branches of the Order (whose opportunities are limited) information of the usages and customs in such cases.

A question has often arisen, whether a member of an encampment is entitled to wear the regalia of that branch of the order while sitting in a lodge. As the misapprehension appears to have arisen from a superficial knowledge of the subject, your committee have judged it proper to lay the matter before the Grand Lodge,—that, being upon record, it may serve the end of putting it within the reach of all. The question *when* and *where* encampment regalia should be worn, came before the R. W. Grand Lodge of the United States for the first time at the session of 1837, and was referred to a committee, who reported the following resolution, viz : “ *Resolved*, That the encampment regalia cannot be worn in any other department of the Order, except in the body of an Encampment of Patriarchs.” This resolution was adopted ; and although the subject has been twice brought before that R. W. body since its adoption, they have steadily refused to alter the law. Subsequently, however, a By-Law of the Grand Lodge of the United States was adopted, allowing members visiting lodges or encampments, other than those to which they belonged, to wear the regalia of the highest rank to which they had attained.

In lodges, all persons should, as far as possible, meet on equal ground, and every thing be excluded that may seem to mar a perfect uniformity. Your committee believe that every distinctive decoration that does not of itself mark a *rank* in the lodge, should be avoided.

In accordance with the above views, your committee herewith submit resolutions, for the expression of the views of this Grand Lodge.

A. C. HEITMANN, } *State of the Order.*

SEMI-ANNUAL SESSION, January 14, 1846.

X *Resolved*, That in the opinion of this Grand Lodge, it is improper for a member of an encampment to wear the regalia of that branch of the Order in any Grand or Subordinate Lodge, except when visiting.

Resolved, That article V. Sec. 2d, of the Constitution for Subordinates, be amended by substituting the following :—

"Each elected officer must be voted for separately and by ballot, and each must receive a majority of all the votes given, to be elected ; and all blanks, as well as votes given for persons not in nomination, shall be counted as blanks, and in case, at any election, there shall be more blanks than regular votes, then a new nomination can be made."

Resolved, That the following be the order for processions to be observed by the Grand Lodge and all subordinate lodges under its jurisdiction.

ORDER FOR PROCESSIONS.

1. All Processions of Lodges of the I. O. O. F., under the jurisdiction of the Grand Lodge of the State of Connecticut, will be in an order inverse to the seniority of lodges. That is to say, the junior lodge will lead, and when the Grand Lodge is present, it will close the procession.

2. Grand Processions will be under the entire direction and control of the Grand Marshal, assisted by the Marshals of subordinate lodges ; who will each, under the direction of the Grand Marshal, be peculiarly charged with the forming, ordering and conducting their respective lodges.

3. In all Grand Processions, the subordinate lodges from foreign jurisdictions, or invited guests and visitors, who are not Past Grands, or of the Patriarchal Degree, will be in rear of the subordinate lodges, and in front of the Patriarchal Order, (if present.)

4. If the Patriarchal Order be present, it will be in front of the Grand Lodge.

5. When a Grand Procession has arrived at its destination, the Grand Marshal will halt it ; open the ranks a few paces, and direct them to face inwards, and passing down the ranks, will usher the Grand Lodge through the opened ranks to the head of the procession ; the Patriarchal Order will follow ; and then in succession the foreign lodges, visitors and guests, and the subordinate lodges, according to seniority. While the procession is passing through the ranks, all brothers of the Order will be uncovered. Processions of subordinate lodges will observe the same order.

6. The internal arrangements of the subordinate and Grand Lodges will be as follows :

Subordinate Lodges.

1. Outside Guardian, with drawn sword, followed by the two Scene Supporters, with rods of office.

2. Banner of the lodge, borne by a brother of the Scarlet Degree, and supported by two brothers of the Scarlet Degree.

3. Warden, with his rod of office, and Conductor with the axe.

4. Treasurer, supported by two brothers of the Remembrance Degree.

8. R. W. G. Warden, supported by two P. G's.

10. R. W. Deputy Grand Master, supported by two P. G's.

11. M. W. Grand Master, supported by two P. G's.

12. W. Grand Guardian.

In all processions, consisting of *subordinate lodges only*, the relative position and conduct of lodges will be as has been prescribed; except that the lodge, at whose request and for whose particular benefit the procession is ordered, may take the Post of Honour, by closing the procession. Such procession will be under the entire direction and control of the Marshal of that lodge which holds the Post of Honour, and he will be assisted by the Marshals of the other lodges. If the occasion require an Orator, he will be with that lodge which holds the Post of Honour. With these modifications, the internal arrangement of each subordinate lodge will be as has already been prescribed. If there be foreign subordinate lodges, visitors or guests present, they will precede the lodge which holds the Post of Honour.

Whensoever the Grand Lodge of the State of Connecticut is present, in a procession, it will be considered a Grand Procession, and the order for Grand Processions, as has been prescribed, will be observed, with this one exception, that if the procession be at the request and for the particular benefit of any one individual subordinate lodge, that lodge may be placed in the rear of all the other subordinate lodges, or members of subordinate lodges, present in the procession.

The GRAND MASTER submitted the following Report :

*Right Worthy Grand Officers and Representatives :*

The period designated by the Constitution for holding our Annual Session has arrived, and we are again permitted to meet under circumstances of health and prosperity which should lead us, first of all, to the exercise of devout thanksgiving to God, who ever watches over, and controls in the affairs of individuals and associations, and to whose kindness, forbearance, and love, we are indebted for all the blessings, individual, social, and religious which we enjoy.

The evidence of our continued prosperity will be found in the rapid increase of valuable members to the Subordinate Lodges ; the addition of five new Lodges since we were last assembled ; freedom from the ravages of death, the few cases of suspension or expulsion under our strict discipline ; the brotherly love, unity and peace, which prevail ; the amount of our charities, the fund for future disbursement, and the daily development of the pure principles of Friendship, Love, and Truth, throughout our borders.

There are various subjects of interest to come before you, affecting the future welfare of our order. Your deliberations will, I trust, be conducted with prudence, zeal, and discretion, and I doubt not, you will in all things act wisely and with reference to the greatest good of our fraternity and our race.

In discharge of my official duties, I have had frequent correspondence with the officers and past officers of Subordinate Lodges, and D. D. Grand Masters of the several Districts. Many questions of rule and usage, more or less affecting the welfare of the Lodges, and the Order, have been submitted for my decision. I have in several instances given leave to subordinate Lodges to wear Regalia in public, and granted authority to Officers of the Grand Lodge, to confer the Past Official Degrees upon brothers entitled to receive them.

On the 6th day of February, I received a petition from brothers John D. Post, H. B. Harvey, William Allen, Jr., John L. Treat, William H. Treat, Horace Redfield, N. W. Pomeroy, and John S. Blake, asking for a Dispensation to open and constitute a Lodge, to be located in the town of Meriden. After full inquiry into the character of the applicants, and on recommendation of Central Lodge, of which the petitioners had been members, I granted a Dispensation, and on the 4th day of March, assisted by Grand Marshal J. W. Johnson, P. G. Fessenden, of Mercantile Lodge, P. G. Thomas H. Seymour, of Charter Oak Lodge, Past Grands Booth, Utley, Abel, Simpson, Hall, Pease, Parmelee, and others of Central Lodge. I instituted the Lodge, to be known and called by the name of Hancock Lodge, No. 28. Installed its officers,—initiated several new members, and directed that its first term close the first week in June.

On the 10th day of March, I received a petition from John Greenwood, Jr., E. T. Farnham, M. A. Shepard, William A. Indel, A. C. Shepard, H. N. Bennett, Ira Williams, Joseph M. Barnam, E. Stevens, I. R. Greenwood, C. B. Ferry, William Shepard, O. Benedict, and Preston Durand, asking for a Dispensation to open and constitute a new Lodge in the village of Bethel, town of Danbury, to be known and called by the name of Howard Lodge, No. 29. From personal knowledge of several of the petitioners, and the known character of all, and on the recommendation of Samaritan Lodge, from which the petitioners had withdrawn, for the purpose of forming a new Lodge, I granted a Dispensation, and authorized G. W. John Greenwood, Jr., to institute the Lodge on the 24th day of the same month; by returns duly rendered, it appears that the ceremonies were performed, the officers installed, sixteen brothers admitted by card, and seven propositions received. The W. G. Warden reports that the brothers who have originated this Lodge, are the most respectable and influential in the village; well versed in the principles of Odd Fellowship, enjoying the confidence of the community, and fully resolved that No. 29, shall become one of the most flourishing subordinates in the country; a pillar and an ornament to the Grand Lodge of this State. Its first term closed the first week in June.

On the 10th day of March, I received a petition from D. A.

Barcley, J. H. Mills, George Hinckley, Richard Spencer, and L. H. Clark, asking for a Dispensation to open and constitute a Lodge to be located in the village of Winsted, town of Winchester, to be known and called Union Lodge, No. 30. From personal knowledge of the character of the petitioners, and on recommendation of brothers of Charter Oak Lodge, I granted a Dispensation, and authorized Grand Marshal J. W. Johnson to institute the Lodge, which duty was performed on the 27th day of the same month; its officers installed, and ten members received by initiation, among whom were those who have long been foremost in that community, in their devotions to the cause of humanity, morality, and every social virtue. With joy should we hail the birth of this new Lodge, now numbering thirty members. Its first term closed the first week in June.

On the 30th day of March, I received a petition from Henry H. Munroe, I. B. Ferguson, H. B. Judd, John McDowell, I. H. Dart, Judd Carter, and Seth Bishop, asking for a Dispensation to open and constitute a Lodge, to be located in the town of Redding, to be known and called Olive Branch Lodge, No. 31. After inquiry of brothers in Danbury, Norwalk, and Bridgeport, and on recommendation of brothers of Howard Lodge, I granted a Dispensation, and authorized D. G. M. Prelate Demick to institute the Lodge and install its officers, which duty was performed on the 11th day of April, and ten members received by initiation. The D. G. Master remarks, "Thus are the noble principles of our Order manifesting their healthful and benign influence upon intelligent minds in every section of our State and jurisdiction; Friendship, Love, and Truth, are erecting their altars where, from the sparseness of the population, they can never be numerically strong, but where, as in the case of Olive Branch Lodge, they will embrace members whose intelligence and moral worth, will secure to the Order, character and influence, far higher and more enduring than mere numbers can give." The first term of this Lodge closed the first week in June.

On the 14th day of May, I granted a Dispensation to brothers Moses B. Harvey, I. H. Bolton, William H. Reed, Elijah Fairman, Benjamin Lathrop, Zina Winter, Carlos Prouty, and M. M. Lindsey for a Lodge in Stafford; and on that day, aided by Grand Marshal J. W. Johnson, Past Grands Griggs, Brace, and Kilbourn, of Nathan Hale Lodge, P. G. Fessenden, and brothers Bragaw, Burt, and Hubbard, of Mercantile Lodge, and Past Grands Seymour, Button, Hastings, Pratt, and Hale, of Charter Oak Lodge, I instituted the Lodge to be known and called by the name of Nazarine Lodge, No. 32, installed its officers, and initiated sixteen new members. It will be remembered that application was made for a Dispensation to open this Lodge, prior to our last session, and that a remonstrance was then presented by Past Grands of Nathan Hale Lodge, and some action had by this Grand Lodge on the subject. After the withdrawal of objections on the part of the Past Grands of Nathan Hale Lodge, on account of the very strong desire cherished by the petitioners to establish a new Lodge, and after full inquiry relative to the character of the applicants,

and the number of suitable persons to become members residing in the town of Stafford, and with the approbation of brothers on whose judgment I could rely, I instituted the Lodge, and I am happy to state that they already number thirty-two members, all of whom are valuable citizens, and fully entitled to enjoy the privileges of our institution. Its first term will close the first week in September.

On the 20th day of June, I received a petition signed by Alfred Hall, G. H. Taylor, Sylvester Baily, I. E. Strong, and Erastus Brainard, Jr., asking for a Dispensation to open and constitute a Lodge, to be known and called by the name of Freestone Lodge, No. 33, to be located in the town of Portland. These brothers are worthy, estimable and influential members of our Order, and highly respected in the community where they dwell. I have not granted them a Dispensation, as this session of the Grand Lodge would intervene prior to the institution of the Lodge.

I would recommend that charters be granted to the above Lodges, and to the petitioners from Portland,—and congratulate this Grand Lodge that so many beautiful pillars are thus in succession added to the Temple of Odd Fellowship.

On the 17th day of April, by invitation, I officiated at the dedication of a new hall for the future use of Mercantile Lodge, No. 8. A hall which is large, well proportioned, and convenient, with well arranged ante-rooms, and all within, pleasant, tasteful and beautiful. Although liable to the imputation of undue partiality, I must be permitted to commend this as a perfect model for a Lodge room, and the enterprize and spirit of the members, as deserving of high praise.

On the 14th day of May, by invitation of Fenwick Lodge, No. 20, I officiated at the dedication of their new hall. A hall beautiful in proportions, its decorations neat, chaste and appropriate; this Lodge, founded by brothers whom we know and value, has secured the confidence of the community in which it is located, and drawn within its folds many of its best citizens. The Lodge has recently passed through an ordeal from which human institutions and associations are not always exempt; a difference of opinion with regard to certain measures and of preference for certain brothers as candidates for honors, above others. It is believed that as gold is refined by fire, so Lodges may be purified by occasional conflict of mind with mind, and that where love holds its firm empire in the soul, good may result from present apparent evil. I have full confidence in its future prosperity.

It was my desire to visit all the Lodges in the State, during my term of office, but circumstances have prevented the accomplishment of that design. This is to me a matter of regret, on my own account, as I had wished to cultivate an intimate acquaintance with all the members of our fraternity, and also because frequent visits are useful, particularly to new Lodges. I would take the liberty to express the opinion, that as many of the Lodges, are, or will be remote from the residence of the Grand Master, and as those Lodges which would be most benefitted by official visit, are those most recently formed, and of course with limited funds,

that the expenses necessarily incurred by the Grand Master in such visits, when made without invitation by the subordinate Lodges, should be paid by the Grand Lodge.

Several instances of inconvenience to Subordinate Lodges have occurred from delay in sending for permission of the Grand Master, to wear Regalia on public occasions; too much time being required for letters to pass and return by regular course of mail, especially when Lodges have been invited to appear at a given time, with other bodies, at public celebrations. It has seemed to me safe and proper to delegate the power, now vested in the Grand Master, to the District Deputy Grand Master, to be exercised at his discretion, on application by a subordinate Lodge within his district. The application to be made by a *two thirds* vote of the Lodge.

By the Constitution of Subordinate Lodges, it is provided that no member shall be eligible to the office of N. G. until he has served one term as V. G., and no member shall be eligible to the office of V. G. until he has served two terms in some inferior office; and as in the formation of new Lodges, this rule cannot be complied with, I would recommend that it be amended by providing that it shall not apply until after the election for the third term.

On the 23d day of March, I received a communication from the District Deputy Grand Master of the District of Saybrook, asking whether Article VII, Sec. 7, as amended, which provides that "no candidate for admission to any Lodge in this State shall be initiated out of the town where he resides, if there is a regular constituted Lodge in the town where he resides," was intended to include *reception by card*, as well as by *initiation*. Considering the great injury that might result to the Lodges with a limited number of members, should a portion withdraw and deposit cards out of the town where they reside, thus withholding their dues and indicating a want of confidence in their own Lodge—I did not hesitate to decide, that the reception of a brother by card who resides in another town where a Lodge existed, was irregular, and contrary to the purpose and design of this Grand Lodge. Should this decision meet your approbation, the Section referred to should be rendered more explicit by alteration or amendment.

On the 10th day of April, I received a communication from the Secretary of Uncas Lodge, enclosing a copy of a vote passed by said Lodge, asking of the District Deputy Grand Master of the District, whether the "Order for Processions adopted by the Grand Lodge is intended for funeral occasions," also a copy of the reply of the District Deputy Grand Master, deciding that "the Order for Processions is binding on all occasions," and asking on behalf of said Lodge, my official decision in the matter. The Resolutions referred to were adopted by the Grand Lodge, without discussion or debate, and it was not until I had consulted with several members of the Grand Lodge, and learned the views of the chairman of the Committee on the State of the Order, who reported the resolutions, that I felt constrained to decide that the letter must be considered its true intent and meaning, and that the decision of the

District Deputy Grand Master should be sustained. With this decision I have since felt dissatisfied, believing that the members of the Grand Lodge would on reflection, deem the display of Banners, Swords, Gavel, Rods, Axe, &c. &c., unsuited to the solemnities of such occasions, and that surviving relatives and friends would be prejudiced thereby against our Order, and that public sentiment would be outraged by its adoption. I would therefore recommend a revision and alteration of the Resolutions.

At our last Annual Session, a resolution was passed directing that a copy of the Proceedings of the Grand Lodge of the United States be furnished to each Subordinate Lodge, which vote was duly executed. I would recommend that a copy be furnished each Lodge which has not been supplied, and that the Grand Master be authorized to present a copy to each new Lodge at its institution.

There are several committees to whom have been entrusted important subjects, for your future consideration. Presuming that they will be prepared to report, I would recommend their suggestions to your candid consideration.

My bretheren, while we have been flattering ourselves that suspicion and prejudice against our Order were fast dying away, and that the public were generally looking with favor upon us, shall we not all be pained to know that a convention of Ministers\* of that Gospel which teaches love, peace, and good will to men, recently held in this State, put forth and proclaimed to the world as their united solemn conviction, that "secret societies, and especially the society of Odd Fellows, are, in principle, opposed to the precepts of Him who said, 'in secret have I said nothing,'—that they oblige their members to associate as friends, with men of the vilest character, that they may become political engines, and be made to cloak the darkest purposes,—that zeal in their interest is incompatible with zeal in the cause of Christ,—that they assume the place of the Gospel in their professions of benevolence, and often do this practically in the heart,"—and finally urging a solemn caution to all their members, to abstain from any connection with us. Who of us has been aware that such was the character, and such the tendency of our beloved institution? Are we not many of us already, members of the Church of Christ? Is it not true that in some of our Lodges a majority of members have been, and are professors of the religion of Jesus? Have we not with us those who minister in holy things? Have we not here in this Grand Lodge, bowed the knee in prayer and supplication to the God and Father of us all, for the blessings of his grace, led by one, as our Grand Chaplain, who was in fellowship with themselves? Are we not moral men? Are we not exemplary for industry in the ordinary pursuits of life? Do our members suffer in comparison with others, as brothers, as fathers, as sons, as husbands, as citizens? Is zeal in the observance of the second command of the decalogue "Thou shalt love thy neighbor as thyself," incompatible with zeal in the cause of Christ? Is it wrong in us that we feed the hungry, clothe the naked, visit the sick, provide for, and protect the widow and the orphan? Did not He who said, "In secret have I said noth-

\* Association of Tolland County.

ing," say also, "let not thy right hand know what thy left hand doeth?" Does not He who "seeth in secret" promise to reward openly those who "do not their alms to be seen of men?" But who has made these men to be rulers and judges over us—and who has made them conservators of the public weal in political affairs? May we not remind them that other cloaks than ours, have covered the darkest purposes; recommend that they call to mind the truth uttered by their Master, while here on earth, that He "came not to judge the world, but to save the world;" suggest that they follow the example of the Apostle Paul, who resolved, in the discharge of the duties of his high calling, "to know nothing among men, but Jesus Christ, and him crucified."

And what shall we do? Let us seriously inquire whether we have given occasion for all this bitterness and calumny. Let us scrutinize closely the character of those whom we receive as members of our Lodges. Let us go forward fearlessly with our plans of benevolence—let us do what we can to ameliorate the condition of our race. Let those of us who are the professed followers of Christ do justly, love mercy, and walk humbly with God, and let us all strive to prove by our lives and conduct, that for us to love our brother whom we have seen, is not incompatible with love to God whom we have not seen.

My official duties will soon terminate; the period for which I was chosen as your Grand Master has now expired. I have little else to do but lead you to the choice of a successor. I wish to bear testimony to your kind indulgence in my imperfections as your presiding officer, and to the uniform courtesy which has been extended to me by the Lodges which you respectively represent. I shall long cherish in grateful remembrance the endearing friendships I have formed among you, and as I retire from this chair, it shall not be in a state of repose. I hope, while life remains, to be permitted to co-operate with you here, and elsewhere, in your works of Charity and Love.

REPRESENTATIVES—BROTHERS :

The first act which my heart prompts me to perform, from this official station, is to return my profound acknowledgments for your repeated expressions of kindness; and particularly for the confidence you repose in me, as is inferred from your committing to my care for a time, interests of so much importance. I cannot

say that I regard the honors of this office with indifference; but I can truly say, that the consideration that I am indebted for them to no peculiar fitness of my own for the station, but to your general good opinion, your friendship, and your confidence, is more grateful to my feelings than all other considerations. The inferences drawn from the fact of my promotion to an office of so much honor and responsibility, by a body at once so respectable and intelligent, awaken in my breast emotions of the most profound gratitude. I have not the vanity to suppose that your favors might not have been bestowed upon others, infinitely more capable of discharging the duties of Grand Master; and my greatest fear is, that with all my endeavors faithfully to discharge my whole duty, I shall fall far below the high standard of those, who have preceded me in this chair. But, relying on the spirit of kindness and forbearance, which has ever characterized the worthy members of this body; and, also, relying on their counsel, their aid and assistance, in the discharge of my new and arduous duties, I indulge the hope that I may be able, at the expiration of my official term, to surrender my trusts, with as much honor as I now receive them—"To err, is human:—to forgive, divine."

The select committee appointed at the last session, to arrange and present a plan for the safe keeping of the funds of Subordinate Lodges, under the Charter granted to the Grand Lodge, by the General Assembly of the State of Connecticut, presented the following report :

To the R. W. Grand Lodge of Connecticut, I. O. O. F. :

The undersigned having been appointed a committee to arrange and present a plan for the safe keeping of the funds of Subordinate Lodges, in accordance with the Charter of the Grand Lodge, beg leave to

That they have attended to the duty assigned them, and herewith present an amendment to the By Laws, and the form of a bond under which the funds used by Subordinate Lodges can be safely kept.

## CIRCULAR,

TO THE SECRETARIES OF SUBORDINATE LODGES UNDER THE JURISDICTION OF  
THE GRAND LODGE OF THE STATE OF CONNECTICUT.

SIRS AND BROTHERS :

At the last Annual Session of the Grand Lodge, nearly one-third of the Quarterly Reports from Subordinates for the preceding six months, were defective, or altogether wanting, and over one-half of the Lodges had neglected to make any Annual Report. Under these circumstances it was impossible to make up tables in the accompanying Report, without great delay and even now, they are defective in many particulars. The returns to the Grand Lodge of the United States, have also been delayed from the same cause.

I therefore feel it necessary to call your attention to the following suggestions, believing if they are heeded, there will be no difficulty on this subject in future.

1. In all cases let the Quarterly Report be made out the same week that the quarter closes, and *immediately forwarded to the Grand Secretary by mail*. Do not wait to send by Representatives to the Grand Lodge, for it is then too late to examine the Reports with care.

2. Let the Annual Report be made out and *forwarded by mail*, with the Report for the quarter ending in June of each year. Insert in the Annual Report, the place where and time when the Lodge holds its regular meetings.

3. *Fill all blanks in the Report*—if for instance there are no rejections, expulsions, or deaths, write the word “none,” or fill the blank with cyphers, which will show that it has not been overlooked.

4. Be careful that all Reports are properly dated, signed, and sealed, and let the figures be made plainly, and added correctly. Examine the tables in the accompanying report, and from them you will see what details are wanted.

5. If your Lodge at any time has no blanks on hand *send to the Grand Secretary in season*, who will forward them immediately, so that there will be no delay when they are wanted for use.

In conclusion, I respectfully, but earnestly ask your attention to the above requests. It will add but little to your labors, while it will be of material benefit to our beloved Order.

Respectfully yours,

In Friendship, Love and Truth,

LUCIUS G. PECK,

*Grand Secretary of Grand Lodge of Connecticut*

The GRAND MASTER submitted the following report.

*To the Right Worthy Grand Lodge, I. O. O. F. of Conn.*

BROTHERS:—Through the goodness of Divine Providence, we have been permitted once more to assemble for the purpose of transacting the appropriate business of the Grand Lodge.

After acknowledging our obligation, and our indebtedness to the Supreme Grand Master of the Universe, for the preservation of our lives—for the unnumbered blessings He has bestowed upon us—especially for that measure of health, without which we could not enjoy this happy privilege; let us invoke the continuance of his mercy, and look to Him for that guidance which is necessary to a wise and faithful discharge of present duties.

It is to me, a source of unmingled pleasure to be able to congratulate the assembled Representatives, on the unabated prosperity, which, in every part of our jurisdiction, continues to crown the progress of the principles of FRIENDSHIP, LOVE AND TRUTH.

We have abundant cause of thanksgiving for the favor with which these principles have been received, and for the great amount of relief to human suffering, which has been accomplished in their name.

May an approving Providence, have our Institution in His keeping and continue its beneficent operations, until human depravity, and human suffering are alike unfelt and unknown.

Since our last Session, our borders have been enlarged, and the sphere of our usefulness extended by adding to the number of Subordinate Lodges, which then existed.

It will be remembered that at the last session of your W. Body, a Charter was granted for a Lodge to be located at Portland, Middlesex county, to be known and hailed by the name and title of "FREESTONE LODGE, No. 33."

Immediately after the adjournment, I authorized D. D. G. M. Booth, of No. 12, to institute the Lodge, install its officers, &c. This duty he performed, with the aid and assistance of the W. Grand Chaplain, and several Past Grands of Central Lodge, on the 15th day of July. It is already in a flourishing condition, and bids fair to become a distinguished branch of the Order.

On the first day of September, I received a petition from five brothers, asking for a dispensation to open and constitute a Lodge in the village of Danielsonville, town of Killingly, and county of Windham, to be known and hailed by the name and title of "QUINEBAUG LODGE, No. 34." This petition was accompanied by Resolutions passed unanimously, at a regular meeting of Uncas Lodge, No. 11; fully approving of the granting of the dispensation, and recommending the petitioners, as worthy brothers.

The recommendations contained in these Resolutions were also concurred in by several distinguished members of this Grand Lodge; amongst whom were Past Grand Master Devotion, R. W. Grand Representative Judson, Past G. Marshal Converse, and Past Grands, William L. Brewer, and David Young.

The dispensation was unhesitatingly granted, and forwarded to P. G. M. Devotion, who was duly authorized to open and institute said Lodge, and who performed that duty on the 10th day of September. It is now in successful operation; and from the high standing of the brothers, at the head of this Lodge, I anticipate the most abundant success.

On the 4th day of November, I received a petition from five brothers, asking for a dispensation to open and constitute a Lodge, at Litchfield, to be known and hailed by the name and title of "COLUMBIAN LODGE, No. 35." This petition was also accompanied by a recommendation from Union Lodge, No. 30, from which the petitioners withdrew.

A dispensation was accordingly granted, and on the 10th day of December, assisted by R. W. D. G. M. Greenwood, Grand

Treasurer Bishop, and a delegation from Nosahogan, who rendered the most efficient aid; I instituted said Lodge, installed its officers, initiated eighteen applicants, and conferred the five degrees on ten members. This new Lodge commences under the most flattering circumstances, and bids fair to become a flourishing and efficient branch of the Order.

On the 26th day of November, I received a petition from fourteen brothers, residing in New Haven, asking for a dispensation to open and constitute a Lodge in this city, to be known and hailed by the name and title of "City Lodge, No. 36." This petition was accompanied by a recommendation of the Petitioners from Harmony Lodge, No. 5, which was also concurred in by P. G. M. Croswell, Grand Marshal Hall, and six other Past Grands, members of this Grand Lodge.

Besides which, I had a personal knowledge of the high character and standing of the petitioners, both as citizens, and members of our cherished fraternity. Under these circumstances, I did not, and could not hesitate to grant the dispensation. On the 2d day of December, therefore, assisted by the R. W. Grand officers residing here, P. G. M. Croswell, and others, I instituted said Lodge, and installed its officers. I have no doubt this new Lodge will be abundantly prospered, as have been all the Lodges in this city.

By the Constitution, all these dispensations are made subject to your approval—the petitions are all in regular form, and each have been accompanied by the regular Charter fee. I therefore recommend that Charters be granted them, respectively.

On the 3d day of September, accompanied by R. W. Grand Secretary Peck, Grand Marshal Hall, and others, I made an official visit to Hancock Lodge, No. 28, installed their officers, and gave such advice and instruction as seemed called for. Four applicants were initiated on this occasion, and it is with the greatest pleasure, that I bear testimony to the accurate and dignified manner, in which the work was performed. I was particularly gratified with the very beautiful and impressive manner of the N. G. The parts of the V. G., also, were performed with great ability. With such able and efficient officers, I cannot doubt that Hancock Lodge, will be abundantly prospered.

During the recess, a great number of questions, relating to usage—to the rights of members under specified circumstances—and to the powers of Subordinate Lodges, have been submitted to me, and official opinions solicited. To all such questions, I have given decision, according to the best of my judgment and ability, and at the earliest practicable moment. Whether those decisions gave satisfaction to the distinguished brothers who submitted them, I am not informed. Some of them involved very nice points, and I should have preferred to submit them for the decision of the Grand Lodge. But the circumstances would not allow of so much delay.

At the late Annual Communication of the R. W. Grand Lodge of the United States, in September last, a law was passed extend-

ing the terms of Subordinate Lodges from three, to six months; to take effect from and after the first of January 1847. And Grand Masters of those Grand Lodges, which hold no Session previous to January 1847, were also directed to cause a copy of said law to be transmitted to the several Subordinate Lodges under their respective jurisdiction, immediately on the receipt of the same.

Having been furnished with a copy of the proceedings of that body, by both our R. W. Grand Representatives, in the month of October, I caused a Circular to be sent to all the Subordinate Lodges under this jurisdiction, containing a copy of said Law, together with such directions as seemed necessary to communicate, in order that this important measure might be carried fully into effect, in conformity to the mandates of the Supreme head of the Order. A copy of said circular is herewith submitted.

To these directions all the Subordinates so far as I am informed, yielded a cheerful compliance, with the single exception of Rippowam, No. 24. The worthy and intelligent brothers of that Lodge regarded the instructions of the Grand Master as at variance with the Law, and, believing he had misunderstood its meaning and intent, rejected his instructions, and proceeded as if none had been given. That the directions of the Grand Master were not in strict conformity to the *letter* of the Law, may be true; but that they *were* in accordance with the *meaning* and *intent*, I have the best proof possible; to wit, the testimony of our R. W. Grand Representatives, to whom I refer for the correctness of the construction I put upon it. Besides, the course I adopted, it was believed would promote the best interests of the Order in this State, and give the most general satisfaction to the Subordinate Lodges. If Rippowam Lodge has done *right* in rejecting the instruction of the Grand Master, it would seem to follow that the other Lodges have done *wrong* in complying with them.

Should the course pursued by Rippowam Lodge not meet the approval of this Grand Lodge, I hope it will be regarded as an error of the head, and not of the heart, for I esteem the brothers of that Lodge, as among the most faithful, intelligent and devoted of our Order.

In consequence of the Law, extending the terms, it may be necessary to amend some portions of our Constitution for Subordinate Lodges. Your attention is respectfully invited to this subject.

I have also this day received the following petitions for dispensations, viz; one from twelve brothers residing in New Canaan, for a Lodge to be known and hailed by the name and title of "WOOSTER LODGE, No. 37."

One from five brothers residing in Tariffville, to be known by the name and title of "TUNXIS LODGE, No. 38."

One from five brothers residing at Windsor Locks, for a Lodge to be located at that place, to be known by the name of "PINE MEADOW LODGE, No. 39."

One from John B. Eldridge, and twenty others, for a Lodge to be located at Hartford, to be known by the name of "HYPERION LODGE, No. 40."

One from five brothers residing in Bridgeport, for a Lodge to be located at that place, to be known by the name of "ARCANUM LODGE, No. 41.

These petitions are accompanied by strong recommendations from Lodges, and from distinguished brothers of the Order; and they are submitted, with the confident hope that Charters will be granted them respectively. It will be proper to add, however, that Acanthus Lodge has sent a remonstrance against granting a dispensation to the petitioners from Tariffville. That remonstrance is also herewith submitted.

At the last Session of this Grand Lodge, a Resolution was passed, directing the appointment of a Special Committee of three, to take into consideration, and report at the next Session, a plan for funeral processions of Subordinate Lodges.

My attention was not called to that particular resolution at the time, and the appointment of said Special Committee was not made during the Session. But, after the adjournment, I appointed P. G. Marshals, Thomas and Johnson, and Grand Marshal Hall, as said Committee, who will doubtless submit their report in due season.

Perhaps it may be well to state that this subject has engaged the attention of the R. W. Grand Lodge of the United States, since our last Session—that certain funeral observances, and the form of funeral and other processions, for Grand and Subordinate Lodges, and Encampments was adopted, and some unimportant considerations connected therewith, left to the legislation of State Grand Lodges and Encampments. As this subject embraces a part of the unfinished business of our last Session, your attention is invited to it.

The establishment of Degree Lodges, is also a part of the unfinished business of the last Session. A plan as good, perhaps, as any that could be devised, was then submitted for consideration and continued to this Session. But I doubt very much the expediency of adopting that, or any other plan, for Degree Lodges at this Session. From the information I have obtained, in reference to Degree Lodges, I am led to doubt their utility and usefulness. Besides, if they are to be established at all, I think the Grand Lodge of the United States should adopt some plan, by which uniformity would be secured throughout its jurisdiction. Their legal existence having been recognized by that body, it will, in all probability, adopt some general regulations, in regard to them, as soon as their utility shall have been tested by experience. Entertaining these views, I would recommend a postponement of the measure.

I regret to learn that some of our Subordinate Lodges have not complied with the laws relating to returns. Notwithstanding the strenuous efforts of our R. W. Grand Secretary, to procure returns from all the Lodges, there are yet several that have not complied with his reasonable demands; and one at least, that has made no returns within the last year. If this be true, as I believe it is, it may become necessary for this Grand Lodge, to enforce the provisions of the Constitution, and demand its Charter. No

law can be efficient, when its provisions can be disregarded or violated with impunity. Your attention is respectfully invited to this subject.

The vast increase of the Order in this State, it will be readily seen, must have caused a corresponding increase of business in the office of the R. W. Grand Secretary: and the salary paid to that officer for the faithful discharge of his duties when we were less numerous, is, in my opinion, now an inadequate compensation for the arduous and responsible duties at present required of that officer. I would also suggest the propriety of making some provision for the safe keeping of our records, documents, &c., and for more secure protection against fire.

The reports of D. D. Grand Masters, have hitherto been limited to the installation of officers, and the number of brothers upon whom the degrees have been conferred. In Massachusetts, the reports of these officers embrace not only the installations and degrees conferred, but every subject and question of interest that arises in their respective Districts. They are made to the Grand Master sufficiently early to enable him to incorporate their substance into his report to the Grand Lodge. From these sources much valuable information is derived, and a full and accurate knowledge of the work in the entire State, laid before the Grand Lodge. I would recommend the adoption of measures to secure similar results in this State.

At the late Session of the R. W. Grand Lodge of the United States, the Special Committee, to whom was referred the inquiries into the propriety of the establishment by the Order, of an Institution of Learning, submitted their report, accompanied by the following resolutions, which were adopted:

*“Resolved, That the several State Grand Lodges, are hereby earnestly requested to consider the expediency of the establishment by the Order, of a General System of Education, and to devise and forward to this Grand Lodge, plans for the accomplishment of the object, should they deem it expedient to take the work in hand.*

*“Resolved, That the Grand Secretary be directed to communicate the above report and resolutions to the several State Grand Lodges.”*

Whatever may be the views of the members of this Grand Lodge, on the subject referred to, I think it due that a Special Committee be appointed to consider the expediency of the proposed measure, with instructions to submit their report at the next Session of this Grand Lodge.

All which is submitted in F. L. and T.

PRELATE DEMICK, *Grand Master.*

The Committee appointed at the last Session, to whom was referred so much of the late Grand Master's report, as relates to the application of the "Order of Processions" to funerals, made the following report, which was accepted and referred to the Committee on the alteration of the Constitution for Subordinates.

*To the R. W. Grand Lodge, I. O. O. F. of Connecticut.*

The undersigned a Committee to whom was referred so much of the Grand Master's Report, [July, 1846,] as relates to the "*application of the ORDER OF PROCESSIONS to funerals,*" respectfully

## REPORT:

That having examined the subject they find no occasion for doubt or difficulty in the matter. The Grand Lodge, by a formally enacted by-law [Sec. 12,] has prohibited subordinate Lodges from wearing regalia at funerals. The order of procession, in regalia, was a simple resolution adopted subsequently, by a major vote only. It could not, therefore, by any rule of construction, be made to conflict with, much less abrogate a standing by-law which requires a two thirds vote to adopt or amend. [Constitution Art. IX.] Each is distinct and complete in itself.

The Grand Lodge of the United States, having at its last Session prescribed a badge and form of funeral procession, [page 37, Jour. Grand Lodge U. S., 1846,] the Committee respectfully recommend that Sec. 12 of the By-Laws of this Grand Lodge be amended by striking out all after the word "badge," in last line, and adding "*and observe the order of procession prescribed by Grand Lodge of the United States.*"

All of which is respectfully submitted.

|                                                  |              |

The Select Committee on so much of the Grand Master's Report, as relates to the action of Rippowam Lodge, No. 24, offered the following report, which, with the accompanying resolutions, was read.

*To the R. W. Grand Lodge, I. O. O. F., of Connecticut.*

The Committee to whom was referred so much of the Report of the Most Worthy Grand Master, as relates to Rippowam Lodge, No. 24, beg leave respectfully to

REPORT :

That they have given the subject a full investigation, and unanimously conclude, that however much of obscurity there may have been in the letter of the resolutions of the Grand Lodge of the United States, concerning which the Most Worthy Grand Master addressed the respective Lodges, it came within the province of the Grand Master in the recess of the Grand Lodge, so to interpret and explain these resolutions, that the intentions of the Grand Lodge of the United States, might be fully carried out.

We find that the Most Worthy Grand Master pursued this course, after having obtained from the R. W. Grand Representatives of this State, their opinion, as to the intentions of the mover of the resolutions, and of the members of the Grand Lodge of the United States.

The Committee find that the Grand Master forwarded these resolutions, with his official opinion, as to their meaning, and his official order as to the course to be pursued by Rippowam Lodge, and that said Lodge pursued a course in direct opposition to the known and expressed decision of the Grand Master.

The Committee are therefore compelled to report the accompanying resolutions.

All which is respectfully submitted in F. L. and T.

J. M. WILLEY,  
WALTER EDWARDS, } Committee.  
E. W. SMITH.

*Resolved*, That the Most Worthy Grand Master, in issuing his circular of the date of October 24, 1846, pursued the course proper to be pursued by him, under the circumstances in which he was then placed.

*Resolved*, That Rippowam Lodge, No. 24, in electing and installing their officers at the first meeting in December last, refused to pay that deference to the Most Worthy Grand Master, which is due from each Subordinate to the head of the Order.

Representative Minor moved to amend, by striking out the second resolution, and substituting the following :

*Resolved*, That every subordinate is bound to yield obedience to the Constitution given it by the Grand Lodge, until that Constitution is altered in a legal and proper manner.

While the amendment of Representative Minor was pending, and after much discussion, a motion was made and carried, that the Grand Lodge adjourn, to meet at 8 o'clock, to-morrow morning.

THURSDAY MORNING, JANUARY, 14.

The Grand Lodge came to order.

## REPORT:

That it appears by reference to the proceedings of this R. W. Body, that at its last annual session, a report from the Committee on the State of the Order was adopted, objecting to the Section above referred to. The committee appointed by Stonington Lodge, to petition this R. W. Your Committee are of the opinion, that the claims of petitioners, as set forth in their memorial, are not sufficient to warrant your Committee, to recommend a resolution setting aside the action of the R. W. Grand Lodge in this matter.

Your Committee would therefore recommend that the petitioners have leave to withdraw their petition.

All of which is respectfully submitted.

## C I R C U L A R ,

TO THE OFFICERS AND MEMBERS OF SUBORDINATE LODGES UNDER THE  
JURISDICTION OF THE GRAND LODGE, I. O. O. F., OF CONNECTICUT.

SIRS AND BROTHERS—

By direction of the Grand Lodge, (page 296,) it became my duty to forward to each Lodge, a copy of all amendments to the Constitution and By-Laws of the Grand Lodge, and the Constitution of Subordinate Lodges. These you will find on pages 303 and 304, of the accompanying report. Want of room has compelled me to refer to them in their proper order, without copying in full. It is believed however, that the plan adopted will be found as convenient as any other.

The publication of the Proceedings has been delayed much longer than usual—and it is due to you that the reason of this delay should be given. Soon after the last session of the Grand Lodge, viz: on the 13th day of February, the office of the Grand Secretary, with nearly all it contained, was destroyed by fire. Fortunately, the most valuable papers belonging to the Grand Lodge, were deposited in another place, but many of material importance in making out this report were lost. The confusion necessarily following such an accident—the press of ordinary business, and the difficulty of transacting it—the time required, first to find what was lost and then to repair that loss, have caused the delay in publication, which under the circumstances, I trust, will be excused.

The time for making the regular Report from Subordinates is just at hand, and I again beg leave to call your attention to the matters contained in my last Circular. Many Lodges did not report at the end of the last term, and some have not yet reported. At this time, when throughout the State, the Order is flourishing beyond precedent, it is hoped there will be no failure or delay in making and forwarding to the Grand Lodge, the necessary Reports.

LUCIUS G. PECK,

*Grand Secretary of the Grand Lodge of Conn.*

*To the Right Worthy Grand Officers and Representatives.*

It becomes my duty, at this stage of our proceedings, to lay before you a report of my official acts. And I embrace this opportunity to express my gratitude to the great Author of all blessings, for the preservation of our lives and health, since we were last assembled ; and for the prosperous and happy circumstances under which we are again permitted to meet in this, our seventh annual session.

It cannot but be gratifying to the assembled Representatives, and to the brotherhood throughout the State, to know that the Order under this jurisdiction, has, during the past year, exhibited the evidences of prosperity and usefulness, equal at least, to those of any previous year.

At our last session, Charters were granted to three Subordinate Lodges, which had been previously instituted by authority of Dispensations granted for that purpose.

Five other Charters were also granted directly to petitioners for new Lodges, which were subsequently instituted, viz :

WOOSTER LODGE, No. 37, New Canaan, Fairfield County.

TUNXIS LODGE, No. 38, Tariffville, Hartford County.

PINE MEADOW LODGE, No. 39, Windsor Locks, Hartford County.

HYPERION LODGE, No. 40, Hartford, Hartford County.

ARGANUM LODGE, No. 41, Bridgeport, Fairfield County.

Immediately after the adjournment of that Session, I caused these Lodges severally to be instituted, as follows: Wooster Lodge, No. 37, was instituted on the 21st day of January last, by the W. G. Conductor, C. J. Gruman, assisted by Past Grand's P. L. Cunningham, E. S. Quintard, Levi Clark, George Randall, B. B. Hall and Past Secretary William E. Bissell, and Conductor Clark Platt, together with a number of brothers from Lodges Nos. 10, and 24. From the full and accurate report of the W. G. Conductor, it appears that the Lodge consisted when instituted, of the twelve original petitioners; that nine new propositions were received and accepted on the first evening, five of which being in waiting were initiated. The following officers were elected and installed, to wit: George Gearheart, N. G., Egbert Mead, V. G., Thomas Raymond Secretary, Ebenezer Ayres, Jr., Treasurer. After the Lodge had been closed, the five degrees were conferred on five candidates, and the last two degrees on one candidate. The W. G. Conductor speaks in flattering terms of the character and standing of the members of Wooster Lodge. He says, they commence their career free from debt, have all they need for their comfort and well being, and money in their treasury.

Tunxis Lodge, No. 38, was also instituted on the 21st day of January last, by Thomas H. Seymour, at that time D. D. Grand Master for Hartford.

Pine Meadow Lodge, No. 39, was instituted by the same able officer, in the month of February last. Having received no formal report of the institution of these two Lodges, I am unable to lay before you, any further particulars respecting them.

On the 3d day of February last, accompanied by W. G. Marshal, N. C. Hall, I proceeded to Hartford, for the purpose of instituting Hyperion Lodge, No. 40. On the evening of that day, we met the brothers to whom the Charter was granted, in the large hall of Charter Oak Lodge; which notwithstanding the inclemency of the weather, was literally filled with the members of the Order, residing in that city. With the assistance of several Past Grands and other members, I instituted said Lodge, and presented the Charter.

The following officers were then elected and installed, viz: John B. Eldridge, N. G., John M. Riggs, V. G., L. T. Wells, Secretary M. M. Merriman, Treasurer. Eleven applicants were received, and initiated on this occasion; the new officers officiating, assisted by D. D. Grand Master, Thomas H. Seymour, as Conductor,

and by Jared B. Flagg as Warden. It affords me pleasure to be able to say in truth, that I have seldom seen this part of the work performed more correctly, in a more impressive manner, or in better taste. There also were a large number of applications for membership, received on this occasion, and referred to the appropriate committee. And I understand that the Lodge now has more than seventy members.

From the reputation of its members, both as citizens, and members of our Order, I cannot doubt that Hyperion Lodge will occupy a high standing, as an ornamental and useful branch of our cherished Fraternity. The Grand Officers were on this occasion treated with the most unbounded hospitality, and with the greatest courtesy and kindness.

Arcanum Lodge, No. 41, was instituted on the 4th day of February last, by D. D. Grand Master, Asher M. Ruggles, who was specially deputed for that service, and who was assisted on that occasion by Past Grand's, John M. Wilson, George Walter, Benjamin K. Mills, William S. Atkinson, John W. Wilmot, Edward Hamilton, E. B. Stevens, and Charles M. Booth, the present worthy D. D. Grand Master at Bridgeport. Their regular meetings are held on Thursday evening. The officers elected and installed were Ira Morse, N. G., William H. Lacy, V. G., William H. Williams, Secretary, L. C. Shepherd, Treasurer. Nine members of the Order were admitted by Card, on their first meeting. Brother Ruggles pays a high compliment to the character and standing of the officers, and members of this new Lodge, and predicts that "It will become an ornament to the Order, and a blessing to the community." Thus the five Lodges, to which Charters were granted at your last Session directly to petitioners, have all been instituted at the earliest practicable moment, and in conformity to the laws, customs and usages of the Order; and all of them so far as I know, and believe, are in successful operation at this time.

On the 17th day of February last, I received a petition from Andrew Terry, Elisha Johnson, John M. Wardwell, Thomas Scott, Henry E. Read and Lewis Barnes, praying for a dispensation to open and constitute a Lodge in the town of Plymouth, in the County of Litchfield, to be known by the name and title of Franklin Lodge, No. 42. This petition was accompanied by good recommendations from Nosahogan Lodge, Waterbury, and Columbian Lodge, at Litchfield, under the respective seals of those Lodges, and the signatures of their officers—oral information was also obtained from brothers residing in Waterbury; all of which induced me to grant the Dispensation. And, on the 1st day of March last, being specially deputed for that service, D. D. Grand Master, William M. Pemberton, assisted by Past Grand's, Hitchcock, Benedict and Clark, and other members of Nosahogan and Columbian Lodges, in all more than sixty, proceeded to Plymouth, where he instituted said Lodge, according to the ancient customs and usages of the Order. Thirteen candidates were initiated on this occasion, who, subsequently on the same evening, were all instructed in the five degrees of the Order. The officers

electd and installed, were as follows, to wit: Andrew Terry, N. G., Elisha Johnson, V. G., Thomas Scott, Secretary, Henry E. Read, Treasurer. I understand this new Lodge is in a healthy and flourishing condition, with flattering prospects for the future.

On the 16th day of March last, I received a petition from D. A. Barclay, Orlando Pease, C. P. Newman, William S. Phillips, J. H. Mills, S. R. Miller, Benjamin B. Woodford, Ferris W. Cady, George W. Hinkley and Matthias Kneringer, for a dispensation to open and constitute a Lodge in the town of Winsted, in the County of Litchfield, to be known and hailed by the name and title of Orion Lodge, No. 43.

This petition was accompanied by the written recommendation of several distinguished members of the Order, who are Representatives in this body, and presented by another Representative in this Grand Lodge, who in person satisfied me of the expediency of granting the Dispensation; which I accordingly issued on the 17th day of March, together with the usual document giving authority to Representative J. H. Mills, to institute said Orion Lodge; which duty he performed on the nineteenth day of that month. The officers elected and installed, were S. R. Miller, N. G., William S. Phillips, V. G., W. S. Wetmore, Secretary, Orlando Pease, Treasurer.

Some dissatisfaction was manifested, in consequence of the establishment of this new Lodge in Winsted; and Union Lodge, No. 30, petitioned for an investigation. I accordingly appointed a committee for that purpose, who visited Winsted, and thoroughly investigated the whole subject. Their report, together with communications from the respective Lodges, on that subject, are herewith submitted. An unsuccessful effort was made to effect a re-union of the petitioning brothers with Union Lodge, from which they had withdrawn. In consequence of the refusal of Union Lodge to restore the petitioning brothers to membership, Orion Lodge was directed to go on, as the only way in which the complete sacrifice of its members could be prevented.

On the 31st day of March last, I received a petition from C. G. Judson, Enos Benham, Silas Chapin, Clark Lindley and W. E. Woodruff, praying for a dispensation to open and constitute a Lodge, in the town of Woodbury, Litchfield County, to be known and hailed by the name and title of Bethel Rock Lodge, No. 44. This petition was accompanied by the usual recommendation, both as to the petitioning brothers, and the expediency of establishing a Lodge in that place, under the seal of the Lodge at Litchfield, and also of Nosahogan at Waterbury. Other oral information was obtained, all of which induced me to grant the dispensation.

And on the 16th day of April last, accompanied by W. Grand Marshal N. C. Hall, I proceeded to Woodbury, and assisted by D. D. Grand Master Pemberton, Past Grand's Law, Bryan and Hitchcock, and several other members of Nosahogan Lodge, we instituted said Bethel Rock Lodge, No. 44, according to the laws and usages of the Order. The following officers were then elect-

ed, and installed into their respective chairs, in ample form, viz: Silas Chapin, N. G., Charles G. Judson, V. G., William E. Woodruff, Secretary, Enos Benham, Treasurer. Nine candidates were initiated on this occasion. The Grand Officers and Visiting brothers, were treated with courtesy, and entertained with hospitality. From the reputation of the founders of this new Lodge, and from my personal observation, I am satisfied that the Fraternity will most cheerfully extend a hearty welcome to this new branch.

On the 28th day of April last, I received a petition from George C. Owen, John Walker, John Hallas, Robert B. Morrison, Manning Wheelock, Jr., William Anderson, Donald Graham, H. C. Bagg, Thomas McKnight, John Kenyon, Charles Suerson, John Sickel, James Bidwell, James Worthington, William Taylor, William Moody and John Hunter, praying for a dispensation to open and constitute a Lodge at Thompsonville, Hartford County, to be known and hailed by the name and title of Thompsonville Lodge, No. 45.

The expediency of establishing a Lodge at Thompsonville was strongly represented by Lodges at Warehouse Point, Windsor Locks and Hartford, and recommended by the *officers* of Charter Oak, Mercantile and Hyperion Lodges, and other members of the Order. The petitioners were also highly recommended. The dispensation was therefore granted, and on the eleventh day of May last, the said Lodge was instituted by D. D. Grand Master, Dr. Joseph Olmsted, of Warehouse Point, assisted by present and passed officers, and other members of Farmers & Mechanics Lodge, and Pine Meadow Lodge. The following officers were elected and installed, viz: George C. Owen, N. G., John Walker, V. G., John Hallas, Secretary, Robert B. Morrison, Treasurer. The worthy D. D. Grand Master, remarks that "twelve highly respectable and intelligent candidates were initiated on this occasion."

From personal acquaintance with the brothers who at this time constitute the members of this newly instituted Lodge, I feel confident of the success which will attend their efforts, in raising up a Lodge in that place, which will redound to the credit and honor of the Order."

On the 12th day of May last, I received a petition from Daniel Lovejoy, James Scott, 2d, Lewis H. Bailey, Sereno S. Hurlbut, Harry N. Northrop, Augustus Lyon, Joseph F. Pugsly, Francis Meeker and Charles Mead, for a dispensation to open and constitute a Lodge at Ridgefield, Fairfield County, to be known and hailed by the name and title of Pilgrim Lodge, No. 46. This petition was also approved by Samaritan Lodge, No. 7, at Danbury, and Howard Lodge, No. 29, at Bethel, as appears by resolutions forwarded under their respective seals. Other information was also obtained, all of which fully satisfied me of the expediency of granting the dispensation, which was accordingly issued, and forwarded to R. W. John Greenwood, Jr., Deputy Grand Master, who was duly authorized to institute said Lodge. This duty he performed on the 11th day of June last, on which occasion he was

assisted by the W. Grand Conductor C. J. Gruman, Past Grand Farnam of No. 29, and brothers Bissell and Olmstead of No. 10. The officers elected and installed were as follows, viz.: James Scott, 2d, N. G., Augustus Lyon, V. G., Lewis H. Bailey, Secretary, Sereno S. Hurlbut, Treasurer.

On the 28th day of May last, I received a petition from Hiram B. Case, Henry S. Cadwell, Levi H. Hamblin, John M. Maxwell and Saunders L. Moore, praying for a dispensation to open and constitute a Lodge at Bloomfield, in the County of Hartford, to be known and hailed by the name and title of Lafayette Lodge, No. 47. This petition was accompanied by the written recommendation of several prominent members of the Order, and also by a vote of approval of Hyperion Lodge, No. 40, under its seal. The dispensation was therefore granted, and forwarded to L. B. Allyn, D. D. Grand Master of Hartford, with authority to open and institute said Lafayette Lodge, No. 47. This duty he performed on the 15th day of June last, with the assistance of Past Grand Joseph Pratt, Jr., of No. 2, V. G. John Riggs of No. 40, and V. G. A. C. Goodman, and brothers Tiffany, Andrews, Daniels and Lugden of No. 8. The officers elected and installed, on this occasion were as follows, viz.: Hiram B. Case, N. G., John M. Maxwell, V. G., Levi H. Hamblin, Secretary, Henry S. Cadwell, Treasurer. These officers were elected and installed to serve through the coming term. Two candidates were initiated on this occasion, and the five degrees were conferred on one member.

It will be seen that there are now forty-seven Subordinate Lodges under your jurisdiction. At the termination of the last annual Session, there had been thirty-two instituted. Thus fifteen new Lodges have been added to our number, during the past year, making the increase nearly fifty per cent in a single year.

This extraordinary increase may possibly excite the fears of some, for the healthy condition of the Order. I can only say that in granting dispensations for new Lodges, I have exercised all reasonable precautions, and in every instance, save one, have demanded all the usual evidences of the expediency of granting dispensations, under the seals of Lodges, nearest to the location of the proposed Lodge. Many of the new Lodges are located in remote sections of the State, and it was not convenient, to obtain any other or better evidences of the expediency of granting dispensations: indeed no other have heretofore been deemed necessary. I have no doubt that upon a careful examination of this subject, by the appropriate committee, the Grand Lodge will not only approve of what has been done, but find cause of gratulation in the fact, that so much of moral excellence, and personal worth, are comprised in our accessions.

The great importance of securing early and regular returns from all the Subordinate Lodges under this jurisdiction, induces me to call your attention once more to this subject. The laws relating to returns, have in too many instances, been disregarded.

The R. W. Grand Secretary is in consequence, very much incommoded, in preparing the minutes of the Grand Lodge for pub-

lication, and in making his annual report to the Grand Lodge of the United States.

This evil can, and should be effectually remedied. And I would respectfully suggest for your consideration, that the installing officer in each district, be prohibited from installing the officers elect, in any Lodge, until he shall have been furnished with the complete returns of the Lodge for the term then closed, together with the dues accruing to this Grand Lodge. And also that such installing officer be required, under a reasonable penalty, to use all due diligence to have the said returns and dues placed in the hands of the Grand Secretary, on or before the first day of the Session of this Grand Lodge, next succeeding.

A resolution of this Grand Lodge, found on page 257 of the printed Journal, was passed at our last annual Session, by which Article IV. Sec. 7, of the Constitution of Subordinate Lodges was amended, by adding after the word "suspended," in the first line, the words "except those suspended for non-payment of dues." The object of this resolution was to prevent the useless expense of sending notice to all the Subordinate Lodges in the State, when the cause of suspension was non-payment of dues.

But notwithstanding the adoption of this Resolution, the practice of sending such notices has prevailed to the present time, and the Lodges have thereby been subjected to much useless expense. I am informed that a single Lodge has paid for these notices alone, near five dollars. It is fair to presume that all the Lodges have paid nearly equal sums for the same item; if so, it would amount, in the aggregate, to near too hundred dollars of expenses which are entirely useless, and uncalled for.

This tax on Subordinate Lodges, should be promptly arrested. A separate resolution of this Grand Lodge, addressed to each of the Subordinates, would effectually remedy the evil.

There is one more subject to which I beg leave to call your attention. In my opinion, the publication in a separate pamphlet, of a digest of the laws and decisions of the R. W. Grand Lodge of the United States, and of this State, would be found to be highly promotive of the best interests of the Order, under this jurisdiction. A pamphlet of a similar kind, has been published by authority of the Grand Lodge of South Carolina; and whoever has taken occasion to look over its pages, must be convinced of its great utility and convenience. The possession of such a digest, would put within the reach of the Subordinate Lodges, much of that kind of information, for which they are now in almost daily correspondence with the Grand Master.

One third of the Lodges in this State date their institution within the year now past. Many others are of comparatively recent date, so that a large portion of our constituency cannot but be inexperienced in the laws and usages of the Order, and but partially versed in those questions relating to points of order, the powers of Lodges, and the rights of members, that are constantly arising in their stated meetings. Though the printed proceedings of the Grand Lodge of the United States, and of this State, have been

furnished to each of the Lodges, the fact that these laws (generally in the form of resolutions) are scattered through voluminous publications, renders a competent knowledge of them far from being speedily acquired. The consequence is, that comparatively few of our members know little if any thing more of these laws than they would have done had no such publications been issued. Several copies of the proposed digest should be furnished to each Lodge, and the members encouraged to make themselves thoroughly acquainted therewith. Thus they would qualify themselves for self-government, and much of the time occupied by this Grand Lodge in the investigation of appeals would be saved. Harmony and uniformity would be more general, and our whole constituency essentially benefitted. If it should be deemed desirable, this digest could be continued, by the collection, and arrangement from year to year, of all subsequent laws and decisions, which after a proper period, could be published and added to the digest first issued.

I cannot conceive of any measure so eminently calculated to confer permanent benefits on our constituents, as the one under consideration. In this view I am confident all those will concur, who have been placed in positions, to learn the wants of the Subordinate Lodges.

I respectfully solicit for this subject, a liberal and charitable consideration.

With the submission of this report, my official duties approach their consummation; and I avail myself of this opportunity to tender my sincere thanks to every member of this body, for the kindness and courtesy with which their intercourse with me, has at all times been characterized. I wish also, to acknowledge myself under a debt of gratitude to present and passed officers of this Grand Lodge, who have, whenever requested, kindly given me their valuable counsel and assistance.

To the Fraternity at large, I owe many thanks for the respect it has shown, by a ready acquiescence and cheerful co-operation in all that has been done and ordered.

Should my official acts, during the year past, meet your acceptance, I shall feel richly compensated for the arduous labors performed, and the care and anxiety with which they have been attended.

To these heartfelt expressions I will only add, that my utmost exertions shall be continued, to promote the prosperity and usefulness of our beloved Institution, which has proved itself so eminently calculated to ameliorate the condition of suffering humanity.

All of which is respectfully submitted in Friendship, Love and Truth.

*To the R. W. Grand Lodge, I. O. O. F., of Connecticut :*

The undersigned a Committee to whom were referred the charges preferred by P. G. W. Lucius A. Thomas, against P. G. M. Henry L. Miller, at the last session of this Grand Lodge, respectfully

#### REPORT :

That they have given the subject a careful, attentive and impartial examination, and are of opinion that the first specification has

been proved by the testimony of Past Grand's Wildman and Gorham.

The charge in the second specification, that P. G. M. Miller had stated that the original record was altered while passing through the hands of P. G. W. Thomas, was in the opinion of the Committee, proved. The evidence before the Committee satisfied them conclusively, that errors had been committed unintentionally, in the printed proceedings of the Grand Lodge, and that P. G. W. Thomas was not in any way responsible for the same.

The first clause of the third specification, the committee are of opinion has been substantiated.

The fourth and fifth specifications, are in the opinion of the Committee, involved in those which precede them.

The preamble to the charges, the Committee considered vague and indefinite; consequently they did not take any action upon it.

All which is respectfully submitted.

Amendments to Constitution of Grand Lodge, Article VI. Section 1; Article VI. Section 3; Article VII. Sections 3 and 4, page 293, published proceedings.

Also, an amendment to Article III. Section 3, of Constitution of Grand Lodge, on page 295, published proceedings.

There are also, some alterations rendered necessary by the recent changes of terms—and funeral badges, which were overlooked at the last session. Of these, a modification of Sections 18 and 22 of By-Laws of Grand Lodge, and Article V. Section 10; Article VI. Section 4, of Constitution of Subordinates, seem to be required.

All which is respectfully submitted.

L. A. THOMAS,  
L. G. PECK,

*Committee on unfinished business.*

The following resolution (see page 245, published proceedings,) continued at the last session to the present, viz. :

*Resolved*, That Article VII. Section 6, be so amended as to read thus; "Each subordinate Lodge shall pay to the Grand

Lodge the sum of *seventy-five cents* for each candidate admitted," was called up, and after some debate, was indefinitely postponed.

The amendment on page 293, of published proceedings, making the meetings of the Grand Lodge Annual, instead of Semi-Annual, referred to the Committee on the State of the Order.

The proposed amendment on page 290, published proceedings, to add after the words "Grand Lodge," in the twenty-fourth line of Section 2, of Constitution of the Grand Lodge, the words "except legislative powers," was called up; and being found informal, was by consent, indefinitely postponed.

The proposed amendment on page 293, published proceedings, providing for an executive council, was called up, amended and as amended, passed. It is as follows:

*Resolved*, That the Constitution of this Grand Lodge be amended by inserting after paragraph tenth of Section 1, Article III.,

" 11. The R. W. Deputy Grand Master, R. W. Grand Warden, R. W. Grand Secretary, and R. W. Grand Treasurer, shall constitute an executive council, to assist the Grand Master advisarily in the recess of the Grand Lodge, in all matters that he may submitted to them."

In section 2, of the same article, insert after the words "he shall," in the fourth line of the section, the words "with the advice of the Executive Council." In the fourteenth line, after the word "may," insert "with the advice of the Executive Council;" and at the end of the twenty-third line, insert "with the advice of the Executive Council."

The Special Committee to whom was referred the petition of sundry brothers for a new Lodge in Stonington, offered the following report, which was accepted, and leave granted the petitioners to withdraw.

*To the R. W. Grand Lodge, I. O. O. F., of Connecticut :*

The Special Committee to whom was referred the petition of sundry brothers residing in Stonington, for a new Lodge to be located there, have attended to the duties of their appointment, and respectfully beg leave to

#### REPORT :

That in their opinion it would be inexpedient to grant a Charter for a new Lodge in Stonington, as three Lodges have already been organized in that town, where it appears there are only about six hundred and fifty electors; and two of the Lodges now in operation have less than thirty-five members each. The petitioners,

(twenty in number,) were all members of Stonington Lodge, No. 26, and withdrew on account of a difference of opinion which existed in said Lodge, in regard to the expulsion or suspension of a member.

The Committee are of opinion that the petitioners acted with undue haste, and without much reflection, when they applied for clearance cards; they would therefore recommend that the petitioners present their cards to Stonington Lodge for admission, and also recommend that Lodge to receive them, unless there are objections which would prevent them from receiving clearance cards, were they now members of said Lodge; and that they have leave to withdraw their petition. Such a course, it is believed, will best promote the welfare and harmony of the Order.

All of which is respectfully submitted.

After some debate, the whole amendment was indefinitely postponed.

*Grand Lodge, I. O. O. F., of Conn., }  
July Session, 1847.*

The Special Committee to whom was referred so much of the M. W. Grand Master's Report to this Grand Lodge, at its last semi-annual session, in January, 1847, as relates to the establishment by the Order, of a general system of Education, and the doings of the R. W. Grand Lodge of the United States, upon the same subject, would respectfully

#### REPORT :

That it is undoubtedly one of the cardinal duties of our Order, to see that the children of deceased brothers receive sufficient education, to be able to fill honorably, all the ordinary and respectable vocations of life. It is also apparent from statistical data, that the organization, strength, and pecuniary abilities of the Order, are fully sufficient to discharge faithfully any duty that legitimately devolves upon it; or to commence with confidence, any enterprise required by the good of the institution, or of those under its care. The Grand Lodge of the United States requests the different State Grand Lodges to consider the expediency of a general plan or system of education, to be *uniform*, throughout the jurisdiction of the United States Lodge, and under its charge and control; and to devise and forward suitable plans for the attain-

---

\* It appeared by the petition and evidence, that these contested claims for a seat in the Grand Lodge, grew out of the differences arising on granting a dispensation to Orion Lodge, No. 43. It seemed that brother David A. Barclay, while N. G. of Union Lodge joined with other brothers of said Lodge, in a petition to the Grand Master, for a dispensation to open a new Lodge in the same town, to be called Orion Lodge, No. 43. For doing this, charges were brought against him in Union Lodge, and he was suspended. From this decision he appealed to the Grand Lodge. Brother Richard Spencer was then elected to fill the vacancy occasioned by the suspension, (he never having served a regular term as V. G.,) and at the expiration of the term, a certificate of election as Representative was given him by Union Lodge.

In this state of facts, the Grand Lodge voted, that *both* were Past Grands of Union Lodge, in good standing; also as brother Spencer had a certificate, to admit him to a seat in the Grand Lodge; and as will be seen subsequently continued the petition for a Charter for Orion Lodge, to the next session.

ment of this object,—and this, we suppose, is the proposition to be considered.

Your committee find included under the jurisdiction of the Grand Lodge of the United States, the entire territory of our country, embracing districts as diversified in their wants, and deficiencies, as in the means and privileges already provided for the free education of the people. Our own State, for instance, is one, where (as Grand Secretary Ridgley says in transmitting the action of the United States Grand Lodge upon this subject,) “the blessing of free education is diffused in streams of vivid light, by the well directed intelligence and munificence of the legislature.” And the same may perhaps be said of all the New England and some other States; and it would seem, that nearly the only necessity imposed upon the fraternity in such States is, to see that the children under their care avail themselves of the privileges thus furnished, while in very many other States, it is the chief care and burden of those in the humbler walks of life, to procure for their offspring what is termed a common school education. Your committee confess themselves utterly unable to perceive how any uniform system within the power of the Order, can be applied, with any practicability to such a dissimilar state of facts. For our own State, and others in a similar position, we believe the project submitted to the Order, and so ably sustained by one of its most eminent members, would be most advantageous; viz.: “the founding of an University, with professorships in every department of science, to be generously endowed by the liberality of a united brotherhood,” where those of our charge who manifested peculiar merits, and a suitable disposition for further progress, might obtain a thorough liberal education, qualifying them for any of the private or public stations of life. But we believe we should approach the consideration of so important a matter, only as an humble member of one great family—all professing the same great principles of fellowship, and all deriving the greatest good to the whole. In this light, we cannot refrain from asking—would such an institution remedy in any appreciable degree, the wants of the Order in those numerous States, where the blessing of a free education by the State, is unknown? Your committee would also suggest, that the members of the Order in those States where the want of a general education is more felt—are better able to appreciate the nature, extent, and character of the great work required of the Order at large, and consequently are more competent to devise and mature suitable plans for its accomplishment.

While therefore, your committee would not recommend the proposing or adoption of any particular system by this Grand Lodge, they would, at the same time most confidently express the belief, that the entire Order in this State, would unanimously and cordially co-operate in any practicable system, or enterprise, which the wisdom of other councils may devise, which shall enable every Odd Fellow joined to us in the sacred bond of brotherhood, to secure for his offspring the “priceless blessing of edu-

cation;" a consummation, tending greatly to enhance the practical usefulness of Odd Fellowship in our own day and generation—and in a great degree to perpetuate its blessings to posterity, by the proper enlightenment of those whose inheritance it will soon become.

These considerations are embodied in the accompanying resolutions.

All of which is respectfully submitted.

P. M. JUDSON,  
FREDERICK CROSWELL, } Committee.

*Resolved*, That the education of the offspring of Odd Fellows, is a legitimate subject for the attention and action of the entire Order, and one worthy of the united energies and wisdom of its national and State councils.

*Resolved*, That so great diversity exists in the wants and conditions of the several States, in regard to education, that this Grand Lodge entertain doubts, as to the practicability of any system which is to be uniform in its operations throughout the jurisdiction of the Grand Lodge of the United States,—believing that the several State Lodges are better enabled to devise and apply suitable remedies within their own limits; from having the most thorough knowledge, each, of the nature of its own necessities.

*Resolved*, That while entertaining these views, we would not at present propose or adopt any plan for a *general* system of education; still, this Grand Lodge pledges itself, to cordially co-operate in any enterprise which the wisdom of others may devise, and upon which the fraternity generally may unite, for the accomplishment or furtherance of the great objects contemplated in the address and resolutions submitted to us by the R. W. Grand Lodge of the United States.

*Resolved*, That the thanks of this Grand Lodge are due, and are hereby cordially presented to James L. Ridgley, R. W. Grand Corresponding and Recording Secretary of the R. W. Grand Lodge of the United States, for his earnest, zealous and able efforts to arouse the attention of the Order to the important subject of education, assuring our esteemed brother, that whether the truly magnificent enterprise he has so ably projected, be successfully consummated in his day, or not, his labors and efforts in the good cause will remain to the latest generation of Odd Fellowship, a monument to the zeal, devotion, and talent, which he has so faithfully consecrated to the good of our beloved institution.

*Resolved*, That copies of the proceedings, report and resolutions be transmitted to the R. W. Grand Lodge of the United States, and to R. W. Grand Secretary, James L. Ridgley.

The following report from the M. W. GRAND MASTER, was read :

*Right Worthy Grand Officers and Representatives :*

The return of another semi-annual session, and the assembling of the Representatives, makes it necessary for the Grand Master to communicate to them information of what, in his official character, he has performed, since the last session of this Grand Lodge.

In making this semi-annual Report, it affords me great pleasure, in being able to congratulate you, that under the dispensation of an All Wise and gracious Providence, our beloved institution has been permitted to continue in its usefulness. Not only within the limits of our own State, but from almost every quarter, the most cheering intelligence has been received, of the high estimation in which our order is held by our fellow citizens, and increasing prosperity still appears to crown every effort made in our noble cause.

It will be remembered by the Representatives, that at the last session, a charter was granted to five brothers for a Lodge to be located in the town of Bristol, County of Hartford, to be known and hailed by the name and title of Pequabock Lodge, No. 48.

A few days after the adjournment, I received a letter from the petitioning brothers, setting forth that they were in readiness to be instituted, and were desirous of commencing their "work" immediately. Accordingly, on Monday, the third day of August, assisted by Past Grands Law, Bryan and Clark, of Nosahogan Lodge, No. 21, W. A. Judd of Howard Lodge, No. 29. L. H. Clark and Richard Spencer of Union Lodge, No. 30, A. Terry of No. 40, and a large number of officers and members of the afore-said Lodges, whose aid upon the occasion was most efficient, I instituted Pequabock Lodge, No. 48, in accordance with the rules and usages of the order. Upon this occasion, twelve highly respectable candidates were initiated into our mysteries; upon whom at the next meeting, I had the pleasure of conferring the five subordinant Degrees. The officers elected were Alphonso Barnes, N. G., E. L. Dunbar, V. G., A. T. Robinson, Sec., and Leverett G. Case, Treasurer; who were installed into their respective chairs, in ample form. Although I have twice written to the N. G. of this Lodge, for a report regarding its progress, that I might state the same to this Grand Lodge, yet I have received no answer, but from information furnished me by a visiting brother, I have much pleasure in saying that I believe the interest of the order in that section to be in safe hands, and the members in every respect worthy of the high trust reposed in them.

It will also be remembered, that at the last session of this Grand Lodge, a Charter was granted for a Lodge to be located at the village of Rock-

ville, in the town of Vernon, County of Tolland, to be known and hailed as Siloam Lodge, No 49, and therefore immediately after the adjournment, I forwarded to R. W. Deputy Grand Master Willey, a Dispensation empowering him, as Special Deputy, to open and constitute said Lodge deliver to them their Charter, Charge and Degree Books, install their officers, and confer their Degrees. This duty the Deputy Grand Master informs me he performed on the fourth day of October, with the aid and assistance of Past Grand Marshall J. W. Johnson, of No. 40; D. D. Grand Master Moulton, of No. 25; and several other Past Grand's and members of Nathan Hale, Farmers & Mechanics, Oakland and Hyperion Lodges. I have the pleasure to inform you, that this new Lodge bids fair to become a flourishing and efficient branch of the order.

On the 21st day of August, I received a petition in due form from Donald J. Warner, Jonathan T. Norton, William E. Moore, Samuel W. Elliott and George E. Benedict, residents of the town of Salisbury, County of Litchfield, for a Lodge to be located at that place. Accompanying this petition were sundry resolutions, *unanimously* passed at regular meetings of Union Lodge, at Winsted, and Columbian Lodge, at Litchfield, fully approving of the granting of the Dispensation, and recommending the petitioners as worthy brothers. After having duly considered the application myself, and referred the subject to the Executive Council, I decided to grant the request of the petitioners, and issue a Dispensation subject to your approval, and on Wednesday the 22nd day of September, I proceeded to the town of Salisbury, where with the assistance of Past Grand Spencer of Union Lodge No. 30, and other officers and members of Union and Columbian Lodge, I instituted Toccunnuc Lodge, No. 50, installed its officers and delivered all the books and papers necessary to its complete organization; on this interesting occasion, sixteen gentlemen were impressively initiated, upon eleven of whom I conferred the five degrees that evening. The officers chosen are as follows: Donald J. Warner N. G., W. W. Moore, V. G., William Elliott, R. Secretary, Jonathan T. Norton, Treasurer, and George W. Benedict Permanent Secretary.

On the 28th day of September, I received a petition, signed by A. P. P. Camp, Merrit Treat, Burritt Tuttle, H. B. Richards, A. G. Bradford and Edward J. Porter, asking for a Dispensation to open and constitute a Lodge in the village of Wolcottville, town of Torrington, County of Litchfield, to be known and called by the name of *Naw Kaw* Lodge, No. 51. As the petition was in due form and accompanied by the charter fee, and as the petitioners were strongly recommended by the officers and members of Columbian Lodge, No. 35 at, Litchfield, as among the most worthy, estimable and influential person in the community, the executive council concurred

with me in the opinion that a Dispensation, subject to your approval, ought to be issued. Consequently on the 24th day of September, I repaired to the village of Wolcottville, for the purpose of instituting their Lodge. I found the brothers had hired an elegant Hall, which they had fitted up in a style of unsurpassed neatness and beauty, and although much larger than most of our country Lodge Rooms, I was delighted to see it filled to excess, with members from neighboring and distant Lodges, who had assembled to witness the interesting ceremony of Institution, and assisting the officers at their first initiation.

A. P. P. Camp, was chosen N. G., H. B. Richards, V. G., A. G. Bradford, Secretary, Burritt Tuttle, Treasurer, and Merritt Treat, Perm. Secretary. The officers elect, then requested the elective and appointed officers of Columbian Lodge, at Litchfield who were *all* present, to take the respective chairs of Nau Kaw Lodge, and preside during the ceremony of initiation, which was accordingly done; twelve gentlemen being received into membership—upon whom, that evening, assisted by D. D. Grand Master's Cowdry and Chapin, P. G.'s Law, Mills and Clark, and N. G.'s Bacon, of No. 35, and Judson, of No. 44, I had the pleasure of conferring the five Degrees.

This Lodge, I have the pleasure to inform you is now in successful operation, notwithstanding the strenuous efforts to the contrary of *those* from whom, as professed followers of him who went about doing good, and who as *teachers* of the Holy Religion of the Gospel, we ought to expect better things.

I respectfully recommend that charters be granted to the above named Lodges, in place of the Dispensations they now hold, fully satisfied, that so long as the keeping of the order is intrusted to such hands, it will "pass under no evil imputation nor suffer reproach."

On the 4th day of August, accompanied by Grand Marshall E. T. Farnam, and P. G. Munson, A. Shepard, of No. 29, I made an official visit to Samaritan Lodge, at Danbury. This Lodge I found in successful operation; good feeling and harmony exists among the brotherhood, and although the accession of member is not large, yet the members are resolved, that they will have none but of the right character.

On the 28th day of August, accompanied by P. G. A. C. Shepard, of Howard Lodge, No. 29, as Grand Marshall, *pro. tem.* I made an official visit to Olive Branch Lodge, No. 31, at Redding. We were very kindly received by the brothers, and happy to find, that although this Lodge, yet in its infancy, is located in a section where strong prejudice exists against secret societies, it is in a highly prosperous condition. While the worthy members of this Lodge have been grievously assailed by the enemies of

Odd Fellowship, and efforts made to involve them in controversy, and defeat their usefulness, *they* have moved on quietly, doing their duty, with the "Olive Branch" of peace in their hands, relieving the wants and sufferings of the distressed around them, regardless of the noise and contentions of those without.

On the 23d day of September I made an official visit to Columbian Lodge, No. 35, at Litchfield. I found this flourishing subordinate enjoying a season of great prosperity, which may be chiefly attributed to its great care in the selection of proper officers, and the strict punctuality of members in attendance upon the regular, special, and *degree meetings* of the Lodge. Each member seemed determined to make his Lodge a "light in the world," and consequently all took a deep interest in whatever subject was brought before it; and I should act unjustly did I not express my entire satisfaction, and return my sincere thanks for the workmanlike manner in which the various duties were performed by the very efficient officers of No. 35. Francis Bacon, Esq., is the N. G. of this Lodge, and his services in the cause of Odd Fellowship cannot be too highly appreciated. At this time I conferred the Past Official Degrees appertaining to the office of Secretary, Vice Grand and Noble Grand, upon brother Lemuel O. Meafoy, and that of Past Secretary upon brother Philip Wells.

On the 30th day of September, I made an official visit to Howard Lodge, No. 29, at Bethel. This Lodge was instituted in March, 1846, and now numbers nearly seventy members. It is in possession of a new hall, tastefully decorated, and its members the most respectable and influential in the village. Although additions to its ranks have been few for the past six months, yet it is in a safe and healthy condition.

My engagements have been such as to prevent my doing that which I fondly anticipated when I entered upon the duties of Grand Master, namely, to visit all the subordinate Lodges under this jurisdiction, in order to give them instruction in the unwritten work of the Order. This instruction, Representatives, I consider invaluable; and as the Grand Lodge of the U. S., at its last convocation, adopted a resolution recommending the different State Grand Lodges to appoint one or more competent persons, whose duty it should be to visit the subordinates under their jurisdiction, to impart such information, I would respectfully ask of you to consider this subject, and, if you deem it advisable, clothe some competent person with power and authority to perform this important work; then the great irregularity which now exists in the work of many of our subordinates would be removed, and uniformity and sameness be insured throughout the entire jurisdiction of the Grand Lodge of the U. S.

There are also other subjects acted upon at the last session of the Grand

Lodge of the United States, which may require some action from this Right Worthy Body.

During the recess of the Grand Lodge I have been frequently called upon to give my opinion upon various laws of the Order, and to define the meaning of parts of our constitution, laws, &c.; various appeals have also been made to me from the decisions of Lodges, and District Deputy Grand Masters. In every instance I have been particularly careful to give my opinion in accordance with what I conceived to be the true meaning and spirit of our laws. It is possible, however, that in some instances I may have erred in my decisions, for the numerous communications I have frequently received at one time, and all calling for immediate answers, rendered it impossible, sometimes, for me to give to all the different subjects that careful examination which their importance required.

The Digest of Laws, as prepared by the Committee, and adopted by the Grand Lodge of the United States, will prove of invaluable service to subordinate Lodges, as it will enable them to decide at once upon almost every question that may come before them, without the necessity and trouble of appealing to the Grand Master. I sincerely hope that not only subordinates will possess copies of this work, but that the Digest may find its way into the hands of every member of the Order, and receive from them careful perusal which its merits so justly entitle it to. Then it cannot fail of enlightening minds upon laws and questions which have heretofore been a dead letter.

On the 10th day of August I received a communication from Ousatonic Lodge, No. 6, at Derby, asking my official opinion upon the correctness of a decision recently given by D. D. G. Master Sydney Alling, the circumstances of which were as follows:—A candidate for membership was balloted for and rejected, and a committee appointed to notify him of the result, and return his proposition fee. At the next meeting a new ballot was called for, which call the N. G. decided to be out of order. The D. D. G. Master being appealed to, decided as follows, "That as every petition for membership must be accompanied by the proposition fee, no petition can be legally and properly before the Lodge for action in the absence of such proposition fee, and as the candidate in question has been duly notified of his rejection, and his proposition fee returned, he cannot receive any other ballot: if a second ballot had been desired, notice to that effect should have been given on the night the candidate was rejected; but now his rejection has been consummated by the return of the proposition fee." To which I replied in substance, as follows: "That as Article II. Section 2, of the Constitution for subordinates provides, that 'every candidate shall be entitled to three separate ballots,' &c., 'all of which shall

X

be taken within six weeks,' &c., Ousatonic Lodge had no power to prevent the candidate in question from receiving three ballots, as guaranteed to him by the Constitution, provided any member demanded them during the time specified by the Constitution. The absence of the proposition fee in such case, I did not conceive operated against the candidate."

On the day of I received a communication from Samaritan Lodge, at Danbury, in which the following case was set forth and my opinion asked upon the decision of D. D. Grand Master W. W. Bedient. A candidate was balloted for and declared by the N. G., rejected. The same evening the case was again called up, and proof presented, that one of the members who voted, did so illegally, not being clad in his proper regalia. There being but three *black* balls in the ballot box, and the presumption being that the brother in question cast one of them, a *second* ballot was called for, which call was decided out of order by the N. G., who declared the candidate duly elected. The D. D. Grand Master, being applied to, decided that the proper course to have pursued, was for the N. G. to order another ballot. In this opinion I acquiesced fully, especially after having heard the entire particulars of the case.

With these, I understand, there will also be presented to you other appeals from my decisions, and of their correctness or incorrectness I must cheerfully leave with the wisdom of this Grand Lodge to decide.

Among the unfinished business of last session laid over until this, is the question of the expediency of granting a charter to Orion Lodge, at Winsted. The whole facts in relation to the case will at this time be submitted to you. The brothers of Orion Lodge will present to you, as they have privately to me, strong reasons why they *should* receive from the hands of this Right Worthy Body, a charter in lieu of the dispensation under which they now work, while on the other hand, the worthy members of Union Lodge will present claims why the charter should *not* be granted, and will attempt to show you that two Lodges in so small a village as Winsted, cannot be sustained. It will be for you to hear the testimony of both parties, and decide as in your judgment the interests of the order demands.

A very important proposition was submitted at the annual session in July last, and upon which you will at this time be called to act; I refer to the amendment of the Constitution, proposing annual sessions alone, and the abolishing of the semi-annual sessions. The Grand Secretary informs me that very few Lodges have responded to the call, requesting them to take into consideration the proposed amendment, and forward to the Grand Lodge their views of this important measure. From what I have learned, however, from subordinates, I believe the feeling to be generally in favor of

the proposed amendment becoming a law. This subject may very properly occupy a high place in your deliberation.

The proposed amendment to the 5th Sec. of Article IV. of the Constitution, will also demand your consideration, and I cannot but express the hope, that if the amendment as proposed at the last session should *not* meet your views, you will without delay devise some means and enact a law whereby the duties of the Grievance Committee may be performed by a less number than the present Constitution requires.

The committee raised at the last session on blank form for Charters, will be ready, I am informed, to submit to you their report.

*Representatives*.—At the last session, through your kindness and partiality, I was elevated to the high and responsible office of Grand Master. Since I have been a member of this Right Worthy Body, you have repeatedly honored me with distinguished offices, and for the many manifestations of personal regard to me, I now entertain, and shall ever cherish sentiments of the most profound gratitude; I entered upon the duties incumbent upon me, at the close of the last session with many mis-givings; but I was resolved to do my utmost in furtherance of the great cause of human benefaction, and I hoped, that although I might not advance the interests of the order to any great extent, I should at least do nothing to retard its progress.

Circumstances beyond my power to control, have rendered it necessary for me to leave, for a time, the State of Connecticut, and while I would cheerfully retain the office, and gladly perform its various duties, as far as is in my power, yet I feel that as the temporary absence of the Grand Master must effect the prosperity of the Subordinates under his charge, it would not be advisable for me to retain any longer the trust reposed in me six short months since.

I therefore, Representatives, most respectfully surrender my appointment, and ask that my successor be forthwith elected.

JOHN GREENWOOD, JR.,

The Committee on Grievance presented the following report :

To the R. W. Grand Lodge, I. O. O. F., of Connecticut :

The Committee on Grievance, to whom was referred the appeal of brother Johnson Hayes from the decision of Pequannock Lodge, No. 4, refusing to grant him a benefit, have had the case under consideration, and are of opinion that brother Hayes was entitled to the benefit he applied for ; the Committee submit the following resolution :

Resolved, That Pequannock Lodge, No. 4, be directed to pay brother Johnson Hayes thirteen week benefits, and that the Grand Secretary forward an attested copy of this resolution to said Lodge.

By order of the Committee.

E. G. STORER, *Chairman.*

X The report was accepted, and the resolution passed. The decision of the Grand Lodge involves this principle: when it is claimed that a brother was unwell or afflicted with any disease at the time he joined the Order, this cannot be made an

excuse to refuse him benefits, but the remedy must be by preferring charges against the brother for deception or fraud in obtaining admission to his Lodge.

The following amendment proposed at last session, was called up and passed :

Resolved, That Article II., Section 2, of the Constitution of the Grand Lodge, be amended by striking out, in the first line, "in the month of June," and insert "prior to the second Wednesday in July."

Resolution that the Grand Secretary be authorized to procure two hundred copies of the Digest of the Laws and Usages of the Order, adopted by the Grand Lodge of the United States ; and that the same shall be furnished to Lodges in this State, at 37½ cents a piece. Passed.

The Committee on Grievance offered the following report, which was accepted :

To the R. W. Grand Lodge, I. O. O. F., of Connecticut :

The Committee on Grievance, to whom was referred the petition of Joseph P. Jeffery, to be reinstated in Nosahogan Lodge, No. 21, respectfully recommend that the petition be continued to the Annual Session of the Grand Lodge, to be held in July next.

By order of the Committee,

E. G. STORER, *Chairman*.

Resolution inquiring into the expediency of preventing the multiplication of Subordinate Lodges in limited Districts. Referred to Committee on the State of the Order.

Adjourned to 9 o'clock to-morrow morning.

THURSDAY MORNING, 9 o'clock.

Grand Lodge came to order.

Representative Boardman of No. 2, presented the following resolution, which, after some debate, was passed :

Resolved, That no subordinate Lodge, under the jurisdiction

X of this Grand Lodge, shall hereafter refuse benefits to its members, alledging as a reason therefor, that brothers were not in sound health when they joined the Order, unless fraud or deceit is charged and proved in procuring admission into the Order.

The Committee on so much of the Report of the Grand Master as relates to his resignation, make the following Report :

To the R. W. Grand Lodge, I. O. O. F., of Connecticut :

The Committee to whom was referred so much of the Report of the M. W. Grand Master as relates to the resignation of that officer, respectfully

REPORT :

That they have given to the matter referred to them all the attention that its important nature seems to require, and on such consideration unanimously recommend that the resignation be not accepted.

The services of our R. W. Grand Master in the cause of our beloved Order cannot be too highly appreciated by each friend of its interests, and it would be a matter of unfeigned regret, that we should at this time be deprived of those services except for the most imperative reasons. The only cause suggested by the Grand Master for his resignation arises from the fact, that he is at present residing *temporarily* in the City of New York. The probable length of that absence is not stated—it may be for a short period only, and from the phraseology of the Report, such would seem to be its true import. He is at all events quite as accessible at the place of his present domicil as in that of his former residence, and should his presence be at any time required in this State, we cannot doubt his readiness at once to comply with any request of that import.

For these reasons, and deeply sensible of the great loss that our Order would sustain in being deprived of the services of an officer so important, and whose zeal in our cause and efficiency in the discharge of his duties has contributed so extensively to its present high degree of prosperity, we respectfully recommend the passage of the accompanying resolution.

All of which is respectfully submitted.

A. S. WIGHTMAN, }
THOS. C. HOLLIS, } Committee.

Resolved, That the resignation by our Most Worthy Grand Master of the office he now holds, be not accepted by this Grand Lodge.

Report accepted, and resolution passed unanimously.

To the R. W. Grand Lodge, I. O. O. F., of Connecticut :

The Committee on the State of the Order, to whom was referred a resolution on the subject "*of the multiplication of Subordinate Lodges in limited districts,*" respectfully

REPORT :

That they have considered the subject, and in view of the difficulties which have arisen by chartering new Lodges in small towns where Lodges had already been established, they recommend the adoption of the following resolution.

L. A. THOMAS,
LLOYD E. BALDWIN, } Committee.
THOS. C. HOLLIS,

Resolved, That hereafter a second Lodge shall not be established in any town containing less than six hundred voters, without the consent of the Lodge already established.

Resolution amended so as to read eight hundred, and as amended passed. Report accepted.

Resolution against publishing the cause of expulsion. Indefinitely postponed.

The Committee to whom was referred the appeal of brother Silas Frink from the decision of Washington Lodge refusing him a benefit, made the following report :

To the R. W. Grand Lodge, I. O. O. F., of Connecticut :

The Committee on Grievance, to whom was re-committed the appeal of brother Frink of Washington Lodge, No. 16, for the facts in the case would respectfully refer the Grand Lodge to the statement made under oath by brothers Bennett and Otis, which is herewith submitted.

In behalf of the Committee,

E. G. STORER, *Chairman.*

On motion the whole matter was referred back to Washington Lodge.

The case brought up by this appeal involved the same principle as that of brother Johnson Hayes from Pequannock Lodge.

The Committee to whom was referred the petition of the V. G. of Arcanum Lodge, made the following report :

To the R. W. Grand Lodge, I. O. O. F., of Connecticut :

The Committee of the State of the Order, to whom was referred the ap-

plication of D. D. Grand Master Geo. S. Sanford for a working book, in place of one destroyed by fire, respectfully

REPORT:

That they have inquired into the circumstances of the loss and find that the V. G. of Arcanum Lodge, No. 41, having just been installed, took home with him the book as he was entitled to, for the purpose of committing to memory that portion of the work appertaining to his office ; he secured it properly from observation, and it was destroyed without any fault or carelessness on his part. They, therefore, recommend the adoption of the following resolution.

M. A. SHEPARD,
L. A. THOMAS,
LLOYD E. BALDWIN, } Committee.

Resolved, That D. D. Grand Master Sanford be supplied with a working book for the use of Arcanum Lodge, No 41, in place of the one destroyed.

Report accepted, and resolution passed.

Resolution that Subordinate Lodges be permitted to exercise their discretion when notifying the Lodges (in the jurisdiction of this Grand Lodge) of the expulsion and suspension of members, whether they will state in such notification the crime or fault for which such members were expelled or suspended. Laid on the table.

The Committee on New Lodges made the following report, which was accepted, and resolution passed.

To the R. W. Grand Lodge, I. O. O. F., of Connecticut :

The Committee on New Lodges respectfully

REPORT :

That they have before them the petition of B. Phelps and others, of Broadbrook, town of East Windsor, for a charter for a subordinate Lodge to be located in that village. and would recommend the adoption of the following resolution.

All of which is respectfully submitted.

HENRY L. MILLER,
O. UTLEY,
S. SHEFFIELD, } Committee.

Resolved, That a charter for a Subordinate Lodge be and is hereby granted to B. Phelps and others, residents of Broadbrook, town of East Windsor, to be located in that village, to be known and called by the style and title of Protection Lodge, No. —.

Same committee made the following report :

To the R. W. Grand Lodge, I. O. O. F., of Connecticut :

The Committee on new Lodges respectfully

REPORT :

That they have considered the petition of Pine Meadow Lodge which was continued from the last session, asking that the town of Suffield be united with the town of Windsor as one District; and also the remonstrance of Thompsonville Lodge against the same, and would state, that in their opinion it is not expedient to take any action on the subject, as the Representative of Pine Meadow Lodge believes that that Lodge would not *now* desire it. They, therefore, recommend that the petition and remonstrance be placed on file, and the Committee be discharged from the further consideration of the subject.

All of which is respectfully submitted.

H. L. MILLER,
O. UTLEY,
S. SHEFFIELD, } *Committee.*

Report accepted.

Motion to reconsider the vote granting a charter to Orion Lodge, rejected.

The Committee to whom was referred so much of the report of the Grand Master as relates to Ousatonic Lodge, made the following report :

To the R. W. Grand Lodge, I. O. O. F., of Connecticut :

The undersigned Committee, to whom was referred so much of the M. W. Grand Master's address as relates to a decision in the case of Ousatonic Lodge, No. 6, respectfully

REPORT :

That upon inquiry they find it is the usual custom in Ousatonic Lodge to return the proposition fee to the candidate, upon his rejection by the first ballot; that in the particular case referred to, the proposer of the candidate was not present when the ballot was taken, but upon the rejection of the proposition, the usual course was taken; and that the proposer tacitly consented to it afterwards: They are therefore of opinion, that the decision of D. D. Grand Master Sidney Alling was correct. They at the same time consider the action of Ousatonic Lodge in returning the fee and declaring the candidate rejected after *one ballot only*, irregular, and in order to pre-

vent the recurrence of such questions hereafter, recommend the adoption of the following resolution.

All of which is respectfully submitted.

FRED. CROSWELL, }
FRANCIS BACON, } Committee.
GEORGE C. OWEN, }

X *Resolved*, That no candidate for initiation shall be declared rejected until after three ballots shall have been taken, or until the expiration of the term provided by the constitution, unless by the request or with the consent of the proposer.

Report accepted, and resolution passed.

The Committee on the State of the Order made the following report :

To the R. W. Grand Lodge, I. O. O. F., of Connecticut :

The Committee on the State of the Order, to whom was referred the By-Laws of various subordinate Lodges, respectfully

REPORT :

That the short period allowed them during the session of the Grand Lodge is insufficient to enable the Committee to examine them with the care which the subject demands, and more especially as they need comparison as well with the Digest as by the laws and decisions of this Grand Body. They therefore ask to be allowed to examine them during the recess of the Grand Lodge, and report at the next session.

M. A. SHEPARD, }
L. A. THOMAS, } Committee.
GEO. S. SANFORD, }

Resolved, That the Committee on the State of the Order be allowed to examine the by-laws of subordinates during the recess of the Grand Lodge, and report at the next session.

Resolved, That each subordinate Lodge be directed to send to the Grand Secretary a copy of their by-laws, with all amendments up to the present time, together with a copy of their seal.

Report accepted, and resolution passed.

Resolution authorizing the committee appointed for that purpose to cause a suitable plate for charters for Subordinate Lodges to be procured for this Grand Lodge.

The following amendment proposed at last session, was called up and passed :

Resolved, That the By-Laws of the Grand Lodge be amended, by striking out Sections 18 and 22, and inserting—

18. The Funeral Badge, to be worn by members of this Order, at the funeral of brothers of the Order in this State, shall be that prescribed by the Grand Lodge of the United States, viz. : "A black crape rosette, having a centre of the color of the highest degree to which the bearer may have attained, to be worn on the left breast ; above it, a sprig of evergreen, and below it, (if the wearer be an Elective or Past Officer,) the jewel or jewels which, as such, he may be entitled to wear. The *Mourning Badge* to be worn by brothers in memory of a deceased brother, shall be a strip of black crape, passed through one button hole only of the left lappel of the coat, and tied with a narrow ribbon, of the color of the highest degree to which the wearer may have attained."

Representative Heitman offered the following resolution, which was passed :

Resolved, That it is not the intention of this Grand Lodge that *pro. tem.* officers should be paid for traveling expenses.

Representative Miller offered the following resolution :

WHEREAS, The Grand Lodge of the United States have recommended that each State Grand Lodge appoint a suitable agent to visit the Subordinate Lodges in their respective jurisdictions, and instruct members in the work of the Order.

And *Whereas*, The Most Worthy Grand Master is absent from the State, and expects to remain absent for some months, therefore be it

Resolved, That the R. W. D. Grand Master J. M. Willey be, and he is hereby, authorized to visit the Subordinate Lodges in this State, and instruct them in the work of the Order, at his discretion, and to exercise a general supervision of the interests of the Order in the absence of the M. W. Grand Master.

Resolution, that when a Past Grand is clothed in a scarlet

X

member's regalia, he is not improperly clothed, and that the N. G. cannot prevent his speaking or voting in a Subordinate Lodge. Indefinitely postponed.

No further business being introduced, the Grand Chaplain addressed the Throne of Grace, and the Grand Lodge closed its semi-annual session in due form.

SEC. 1. The Right Worthy Grand Lodge shall be known by the name, style, and title, of "THE GRAND LODGE OF THE INDEPENDENT ORDER OF ODD FELLOWS OF THE STATE OF CONNECTICUT," and shall be composed only of the officers formally installed, and the Past Grands of Lodges, regularly chosen Representatives and duly admitted, as required by this Constitution.

###### *Powers.*

The Most Worthy Grand Master made the following report :

Right Worthy Grand Officers and Representatives :

Under the protection of a benignant Providence, we are again permitted to convene in Semi-Annual Session, under happy and auspicious circumstances, to legislate for our beloved Fraternity, and to devise measures for its extension and perpetuity.

Ancient usage demands that in fulfilment of the duties of my office, I should here submit to you a summary of my official acts during the recess of the Grand Lodge.

By an amendment of the Constitution of the Grand Lodge passed at our last session, it became my duty to appoint in each town where one or more Lodges existed, a District Deputy Grand Master, whose duty it should be to supervise the interests of the order within his District, install officers, confer degrees, and in cases of doubt determine the construction of the Constitution, laws, and usages. In conformity with this requirement, I forwarded Warrants as soon as practicable after the close of the session, to the following Past Grands, (to wit :)

They have, so far as I am informed, executed the trust committed to them with faithfulness and impartiality, and their official decisions have for the most part been cheerfully complied with by the subordinates under their charge. To the intelligence and ability of these officers, I ascribe very much of the harmony that has prevailed throughout our jurisdiction during the past term.

On the 28th day of July I instituted Bacon Lodge, No. 57, in the Borough of Colchester, presented the Charter granted at our last session, together with the charges and books necessary to its complete organization, and installed into their respective chairs, the following officers; viz: Samuel N. Kellogg, N. G., Thomas Spencer, V. G., Augustus W. Lord, Secretary, and John Holt, Treasurer. On this occasion sixteen highly respectable citizens of Colchester were initiated into Bacon Lodge, upon whom I conferred the five degrees. In these services I was assisted by R. W. Deputy Grand Master Wightman, W. G. Marshall Baldwin, W. G. Conductor Smith, P. G. M. Devotion, D. D. G. M.'s Roath, Harris and Fitch, and fifty Past Grand's, and other members of Marion, Washington, Uncas, Thames, Trumbull, Middlesex, Stonington, and Oweneco Lodges. From the character of the gentlemen admitted to a knowledge of our mysteries on that occasion, it may be confidently anticipated, that Bacon Lodge will take high rank among the Lodges within our jurisdiction.

On the 1st day of August accompanied by P. G. Marshall Johnson, and P. G. Conductor Eldridge, I made an official visit to Lafayette Lodge, Bloomfield. I there found twenty-five brothers of the order, with a respectable fund, prudent, zealous, and deeply imbued with the spirit of Odd Fellowship.

On the day following I proceeded to Unionville in the town of Farmington, where I instituted Unity Lodge, No. 56, presented the Charter granted at the last session, with all necessary books, and installed their first officers. Nine citizens of Farmington were on this occasion received into our order by initiation, upon whom I afterwards conferred the five degrees. I was assisted at this time by P. G. Marshall Johnson, P. G.'s Pratt and Hatfield, of No. 2, Case of No. 47, Barnes of No. 48, and more than forty brothers from neighboring lodges. The first officers of Unity Lodge, are Daniel A. Tuttle, N. G., Henry Tolles, V. G., Riley H. Fuller, Secretary, Phineas B. Goodwin, Treasurer. From the interest manifested by the members of this new Lodge, we may hope that it will ere long become an efficient branch of our Order.

On the 14th day of August, attended by the Grand Marshal, I made an official visit to Washington Lodge, in the Borough of Willimantic. I there found one hundred and four members, with a commodious Hall, newly furnished in a tasteful manner, and witnessed the ceremony of initiation

performed to my entire satisfaction. This Lodge has a fund of four hundred and seventeen dollars, well invested, and is in a thriving condition. I conferred at that time the past official degree pertaining to the office of V. G., upon P. G. William L. King.

On the 22d of the same month, I executed a certificate for brother Joseph Carroll, of Oakland Lodge, No. 25, who had been recently afflicted in a most distressing manner, commending him to the fraternal sympathy and assistance of the brothers throughout the State.

On the 5th day of September, assisted by R. W. Grand Warden Sanford, P. G. Booth, of No. 4, and thirty five Past Grand's, and other members of Pequannock, Our Brothers, and Arcanum Lodges, I instituted Southport Lodge, No. 58, in the Borough of Southport, town of Fairfield. After the presentation of the Charter, with all necessary instruction, I installed the following officers, viz: Henry Sturges, N. G., Francis Jelliff, V. G., William Sherwood, Secretary, Charles W. Sherman, Treasurer. On this occasion seven persons were admitted to our Order by initiation, whose standing in that community must command for this new Lodge character and respect.

On the 7th of the same month I proceeded in company with R. W. Grand Warden Sanford and Past Grand Booth of No. 4, to Falls Village in the town of Canaan, where I instituted Vulcan Lodge, No. 60. After presenting their Charter and investing them with all needful instruction, I installed into their chairs the following officers,—William E. Moore, N. G., Sherman Jaqua, V. G., William H. Crossman, Recording Secretary, Charles H. Babcock, Treasurer, Henry Hervey, Permanent Secretary. Eight persons were on this occasion initiated, upon whom, with the assistance of the R. W. Grand Warden, I conferred the five degrees; a number of brothers were present at these services from Lodges in the vicinity. On the following day I conferred upon brother William E. Moore, a Past Secretary, and Past V. G. of Tocconnuc Lodge, the degrees pertaining to those offices.

On the 13th of the same month, by invitation of Nosahogan Lodge, No. 21, I officiated at the dedication of their Hall. In this interesting ceremony, I was gratified with the assistance of Past Grands, Hawkins, Donnally and Wallace, of No. 6, Treat of No. 28, Seymour of No. 35, Chapin of No. 44, Barnes of No. 48, and Camp of No. 51. This Hall is ample in its dimensions, furnished with richness and elegance, and in the tasteful beauty of its decorations, it has few equals.

On the 16th of the same month, I issued a special dispensation to R. W. Grand Warden Sanford, clothing him with full authority to institute Evergreen Lodge, No. 59, in the town of Brookfield, and present the Charter granted at our last session. By the returns of that officer, I learned that the Lodge was instituted on the 21st day of September. The Grand Warden was aided in this ceremony by about forty brothers from Danbury, Bethel and Bridgeport. Thirteen candidates were initiated, who also received the five degrees. The Grand Warden closes his official returns in the following words; "It affords me much pleasure to inform you that the zeal manifested by the petitioners, the kindly feeling entertained by the citizens towards the institution, and the high respectability of all concerned, bespeak for this Lodge the most happy results."

All the new Lodges before mentioned, were informed that their first term would close with the last meeting in December.

On the 20th day of September, I made an official visit to Naw Kaw

Lodge, Wolcottville. I there found forty-four brothers deeply interested in Odd Fellowship, who by a careful performance of the duties enjoined upon them, have commended our institution to the community in which they dwell, and have secured for it popular approval. It was my privilege to unite with this Lodge in the appropriate exercises of their first anniversary, and to address a crowded congregation upon the objects and utility of our institution. On the same day, I conferred the Past Official Degrees pertaining to the offices of Secretary, V. G. and N. G., upon Past Grand's Camp and Richards, those of Secretary and V. G. upon brother A. G. Bradford, and that of Secretary, upon Past Secretary Brady, all of Naw Kaw Lodge.

On the 5th day of October, I made an official visit to Fenwick Lodge, No. 20.

On the 14th of the same month, I received a petition from brothers John H. Welch, Benjamin G. Loomis, William S. Nash, Henry Smith and Ruel Rice, all residing in New Hartford, in Litchfield County, praying for a dispensation for a Lodge in said town. All the preliminary requisites having been complied with, and recommendations forwarded me from the two Lodges nearest the seat of the contemplated Lodge, and the District Deputy Grand Master of the District of Winchester, having recommended the applicants as every way worthy and capable of assuming the charge of a new Lodge, I submitted the matter to the Executive Council for their advice, and upon their favorable decision, I issued a dispensation subject to your approval, and on the 27th of October instituted the Lodge in ample form, under the style and title of Excelesior Lodge, No. 61, and installed its officers. After this ceremony, eight respectable citizens of that town, were received into the order by initiation, upon three of whom I conferred the five Degrees. The first officers of this new colony of brothers, are William S. Nash, N. G., Benjamin G. Loomis, V. G., John H. Welch, Secretary, Daniel S. Bird, Treasurer. The first term of this Lodge was directed to extend to the last meeting in June next. I would respectfully recommend that their dispensation be confirmed by a Charter.

On the 25th day of October, I was present and participated in the exercises of the anniversary of the institution of Ousatonic Lodge, No. 6, for which occasion I granted the use of the Grand Lodge Banner; and in the evening of that day, I officially visited the Lodge. I was here most cordially greeted by the members of this old and flourishing subordinate, who by their firm and steady adherence to the principles of our brotherhood, have commended our order to the community in the midst of which it flourishes so well, and by their dignified yet conciliating course have compelled our opposers to acknowledge the beauty and reality of our professions. At this time I conferred all the Past Official Degrees upon brothers Bradley, Lindley, and A. Hawkins, Past Grands of No. 6. On the following day I gave my consent to the issuing of a circular to each of the Lodges within this State, soliciting funds for the use of Past Grand Sire Thomas Wildey; I did this at the *implied* direction of the Grand Lodge of the United States, and not from any convictions of my own, either of its propriety or expediency.

On the 4th of December, I made a grand visitation to Quinpiac and Montawese Lodges, in this city. The character of both these Lodges is too well known, to need any remark from me; both are eminently prosperous and successful. On this occasion, I was gratified with the compa-

ny of Past Grand Masters Bradley and Demick, Grand Secretary Heitmann, and Grand Representative Thomas.

On the day following, I had the pleasure of uniting with the brothers of Pequabock Lodge, No. 48, in their first anniversary.

On the evening of that day, I made an official visit to Phenix Lodge, No. 52, at New Britain; I found this Lodge in a flourishing condition, and witnessed the ceremony of initiation with much satisfaction. The kind attentions which I received on this day from P. G. Landers, and other members of both these Lodges, will long be held in grateful remembrance.

On the 26th of the same month, I received a petition from five brothers, residing in Plainville, in the town of Farmington, for a Dispensation for a Lodge in that village.

On the 9th day of January, I received a petition from six brothers residing in Guilford, for a Lodge to be located in that town: and on the same day I received a petition, from six brothers residing in Ansonia, in the town of Derby, praying for a Dispensation for a Lodge in that place.

These petitions with the accompanying documents, are herewith submitted to you for action.

I have thus, as briefly a practicable, laid before you, an account of my official acts, during the past term. Some very important measures, important as affecting the vital interests of our fraternity, are to come before you at this session, for which I bespeak your patient and candid deliberation. The special Committee, appointed at our last session, to take into consideration, the subject of the benefits and expenses of Subordinate Lodges, have devoted much time to gathering and examining statistics, and are prepared to submit to you an able report; I commend it to your attention, being fully convinced that unless measures are adopted for the protection of the funds of our Lodges, the solemn pledges which we have given to "relieve the distressed, bury the dead, and educate the orphan," must soon go unredeemed.

Other Committees are, I am informed, prepared with reports, the result of great labor, which will also, I trust, receive the attention they merit.

At the last session of the Grand Lodge of the United States, a Committee was appointed to prepare and report at the next annual session of that Body, a form of Constitution, which should be binding on all Grand Lodges.

The imposition of a Constitution upon any Grand Body, by the Grand Lodge of the United States, seems to me an unwarrantable assumption of authority virtually annulling the power granted a State Grand Lodge by the Grand Lodge of the United States, to frame and adopt its own laws, and productive of much inconvenience and injustice.

If such should be your opinion, I would recommend that this Grand Lodge protest against any such interference in legislation, which should be peculiarly our own, the benefits of which *could not* be so great, as the injustice which must inevitably result.

I would call your attention to the fact, that when Past Grands, change their membership from one Lodge to another, there is no means by which the fact may become known to the Grand Secretary, unless by very minute investigation of the reports—and those reports, are as a general thing, very imperfect. I would suggest that it be made the duty of the Secretary of each Lodge to report to the Grand Secretary the names of all the Past Grands belonging to his Lodge and of all the changes made during each term.

It has for some time, seemed to me, that the seal of our Grand Lodge, was peculiarly inexpressive, and illy adapted to the use for which it is design-

ed. If Representatives present should be of similar opinion, I would suggest that a Committee be raised to procure a new seal, and one which shall be a better indication of the meaning, and objects of this Right Worthy Body.

In some of the Lodges which I have visited, I have noticed with much satisfaction, that no books are used by officers in the delivery of their respective charges: the increased effect proved by this change, induces me to advise the same course among all the subordinates throughout our jurisdiction.

My brothers, I dismiss you to your work, with the earnest hope, that He to whom "all hearts are open, all desires known, and from whom no secrets are hid," will so direct your hearts, and strengthen your hands, that by the labors of the present session, our beloved Fraternity may enlarge and extend to the glory of God, and the benefit of man.

#### REPORT:

*To the R. W. Grand Lodge, I. O. O. F. of Connecticut.*

The undersigned, Grand Representatives from this Grand body to the Right Worthy Grand Lodge of the United States, having attended the annual communication of that body, in September last, herewith submit their report, with an abstract of such proceedings as are important to be known in this jurisdiction.

With great deference to the Grand Lodge of the United States, and respect for its officers and members, yet your Representatives look with anxiety and distrust upon the growing disposition evinced, to claim for itself a despotic and unlimited power over those Grand bodies, whom its own laws have declared to be "the supreme legislative heads of the order within their respective jurisdictions."

The Grand Sire having recommended in his annual report that the State Grand bodies be prohibited from amending the Constitutions now existing, and that new Constitutions be framed and imposed upon them for their future government, the claim was freely put forth in debate by Past Grand Sires, and other prominent members, that no power or right had been delegated to State Grand bodies by their charters, which might not at any time be annulled or resumed by the Grand Lodge of the United States.

Resolutions offered at a previous session, simply setting forth the claim that Subordinate Lodges and State Grand Lodges *do* possess certain rights, of which they cannot lawfully be divested—and that a limit *does* exist to the power of the Grand Lodge of the United States, came up for consideration, and after debate upon the principle involved, were rejected; and thus the claims set forth by the Grand Sire were sustained. Accordingly, the measures recommended, of restricting Grand bodies from altering their Constitutions, and appointing a Committee to draft a Constitution to be imposed on State jurisdictions prevailed, and resolutions were adopted to carry them into effect. These were succeeded by two resolutions,—one upon the instruction of Grand Representatives, declaring that the Grand Lodge of the United States "*deems the doctrine of instruction in matters of interest to the entire Order throughout this jurisdiction as highly inexpedient,*" and the other,—striking out the requirement, "*that they shall faithfully represent the interests and wishes of their Grand body,*" which exists in the Constitutions of nearly all our Grand bodies: and the reason set forth is, "that it is not competent for any Grand Lodge or Grand Encampment to restrict the rights, conferred by the laws and usages of the Order upon the members of the Lodge." [Grand Lodge of the United States.]

Should these measures be ultimately carried out, a Constitution changing our laws and usages be forced upon us, and we prevented from instructing our Representatives, thus excluding the freedom of speech from the national councils—the last vestige of the right of self-government in Odd-Fellowship, the pride of all other institutions under which we live, will have passed away.

But the claim of unlimited power by the Grand Lodge of the United States is of very recent date, as is apparent from the following facts:—

The Constitution adopted by the Grand Lodge of Maryland and the Uni-

ted States, in 1821, claimed no jurisdiction except in the provisions of its written Constitution, which related entirely to its own government, and all amendments were required to be sent to the State Grand Lodges before they could be passed. (ART. 3.)

The Constitution adopted by the Grand Lodge of the United States, on its separation from the Grand Lodge of Maryland, in 1824, contains the same requirement, and makes no claim of jurisdiction. (ART. 3.) And after its adoption it was "*ORDERED, that a copy be forwarded within one month to each of the Grand Lodges for concurrence.*"

In 1828 the Grand Lodge of the United States revised its Constitution, and it was "*referred for consideration to the several Grand Lodges,*" before its adoption in 1829. No claim of jurisdiction over State Grand Lodges, appears there, and the last article requires all amendments to it to be sent to the Grand Lodges before their adoption.

It was not till a centralizing influence began to be felt, in 1833, that the words "*original and exclusive jurisdiction,*" were inserted, and the concurrence of State Grand Lodge in its constitutional amendments were left out; and at the same time a perpetual seat was granted to Past Grand Sires.

But even at that time the idea was never entertained that the Grand Lodge of the United States possessed any right to interfere in the legislation of State jurisdictions, or to revise their Constitutions or laws, for in 1834, on the presentation of the Constitution of the Grand Lodge of Ohio, the Grand Lodge of the United States questioned the style then in common use (O. of I. O. F.) whereupon the Grand Representative from that State, James L. Ridgley entered his "*protest against the right of the Grand Lodge of the United States, to interfere with the Constitution of the Grand Lodge of Ohio.*" And at the next session, the Grand Lodge of Ohio reiterated the protest by resolutions, which were received and entered on the Journal, and the Grand Lodge of the United States tacitly acquiesced in its correctness by taking no action thereon.

In 1840 the Grand Lodge of Ohio, in an official communication, protesting against the action of the Grand Lodge of the United States in granting certain dispensations within her jurisdiction, put forth the following claim. "*The Charter of this Grand Lodge delegates all power in the government of members in this State to this Grand Lodge,*" and accompanied it with the following pertinent question: "*Has the Grand Lodge of the United States the supreme dispensing power over the State Grand Lodges?*" These points were referred to a Committee, and subsequently to the Grand Sire, neither of whom appear to have been willing to deny the one, or answer the other affirmatively, and thus the matter was left.

From 1834 to 1842, a period of eight years, no Constitution of a State Grand body was presented, nor is the subject referred to. And when in the year last named the Constitution of the Grand Lodge of South Carolina was presented, it was simply ordered "*to be deposited in the office of the Grand Secretary,*" without any reference or examination. Nor was it until 1844, just twenty years after the organization of the Grand Lodge of the United States, that it presumed to call in question the Constitutional enactment of any State Grand body; while within the last four years, the progress of absolutism has been so rapid, that if we admit the claims now put forth, there will not be left a shadow of the rights of the State jurisdictions.

The officers of the Grand Lodge of the United States, with the Past Grand Sires, and that portion of the Order resident near the seat of govern-

ment, having a mutual interest in controlling its offices, honours and emoluments, have grown into a central power, to whom all must succumb who look forward to eminence or influence;—a power growing stronger and stronger so long as it is unresisted; and unless the State bodies rise up and assert their rights, and restrict the power of the central government, our organization must fail, from the monstrous absurdity of endeavouring to perpetuate a despotism in a free State, with a thousand free institutions around it.

Your Representatives believe that the feature of the Grand Lodge of the United States which confers upon Past Grand Sires a perpetual seat and vote in that body, irresponsible to any constituency, is liable to many objections. It renders representation unequal; giving to those States in which Past Grand Sires reside, a great preponderance in the supreme councils of the Order. Nor is this all; to secure so unjust an advantage, the election of a head of the Order, is at least liable to be decided by sectional interests, irrespective of higher and more liberal considerations.

Your Representatives believe that the organization of the different branches of our Order has an analogy in the State and General Governments under which we live. They believe that the powers of the Grand Lodge of the United States are but the conceded powers of the State bodies,—that those powers should be expressly defined by written law—and that all attempts to go beyond its letter should be strenuously resisted.

Your Representatives believe that this Grand Lodge ought, in justice to itself and its constituency, to enter its solemn protest, not only against the claim of the Grand Lodge of the United States to abrogate its Constitution and restrict its rightful legislation, on questions relating to its internal government, but also against allowing a privileged and irresponsible class to retain powers, which of right should belong alone to the Representatives of State jurisdictions.

Your Representatives recommend that this Grand Lodge give to the subject a serious consideration, and express such opinions thereon as will enable your Representatives to act in accordance with the will of this body.

After the trouble and expense which the Order at large had incurred in conforming to the law regulating the *funeral badge*, your Representatives were surprised to find that in the city of Baltimore, the metropolis of Odd Fellowship, the law was entirely disregarded; and that at funerals the brothers appeared in full dress regalia, and without the prescribed badge. It was claimed by the Representatives of Maryland, when the usage was questioned, that as the Order in that State, had so long been accustomed to appear in full regalia, their feelings ought to be considered, and that they should be exempted from the general law. For their accommodation, the following resolution was adopted: [p. 39,] “*Resolved*, That the regalia prescribed by the Order as Odd Fellows’ regalia, may be worn instead of, or in connection with the funeral regalia prescribed by the laws of the Grand Lodge of the United States, as the respective State Grand Lodges and Encampments may determine. Of course, therefore, the various portions of the Order may be considered at liberty to follow their own customs.

But it is on the condition of affairs in the State of New York, and the action of the Grand Lodge of the United States thereon, that your Representatives look with the most profound concern, as showing that a small but factious and unscrupulous minority may, by management, finesse and intrigue, defeat the will and set aside the doings of a large majority, however fair, and honest, and legal, may be their acts.

That portion of the Order in the State of New York, resident out of the city, had long suffered under the iron rule of a minority resident in the city of New York, who by means of the great number of Past Grands who could at any time be called together, were enabled to defeat any proposed measure to ameliorate the evils under which the rest of the Order were suffering. They protracted their sessions from week to week, thereby preventing the Representatives of Lodges remotely situated from participating in the legislation, and thus defrauding them of their just rights. After many fruitless attempts at reform, a revision of the Constitution was procured in legal form, and was only prevented from being adopted by the assumption, on the part of the Grand Master, of powers superior to the Grand Lodge, and sustaining himself therein by refusing to put to the Grand Lodge any appeal from his own decision.

These assumed powers by the Grand Master, were, upon appeal, set aside by the Grand Lodge of the United States, at its communication in September, 1847; and the Grand Lodge of New York was, by special resolution, authorized to take up, at the November Session of 1847, the Constitution which the unwarrantable assumption of power by the Grand Master had defeated, "*and act upon the same, with full power to adopt, or reject, or amend and adopt:*" and it was further declared that "*if at that time the proposed Constitution be adopted, it will become the law of the Order.*"

Accordingly, at the November Session, 1847, the said Constitution, with various amendments incorporated, was laid before the Grand Lodge of New York, in printed form, and copies furnished to all the members of the Grand Lodge: after a whole day's adjournment, to give all an opportunity of being conversant therewith, it came up for adoption; when, by a call of the previous question, the Constitution was adopted by the large vote of 202 to 77.

Various enactments were made by the Grand Lodge, for carrying the new code of laws into immediate effect, and the session closed with the full conviction that the whole matter was finally settled. On the first of December, 1847, nearly a month after the close of the session, during which time the Grand Lodge and the whole Order had been acting under the new Constitution, the Grand Master again assumed to place himself superior to the Grand Lodge, and issued a proclamation prohibiting the new Constitution from going into operation, and ordering the old to be substituted in its place, until such time as the Grand Lodge of the United States should approve of the new one. Notwithstanding, a special act of the Grand Lodge of the United States had declared that *if at that time the said Constitution should be adopted, it should become the law of the Order*, and notwithstanding also a general law upon the same subject, [Digest, p. 42,] providing that "in the interval between the adoption of the Constitution or amendment, and its confirmation by the Grand Lodge of the United States, it is binding on the body by which it is adopted."

This assumption of power, so manifestly calculated to defeat the will of the majority in the State, was entirely unheeded by all except those who were resolved to defeat reform in the State at all hazards.

The Grand Sire, under whose sanction the aforesaid proclamation had been issued, was now appealed to by the adherents of the new Constitution, to call a special session of the Grand Lodge of the United States. But claiming to be umpire in the matter, he declined this course and created a commission to assist him in his conclusions.

The right of any individual or body, except the Grand Lodge of the United States, to interfere in the affairs of their State jurisdiction having been denied by the adherents of the new Constitution, the commission proceeded to take the *ex parte* testimony laid before them by the Grand Master and his partizans, and reported thereon. But they arrived at a different conclusion from the one previously announced by the Grand Master and the Grand Sire, and set forth that the Constitution had *not* been adopted: and the reasons for that conclusion are most extraordinary. They claim that the Grand Lodge of New York was authorized to take up a special form of Constitution, and amend and adopt it. But that that Constitution when amended was not the identical Constitution they were authorized to amend and adopt, but a different one, because amended, and therefore not within the meaning of the law. And thereupon the Grand Sire decided that the new Constitution was not adopted, although he had once admitted the contrary. In this situation the subject came before the Grand Lodge of the United States, and was referred to a committee, who after occupying the whole week in its investigation, presented at the very close of the session, two reports, embodying different and adverse conclusions; the one, a majority report, concurring with the views of the commission, and the other, the minority, claiming that the adherents of the new Constitution were the legal and proper portion of the order. The Grand Lodge decided with the former, and the Grand Representatives representing the minority of the State were admitted to seats.

Your Representatives do not wish to charge any intentional wrong in any transaction before the Grand Lodge of the United States. But they do believe that the rights of the jurisdiction of New York have been violated, and that unless the decision be *reversed*, but little confidence can be placed on the wisdom or justice of the Grand Lodge of the United States. For if the solemn action of a State Grand Lodge can be set aside upon so frail a pretext, no permanency can be predicated on the action of any such body, and no certainty held out to Subordinates that they are bound to obey its mandates, since a faction can at any time frustrate the action of such Grand Lodge.

Your representatives believe that the Grand Sire transcended his powers, in attempting to revise the proceedings of the Grand Lodge of New York, and also in appointing a commission for that purpose. Nor do they believe that the Grand Lodge of the United States, had any power to interfere in the vote officially declared by the Grand Lodge of New York. They believe that the Grand Lodge of New York, were of right the sole judges of their rules of order. That the Grand Lodge of the United States having conceded to that body the right to take up and amend and adopt a form of Constitution had no further jurisdiction, and had no right to revise the rules and usages by which it was adopted. We commend the subject to your earnest consideration.

The Committee on Constitutions, amended the Constitution of this Grand Lodge, by inserting the word "*and*" between the words "*Lodge*" and "*regularly*," in Sec. 1, ART. I, which renders the sentence unintelligible; and the words, "*but Past Grand's in good standing, members of Subordinates of the [Grand] Lodge shall be entitled to attend the sessions, and vote for the election of officers,*" at the end of Sec. 1, ART. II; a privilege to which they were already entitled.

The following resolutions were also adopted.

*Resolved*, That it shall be the duty of the Scribe of each Encampment to furnish to the Secretary of each Subordinate Lodge a list of the members of said Lodge, who are also members of such Encampment, and that it shall be the duty of each Secretary to advise each Scribe, within a reasonable time of the granting of a withdrawal card to any member of his Lodge, who is also a member of such Encampment; and also of the suspension, expulsion, or reinstatement of any such member.

*Resolved*, That it is imperative upon all Grand and Subordinate Lodges and Encampments, to furnish the officers of their respective Lodges and Encampments with the Jewels appertaining to their rank and station, as laid down in the work of the order, on page 28 and 9, as it is for members thereof to be clothed in suitable regalia.

It was also decided that in the absence of the Grand Master, Deputy Grand Master and all Past Grands, a Noble Grand was competent to install his successor. Also, that a Card issued by the Grand Lodge of British North America is valid in the United States, and is to be treated in the same manner as those issued by the Grand Lodge of the United States.

Your Representatives avail themselves of the opportunity of expressing their sense of the courtesy and kindness received from the officers and members of the Grand Lodge, entertaining for them a high regard, however much they may differ from some of them in opinion.

The Select Committee, to whom was referred the report of the R. W. Grand Representatives, presented the following report :

To the R. W. Grand Lodge, I. O. O. F., of Connecticut.

The Committee to whom was referred the report of the R. W. Grand Representatives of the Grand Lodge of Connecticut, to the Grand Lodge of the United States, have had the subject under consideration, and beg leave to submit the following

REPORT :

That the matters brought to the attention of this Grand Lodge, by the report of our R. W. Grand Representatives, are in the opinion of your Committee of vital importance to the cause of Odd Fellowship, and upon their final adjustment the permanence and usefulness of our Order mainly depends. They may be briefly stated as follows :—

1. The right claimed by the Grand Lodge of the United States to alter and control the Constitutions of State Grand Lodges at pleasure.

2. The power now exercised by Past Grand Sires to sit as life members of the Grand Lodge of the United States, and to exercise all the rights and privileges of Representatives of State Grand Lodges, thereby creating a great irresponsible central influence, controlling the actions and funds of the Order throughout the United States.

3. The action of the Grand Lodge of the United States upon the Constitution adopted by the Grand Lodge of the State of New York, by which the will of a great majority of the Lodges of that State, legally expressed, was set aside, and an immaterial point made of more importance than the harmony and usefulness of the Order throughout that jurisdiction.

4. The denial by the Grand Lodge of the United States of the right of State Grand Lodges to instruct their Representatives in matters pertaining to the general interests of the Order.

Upon each of these subjects, in the opinion of your Committee, it is the duty of this Grand Lodge to express its opinion. Without entering into detail upon these points, (a mere statement of which, in the opinion of your Committee, precludes the necessity of argument,) they recommend that the report of your Grand Representatives be accepted, approved, and ordered to be entered at length on the Journal of this Grand Lodge, and that the following resolutions be adopted.

Resolved, That the right claimed by the Grand Lodge of the United States, to alter and control the Constitution of State Grand Lodges, at will, is an assumption of power which strikes at the very life of State Grand Lodges, making their existence useless, and their action futile, and would, if exercised, overthrow the Order in this State; and further that it is highly important that the distinct and separate powers of the Grand Lodge of

the United States and of State Grand Lodges, should be correctly defined and made a fundamental law of the Order, only to be changed by consent of a majority of the State Grand Lodges.

Resolved, That the power exercised by Past Grand Sires, in the Grand Lodge of the United States, has already been justly the cause of great complaint, and if the power is continued, the time is not far distant when their votes alone will be sufficient to control the action of the Order throughout the United States, and that it is due to the harmony and prosperity of Odd Fellowship, that the Constitution of the Grand Lodge of the United States should be so altered, as no longer to allow them a vote in that body.

Resolved, That the Constitution adopted by the Grand Lodge of the State of New York, at its November session in 1847, was duly and legally enacted under the authority of the Grand Lodge of the United States, and became the fundamental law of the Order in that State, and that the subsequent action of the Grand Lodge of the United States was in violation of the authority expressly delegated to that jurisdiction, and subversive of the best interests of the Order.

Resolved, That the denial by the Grand Lodge of the United States, of the right of State Grand Lodges to instruct their Representatives in matters pertaining to the general interests of the Order, is at variance with all our ideas of representation, and that with due deference to the opinion expressed by the Grand Lodge of the United States, we shall exercise that power, and hold our Representatives to a strict accountability.

The Select Committee on New Lodges, to whom was recommitted the application for a Charter for a Lodge to be established at Collinsville, respectfully

That it appears from information laid before the Committee, that the informality of the petition for a Lodge at Collinsville, arose from the applicants having been informed by brothers supposed to be competent to advise them, that a petition was the only necessary document to be sent to the Grand Lodge. The Committee, therefore, recommend that the petition be referred to the Grand Master, with power to issue a Charter when the proper documents are presented.

The reports of these officers exhibiting a prompt and faithful discharge of their duties, are herewith submitted.

On the same day, I visited the ancient town of Guilford, in company with Grand Secretary Heitmann, Grand Treasurer Bishop, Past Grands Wildman, S. B. Gorham, and Tolles, of New Haven, Camp of 51, Law of 21, Webb of 44, Dickinson, Hayden, and Stillman of 20, and assisted by them, I instituted "Menuncatuck Lodge, No. 62," presented their Charter, and installed their officers. After these services, fourteen citizens of Guilford were received into our fraternity by initiation. Much zeal was manifested on this occasion by the members of this new Lodge, and their success has been such that, I am informed, they now number forty-six members. The officers installed, were, Willard L. Sears, N. G., George W. Barrows, V. G., James Munroe, Secretary, and Samuel A. Wilcox, Treasurer.

On the day following, I repaired to Warehouse Point, where I officiated at the dedication of their new Hall,—a hall second to none in the State, in the propriety of its arrangement and the chasteness and beauty of its decorations. This beautiful Lodge room was fitted up entirely by subscription, the Lodge not allowing a dollar to be taken for this purpose from its treasury. This Lodge having been ever cautious in the admission of members, and prudent in the management of its funds, has been enabled fully to carry out the principles involved in our profession. Three Lodges have colonized from this since its institution, all of which are in a flourishing condition. I would not draw invidious distinctions between this and other lodges under our jurisdiction—but if I were asked to point to a model of a well regulated lodge, I know of none to which I should sooner advert than to "Farmers and Mechanics, No. 22." I was assisted in the dedication of their hall by a very large number of Past Grands from this jurisdiction and from Massachusetts.

On the twenty-ninth day of January, I received a petition from seven brothers of the Order residing in the town of Washington, in Litchfield county, praying for a Lodge to be located at New Preston, a village in that town. This petition being accompanied with the recommendation of Columbian Lodge, No. 35, and with cards of withdrawal of the petitioners,

and the charter fee, I immediately submitted it to the Executive Council, for their advice and action. The Council being unanimous in favor of granting the prayer of the petitioners, I issued a Dispensation, subject to your approval, and transmitted it to R. W. Grand Warden Sanford, clothing him also with full authority to institute said Lodge. The Grand Warden in his official return informs me, that he performed that office on the nineteenth day of March, and that the Lodge under the name of "Morning Star Lodge, No. 65," commenced its existence, with the following officers. Frederick Chittenden, N. G., Julius Cables, V. G., William H. Jenks, Secretary, and Elhanan Spooner, Treasurer. The Grand Warden informs me that three gentlemen were on that occasion initiated.

On the twelfth day of February, I received a petition with all the necessary accompaniments from eleven brothers residing in the town of Somers, in Tolland County, asking for a Lodge to be located in that town. Upon receiving from the Executive Council, an unanimous opinion in favor of the new Lodge, I issued a Dispensation, subject of course to your approval, and on the 14th day of March, with the aid of D. D. G. M. Walker of Thompsonville Lodge, I instituted "Totatuck Lodge, No. 66," and installed its first officers as follows, Calvin J. Thompson, N. G., John W. Little, V. G., Ansel Arnold, Secretary, Wm. G. Little, Treasurer. Six highly respectable citizens of Somers were initiated, and degrees conferred upon three members.

On the day following I visited Collinsville, a flourishing manufacturing village, in Hartford County, where I instituted "Eclectic Lodge, No. 64" I was assisted by P. G. Case of No. 47, and forty brothers from neighboring Lodges. It will be recollected that a petition for a Charter was preferred at our last session, by brothers residing in this place, but the documents being incomplete, power was vested in the Grand Master, to present them a Charter whenever the proper papers should be place in his hands. This requisition having been complied with, the Charter, and all necessary books and instructions, were presented at this time, and the following officers installed, L. T. Pierson, N. G., Nathan L. Polk, V. G., Lucius Carrier, Secretary. On this occasion seven gentlemen were initiated.

On the day following, I proceeded to Ansonia, in the town of Derby, and instituted "Naugatuck Lodge, No. 63," presented the Charter granted at your last session, and installed its officers. I was much gratified at receiving the aid of Past Grands Donnelly, Wallace, Hawkins, Bristol and Priestly, and twenty five members of Ousatonic Lodge. Two gentlemen were on this occasion initiated, and ten admitted by card. From the character of the brothers, who have colonized for the purpose of forming this new Lodge, we may reasonably expect that No. 63 will speedily assume rank and high respectability among the Lodges of our State. Their first officers are Robert R. Wood, N. G., Hiram Hubbard, V. G., John Lindley, Secretary, Wm. B. Bristol, Treasurer.

All the above named Lodges were instructed that their first term would close with the last meeting in June.

On the eighth day of June I received from the officers of Hancock Lodge, No. 28, intelligence of the loss by fire, of their lodge room, charter, books and furniture, and requesting any needful aid that I might be able to render, whereby they might resume work. After instituting proper inquiries respecting the matter, and being satisfied of the actual destruction of the charter and books of this Lodge, I issued a dispensation, and forwarded it to the

Secretary of Hancock Lodge, fully authorizing said Lodge to continue work until the next session of the Grand Lodge.

I would respectfully recommend, that the Dispensations granted during the recess, be ratified and confirmed by Charters.

On the fourteenth day of June, I received a petition in regular form, with all necessary accompanying documents, from five brothers residing in Madison, in this County, praying for a Lodge to be located in that place. From the standing of the petitioners, no doubt was entertained by myself, or the Executive Council, that a respectable Lodge could be sustained in that town, but as the session of your R. W. Body, was so near at hand, it was deemed advisable to refer their papers for direct action to the Grand Lodge. They are herewith submitted.

On the seventh of July, I received from P. G. Daniel Lovejoy, of Ridgefield, a remonstrance against the action of Pilgrim Lodge, No. 46, in elevating to the chair of N. G., an officer whom he considers ineligible.

I have this day received a similar document from Past Grand William McDowall, of Howard Lodge, No. 29, protesting against the election and installation of the N. G. of his Lodge. Both these documents are herewith submitted.

I deem it proper to call your attention at this time to the extraordinary powers, claimed by the Grand Lodge of the United States. Much difficulty has already arisen in the Order, and much more is to be anticipated, unless the relations which that Body holds to the State jurisdictions, are more explicitly defined. The history of the formation of the Grand Lodge, of the United States, as detailed in the journal of its proceedings clearly shows, that those who were instrumental in forming that compact, took for their guide the federal government of the United States; the Grand Lodges holding the same relations to the Grand Lodge of the United States, that the State governments hold to the federal. For many years the relations between them were regulated by the same general principle, the State jurisdictions enacting their own constitutions and laws, without any oversight or question from the Grand Lodge of the United States. Within two years, attempts have been made to interfere with the legislation of State jurisdictions, and at the last session of the Grand Lodge of the United States, a Committee was appointed to draft a Constitution for Grand Lodges and thus set aside all rights of self legislation. So monstrous an usurpation of power, is striking at the vitality of our institution. I think this R. W. Body, should express its views definitely upon the relative powers of State jurisdictions and the Grand Lodge of the United States, and should signify to that Body its determination not to submit to any such violation of its rights. I commend it to your attention.

In intimate connection with this subject, I would call your attention to a Circular received from New York, and which will be laid before you by the Grand Secretary, which deserves serious consideration. More than half the Order in that State, are now under a ban for no other reason than an adherence to the claim, that their own Grand Lodge is competent to enact a Constitution for its own government, without the interference of the Grand Lodge of the United States. The circumstances of the case are familiar to most of you, and the whole transaction is calculated to warn us that we cannot too speedily assert our rights or too firmly maintain them. It becomes our duty, in my opinion, to espouse the cause of our oppressed brothers in New York, and aid them so far as lies in our power. I think

our Representatives should be instructed to bring these subjects before the Grand Lodge of the United States, and to carry out the views of this Grand Lodge, upon the questions involved.

My brothers—Since the Order in Connecticut has been placed under my care, I have officiated at the institution of thirteen new Lodges, and at the dedication of two new Halls. I have made ten official visits and upon eight occasions, have delivered public addresses upon the character and principles of our Order. In addition to this I have written six hundred and sixteen letters and other communications connected with Odd-Fellowship.

In now surrendering to you the honors, with which your kind partiality has for so long a time invested me; I wish not to conceal the fact that I am proud of the respect, with which you have so often honored me. To be esteemed worthy of this seat, by so large and respectable a body as here assemble, is a mark of regard to which I am not insensible, and it has been a matter of congratulation to me, that I have been enabled to co-operate, though to a less extent than my inclination has dictated, in those plans for the social benefit of our fellow men, which our institution is intended to accomplish. To this institution, I pledge my future energies. May it extend and prosper till necessity shall have no want to relieve, and sorrow no tear to dry. To this end, give it your zealous and active co-operation. Move on in the majesty of your strength, and the beauty of your character; regardless alike of the sneers of the ignorant and the cavils of the bigoted. Be ye the first to obey the call to the bed of sickness, and the last to desert the house of sorrow and of mourning. So will you best enforce the principles of our institution, and conscience, ever faithful to her trust, will ensure you a "recompence" that shall be *indeed* a "reward." And when the indiscriminate leveller of all earthly things shall have consigned you to your final home, your names shall be indelibly written on the tablet of many a widows heart, and the brightest jewels in your memory shall be the tears of gratitude that sparkle in the orphans eye.

JUNIUS MARSHALL WILLEY.

The resolution as amended, was then adopted.

On motion, voted that the report of the Committee be accepted, and that the Seal submitted, be adopted as the Seal of this Grand Lodge.

The following description accompanying the Seal was ordered to be spread on the records.

"The Seal proposed for the Grand Lodge of Connecticut, is designed to involve a combination of our State heraldry with easily recognized insignia of our order, and thus to point out the name and locality of our institution. Instead of the three sticks which grace the emblazonry of the State shield, the generous vine has been twined around the three pillars of Odd Fellowship, F. L. T., F. H. C. The motto "*Qui translulit sustinet*" (i. e. "He who transplanted will sustain") we fondly hope may be as fully realized to our order as it has been to our Commonwealth. This idea is strengthened by placing above the *Eye* that watches over all. The three "*five pointed open stars*" encircled with rays, are the three original lodges from which light has gone forth."

The Finance Committee reported the account of the Grand Treasurer correct, and that it be accepted ; carried.

On motion the Grand Lodge adjourned to half past 8 o'clock to-morrow morning.

The Special Committee made the following report, which was on motion accepted, and the accompanying resolutions adopted.

*To the R. W. Grand Lodge I. O. O. F., of Connecticut :*

The Committee to whom was referred so much of the M. W. Grand Masters report as relates to the action of the Grand Sire and the R. W. Grand Lodge of the United States, in relation to the R. W. Grand Lodge of the State of New York, also sundry documents from the Grand Lodge of the State of New York, beg leave to

#### REPORT :

That having carefully considered the subject and examined the documents submitted to them, they find only additional reasons for adhering to the opinions expressed in the resolutions adopted by this Grand Lodge at its last session. Those resolutions contain all that the committee deem it expedient to say at present, except perhaps, in one particular. The doctrine now boldly advanced in certain quarters, that the Grand Sire is during the recess of the Grand Lodge of the United States, autocrat of the Order,—that in other words he is vested with supreme legislative, executive and

judicial power, is in the opinion of your committee most pernicious. The mere statement of a claim so anti-republican and monstrous would seem to be enough to cause its immediate condemnation; and your committee confidently hope that the Grand Lodge of the United States, will repudiate this claim, which, if in any way admitted, will as your committee believe, destroy the usefulness and endanger the existence of our beloved order.

The committee recommend the passage of the accompanying resolutions.

LUCIUS G. PECK, *Chairman.*

*Resolved*, That the Grand Lodge of Connecticut reiterate and reaffirm the resolutions relative to the difficulties existing between the Grand Lodge of the United States, and the Grand Lodge of the State of New York, passed by this Grand Lodge at its session in January last; that the R. W. Grand Representatives of this Grand Lodge be and they hereby are instructed to bring these questions before the R. W. Grand Lodge of the United States, at its next session; and that they be and hereby are instructed, then and at all times in the Grand Lodge of the United States, to introduce, advocate and vote for such resolutions and laws as will restrict the authority of the Grand Sire, till the same shall correspond with our republican institutions—abolish the power of the P. G. Sires to vote in the Grand Lodge of the U. S., and tend to recognize the legal powers and action of the R. W. Grand Lodge of New York, working under the Constitution adopted by that body at its November session in 1847.

*Resolved*, That the memorial of the R. W. Grand Lodge of the State of New York be appended to and published with the proceedings of this Grand Lodge.

The following documents was submitted, by Representative Hibbard, and read.

*To the R. W. Grand Lodge, I. O. O. F., of Connecticut :*

The subscribers, members of this Grand Lodge, having learned that sundry brothers of Siloam Lodge, No. 49, have manifested not only a desire, but a determination to move said Siloam Lodge, from the Hall where it was instituted and now holds its sessions, to a new Hall nearly completed, the location of which, together with the different kinds of business to be carried on in said building, also the construction of the ground and public roads running past said Hall, renders said Hall unsafe to initiate citizens into the mysteries of Odd Fellowship. Taking the above facts into consideration, we respectfully call for the decision of this Right Worthy Grand Body.

*Moved*, That the above matter be referred to a Special Committee of three members, who shall examine the matter and decide, and said decision shall be the decision of this Grand Lodge.

On motion, the subject was indefinitely postponed.

On motion voted, that five dollars be appropriated for the services of an assistant Secretary, at each regular session of this Grand Lodge.

On motion voted, that the resolution instructing the Grand Treasurer to deposit the funds of this Grand Lodge in the Savings Bank, be and the same is hereby rescinded.

No further business offering, the Grand Lodge was closed in ample form.

INDEPENDENT ORDER OF ODD FELLOWS.

*Office of the Grand Secretary of the Grand Lodge of the
State of New York, City of New York.*

June 25th, 1849.

DEAR SIR AND BROTHER :

By direction of the Standing Committee of the R. W. Grand Lodge of New York, it is my duty to transmit the following to the R. W. Grand Lodge of the United States, and each State Grand Lodge and Encampment.

Fraternally yours,

WILLIAM H. H. PRALL,

Grand Secretary.

OFFICERS AND BRETHREN :

Your attention for a season is respectfully asked in behalf of your brethren of the Order in the State of New York, adhering to the Grand Lodge working under the Constitution, adopted in November, 1847.

The rights and privileges of that Grand Lodge have been assailed in a manner which, if submitted to by the Order at large, will destroy the freedom and independence of State Grand bodies, and impair the usefulness and perpetuity of Odd Fellowship.

We regard our Order in this country as an institution of the present, not of the past. Its earliest existence, and its continued history, can be traced by its recorded journals. Its charges, regulations and lectures, as well as its Constitutions and Laws, owe their origin to American, and not foreign legislation. It is entirely separated from the English Orders, and we cannot, and should not, refer to them for any illustration of our principles.

As an American institution, its principles of government should be founded upon, and expounded, by those principles which belong to a free republican country. Those principles are, that all governments exist by the consent of, and for the benefit of the governed, who, by their responsible rep-

representatives, legislate for the good of the whole, under restrictions contained in written Constitutions and Laws.

Our Constitution and Laws, therefore, contain the provisions and limitations by which the many confer upon the few, who are the agents and servants of the whole, those powers of legislation which, in so large and widely extended an Order, cannot be exercised by all. They are the grants of power; and whatever is not so granted must be considered as withheld by, and belonging to the whole. Any exercise of power not specifically granted by our Constitutions and Laws, and not necessarily belonging to specially delegated powers, is usurpation. If without special authority one power in our Order is usurped by our agents and servants, the whole may be so usurped; and then Odd Fellowship, instead of being an institution moving in harmony with the genius of a free government, will be one of despotism, commanding us as members to obey that which as citizens we abhor, and would resist.

The Order in New York has suffered from this usurpation, as the following facts will prove:

1st. In August, 1846, at the Annual Session of our Grand Lodge, which was attended by Representatives from all parts of the State, the old Constitution was considered so defective, that by a vote of 129 to 13, a Convention was called to revise and submit a new Constitution for adoption.

2d. After the Constitution had been thus revised and submitted, and before its final approval by the Lodges, in December, 1846, at an adjourned quarterly session, when but few were present, except from the city of New York, the action of the Annual Session was illegally rescinded and the session closed.

3d. At the first meeting of the next quarterly session, held in February, 1847, a motion was regularly made and seconded to reconsider the action in December. This motion the Grand Master declared out of order. An appeal was taken from the decision, which he refused to entertain. A motion to declare the December proceedings null and void shared the same fate. A motion to rescind the proceedings in December shared the same fate.

4th. The majority who attended the February Session, 1847, being prevented by the Grand Master from exercising their rights of legislation, appealed to the Grand Lodge of the U. S., with the consent of our State Grand Lodge, and the G. L. of the U. S., in September, 1847, set aside the decisions of the Grand Master, as well as the action of December, 1846, and referred the form of Constitution reported by the Convention, to the G. L. of N. Y., with a direction to take up the same at the November Session, 1847, and act upon the same, with full power to adopt or reject, or amend and adopt the same, as if regularly and formally before us for final action, pursuant to the old Constitution.

5th. At said November Session, 1847, the Grand Lodge of New York did take up the said form of Constitution and act upon the same, and by a vote of 202 ayes to 77 noes, amended and adopted the same, and declared that it should be in full force and effect from and after the close of that session, and that the Constitution previously in force should be annulled, and of no further force and effect; and this was so stated from the Chair by the G. M. himself. The session closed 6th November, 1847.

6th. No appeal was taken from the action of our Grand Lodge, to the G. L. of the U. S., nor was its consent to any such appeal asked. The mandate of our Grand Lodge went forth, requiring all of its Lodges and members to observe and support the New Constitution so adopted.

7th. On the 1st of December, 1847, the Grand Master of our Grand Lodge issued a Proclamation which attempted to set aside the action of the Grand Lodge of November, by declaring that the Old Constitution was then, and would remain in full force, until the G. L. of the U. S., approved of the New Constitution. An issue was thus presented to the Lodges and members in this State, whether they should obey the Grand Lodge or the Grand Master; and more than two-thirds of the Lodges promptly decided to obey the Grand Lodge, and disregard the Proclamation as a nullity, being founded on usurpation, neither the Old or New Constitution giving him the power by proclamation to nullify the legislation of the body which elected him.

8th. To prevent discord and confusion, a large number of Lodges applied to the Grand Sire to call a Special Session of the G. L. of the U. S., to settle the difficulties likely to follow from the Proclamation. Instead of convening the Constitutional body, created by the State Grand Lodges and Encampments, he convened a Board of Commissioners, created by himself, and sent them to New York to sit in judgment upon our Grand Lodge. No warrant being found in the Constitution for such a body, the majority of the Order would not be represented before it, nor consent to abide by its decisions. It proceeded *ex-parte*, and decided that the New Constitution had not been legally adopted; thus exercising an appellate power, which even the G. L. of the U. S. could not exercise, without the consent of our State Grand Lodge.

9th. Before the decision of the Commission had been made, a small body of P. G's., with the Grand Master held meetings in the city of New York, under the old annulled Constitution, and had commenced the work of suspending and expelling Lodges and members, and of giving notice thereof to other jurisdictions; and also chartering Lodges in a manner not warranted by the New Constitution.

10th. At the Session of the G. L. of the U. S., in 1848, two sets of Representatives presented credentials from the State of New York, one appointed in pursuance of the New, and the other in pursuance of the Old Constitution. That body, instead of being governed by the minutes of our Grand Lodge, assumed the power, without any appeal being before it, of investigating into the regularity of our proceedings, by evidence offered for the purpose of invalidating our minutes—a course of action without a parallel in the history of that body. On the last day, and almost the last hour of that Session, a majority of that body admitted the Representatives appointed under the Old Constitution, and resolved to recognize the body which appointed them as the only rightful Grand Lodge; thus, in effect, without a Constitutional appeal, and without any warrant contained in the Constitution, disfranchising more than two-thirds of the Lodges in this State.

11th. In this condition were we placed at the close of the last Session of the G. L. of the U. S.; more than one hundred Lodges declared expelled or suspended, and more than fifty declared spurious, for acting in obedience to the authority of the rightful Grand Lodge of this State and the mandates of the G. L. U. S. of 1847;—and this declaration obtained by the exercise of usurped powers by the Grand Master of this State, the Grand Sire in the recess of the G. L. of the U. S., and finally by the Grand Lodge of the U. S.

12th. A respectable minority of the G. L. of the U. S., believing the decision of that body wrong and unconstitutional, have tendered us their sympathy and support. Sustained thereby, we have continued our organ-

ization, and carry on the benevolent work of our Order. There are now upwards of two hundred and fifty Lodges working harmoniously under our jurisdiction. This large number are considered out of the pale of the Order by the officers of the G. L. of the U. S. ; and yet our only fault has been a determined opposition to usurped powers, and an unwavering adherence to the written Constitution and Laws of the Order.

If the efforts which have been made to crush the majority of the Order in this State, should ultimately prove successful, then will encouragement be given elsewhere to minorities to bring discord and confusion upon their jurisdictions, by invoking the aid of proclamations of Grand Masters and Grand Sires, and Grand Commissioners, to destroy the legislation of legally constituted Grand Lodges. We therefore feel called upon, as well out of regard to correct principles of government in our Order, as in reference to the peculiar situation in which we find ourselves placed, to invoke the attention of the Order, in other jurisdictions, to our condition, with a view that such instructions may be given to their Grand Representatives to the next Session of the Grand Lodge of the United States, as will place us, who have committed no offence, in union and correspondence with the whole Order in the United States.

Respectfully submitted, in F. L. and T.

DANIEL P. BARNARD, M. W. GRAND MASTER.

JETUR GARDINER, R. W. DEPUTY GRAND MASTER.

ANDREW SAUL, R. W. GRAND WARDEN.

WILLIAM H. H. PRALL, R. W. GRAND SECRETARY.

THEODORE A. WARD, R. W. GRAND TREASURER.

Committee on the State of the Order.—Thomas, of No. 1 ; Seymour, of No. 2 ; Ball, of No. 7 ; Webb, of No. 67 ; Mills, Jr., of No. 14.

The M. W. Grand Master made the following report :

Right Worthy Grand Officers and Representatives :

In accordance with established custom, the Grand Master should, at this time, lay before you a summary of his official acts.

In presenting this report, I embrace the opportunity to congratulate you upon the continued prosperity and harmony with which our Order has been blessed, throughout this jurisdiction.

I avail myself also of the opportunity to testify my grateful acknowledgments to the District Deputy Grand Masters, who, by the faithful and impartial discharge of their duties, have rendered essential service.

At the last Session of this Right Worthy Body, a Charter was granted for a Lodge, to be located in the town of Madison, New Haven County, to be known and hailed as Friendship Lodge, No. 67.

I therefore, immediately after the adjournment, issued a dispensation to Past Grand Master Prelate Demick, empowering him to open and constitute said Lodge, and present the Charter, with all necessary books and instructions. By returns received from this distinguished brother, I learn, that with the assistance of Past Grand Master Croswell, Grand Treasurer Bishop, Grand Representative Sanford, Past Grands Merwin, Gorham and Woodruff, and a respectable delegation of brothers from Guilford, he instituted said Lodge, in regular form, on the 12th day of July, at which time ten highly respectable citizens were received by initiation. The Officers elected and installed, were Charles Smith, N. G. ; William H. Cadwell, V.

G.; Edward C. Hill, Secretary; William B. Hunter, Treasurer. Past Grand Master Demick informs me that this new Lodge is made up of most worthy and excellent citizens, and bids fair to be the instrument of much good in the community where it is located.

A Charter was also granted for a Lodge to be located in the town of Meriden, New Haven County, to be known as Meriden Centre Lodge, No. 68. With the aid of Past Grand Master Croswell, Grand Treasurer Bishop, Grand Warden Utley, Grand Representative Sanford, and a number of Past Grands and brothers from Middletown and Meriden, I instituted this Lodge on the 27th day of July. After the presentation of the Charter, with all needful books and instructions, I installed the Officers as follows, viz:—John Parker, N. G.; Charles Pomeroy, V. G.; Charles Parker, Secretary; Horace Redfield, Treasurer. Thirty-six brothers were admitted by card. This Lodge commences under flattering circumstances, and will, I doubt not, become a flourishing and useful branch of our Order.

On the 5th day of September, I received from Right Worthy Grand Representative, William T. Minor, a resignation of his office. In conformity with the requirements of the Constitution, I immediately communicated this information to the Executive Council; at the same time calling upon them to meet me at the Grand Lodge Room, in the city of New Haven, on the 10th inst., at 2 o'clock, P. M., for the appointment of a substitute. In compliance with said call, the Council assembled, when the appointment was tendered to several of our most distinguished brothers, who declined. Past Grand Samuel Lockwood, Jr., of Rippowam Lodge, No. 24, accepted, and was immediately furnished with the necessary credentials. It being of the utmost importance that our Representatives should be at their posts at the opening of the Session, he was so instructed, and proceeded without delay to the discharge of the duties of his office.

On the 12th day of September, assisted by Grand Secretary Heitmann, and Past Grand Representative Abel, I officiated in the ceremony of dedicating the new and splendid Hall, recently finished by Hancock Lodge, No. 28, in the town of Meriden. The zeal and perseverance of the members of this Lodge are worthy of much commendation; and their new Hall, erected to supply the place of one lately destroyed by fire, reflects great credit upon their taste and fidelity to the principles of the Order.

On the 21st day of September, I officiated at the dedication of a new and beautiful Hall, erected by Evergreen Lodge, No. 59, at Brookfield; upon which occasion I was gratified with the assistance of Past Grand Master Willey, Past Grands Wilson and Cornwall, of No. 4, Past Grands Huribut and Dibble, of No. 7, and Past Grand Farnham, of No. 20. I also had the pleasure of participating in the exercises of their first Anniversary, and listening to a most able exposition of the principles and objects of Odd Fellowship, by Past Grand Master Willey. Upon this occasion I granted the use of the Grand Lodge Banner.

On the 11th day of October, I received a petition, accompanied by the Charter fee and withdrawal cards, from seven brothers residing in the town of Westport, Fairfield County, praying for a Lodge to be located in that place, to be hailed and known as Saugatuck Lodge, No. 69; the applicants were favorably recommended by the two nearest, viz:—Our Brothers and Southport Lodges. I submitted the petition to the Executive Council, and, upon their favorable decision, issued a dispensation, subject to your approv-

al, and on the 1st day of November, assisted by Past Grands Booth and Kelsey, of No. 4, and a large number of Past Grands and brothers, from adjoining Lodges, instituted the Lodge and installed the following Officers, viz:—Street H. Keeler, N. G.; James Smibert, V. G.; William Ogden, Secretary; William Wood, Treasurer; and initiated one applicant; one brother was also admitted by card. From the high respectability of the petitioners, I feel confident that success will attend their efforts. The first term of this Lodge was directed to extend to the first meeting in July next.

On the 24th day of October, I made an official visit to Wopowage Lodge, No. 14, in the town of Milford, and gave such instructions as were required. I found this Lodge in a highly prosperous condition, the brothers maintaining a strict adherence to the essential principles of Odd Fellowship.

On the 23d day of November, I made an official visit to Union Lodge, No. 30, in the town of Winsted. This Lodge I found in a flourishing condition, with about seventy members, evincing a determination to promote, by every means in their power, the best interests of the Order. I there witnessed the ceremony of initiation performed in a most beautiful and impressive manner.

On the 30th day of November, I received a petition from Thames Lodge, No. 9, praying that the resolution passed by the Grand Lodge at its last session, in the case of the appeal of brother Charles G. Avery, from the action of Thames Lodge, be suspended until the next session of this Right Worthy Body; that Thames Lodge might be afforded an opportunity which they were unavoidably deprived of, in the investigation of said case, to appear and show cause why said resolution should not be sustained. The brothers of Thames Lodge, feeling much aggrieved by the decision of the Grand Lodge, in said case, and presenting strong and satisfactory reasons for requesting a hearing, I issued notice to said Lodge, and also to brother Avery, that the resolution passed by the Grand Lodge, at its last Session, in relation to said appeal, (page 506, printed proceedings,) was suspended until the January Session of said Grand Lodge, in order that a new hearing might be obtained. The petition and accompanying documents are herewith submitted.

In compliance with the resolution passed at the last Session of this Grand Lodge, the Grand Secretary and Grand Treasurer have, each respectively, to the acceptance of the Grand Master, executed bonds to the Grand Lodge, with two sureties, in the sum of one thousand dollars; conditioned, that they severally, faithfully account for, and pay over all monies entrusted in their hands by virtue of their Offices.

By an Act passed at the last Session of the Grand Lodge of the United States, the payment of Representatives to that body is hereafter to be made from its Treasury; the funds for the same to be raised by assessment upon each State Grand Lodge, pro rata, to the number of members reported. I would therefore suggest that each Lodge, within this jurisdiction, should immediately notify its members who may be in arrears, and that all brothers who neglect the payment of their dues, be, within a reasonable time, suspended, that said assessment may be made only upon the actual number of paying members.

The payment of the first assessment, under this Act, will be called for early in May next. I would respectfully recommend that a proper Officer,

with the advice of the Executive Council, be authorized to draw from the Treasury the amount required to meet the demand.

The accounts of our late Grand Secretary still remaining unsettled, I would recommend that a Committee be appointed to adjust the matter.

I have this day received from Past Grand Hyde, of Mystic Lodge, No. 19, information that said Lodge is desirous, at this time, to surrender its Charter, reasons for which he is prepared to lay before you.

It gives me no small pleasure, brothers, to offer gratulations upon the final and amicable settlement of the unhappy difficulties which so lately threatened a disorganization of our Order. The recent conciliatory and decisive action, taken by the Grand Lodge of the United States, upon the difficulties formerly existing in the State of New York, will restore to us full confidence in her wisdom and justice. The able Report to be submitted by your Right Worthy Grand Representatives, is commended to your attention.

GEO. S. SANFORD,

Grand Master.

On motion of P. G. M. Willey, *Voted*, that the report be accepted and spread upon the records, and that it be referred to a special committee of three.

To the R. W. Grand Lodge, I. O. O. F., of Connections:

The undersigned, Grand Representatives, delegated by this Right Worthy Body to represent its interests and views in the Grand Lodge of the United States, having attended the session of that body at Baltimore, in September last, herewith present an account of its most important proceedings.

The most important question coming before that body, was the difficulties in New York. It was evident, even before the opening of the session, that a majority of the members came there with a settled conviction that justice required a restoration of rights to the disfranchised portion of the Order in New York. The subject came up on a motion to appoint a Committee to take into consideration the state of the Order in New York, which was carried. That Committee after ably examining, in their report, the whole subject and its bearings, recommended the erection of the divorced portion of the Order in that State into a new jurisdiction, within certain geographical limits. Thus constituting two jurisdictions in the State, to be designated the Grand Lodges of Northern and Southern New York. The report and resolutions of the Committee, with some slight amendments were adopted by a vote of 53 to 25. The Grand Representatives from New York entered a protest against the interference of the Grand Lodge of the United States with the jurisdiction of New York. Had the question been isolated

from the peculiar circumstances of the case, your Representatives would have felt bound to sustain that protest; but fully believing that legislative bodies possess, necessarily, the power of remedying evils of their own creation, your Representatives felt, that in voting for this act, they were not acknowledging the right of the Grand Lodge of the United States to trench upon the powers of State jurisdictions, but merely assenting to a compromise to enable that body to remedy its own error of previous legislation. By this act, was settled a question of grave and momentous consequence. A question, as the Committee declared, "fraught with the perils of distraction, that had disturbed the Order, even to the point of disruption."

An important change was made in the Constitution and Laws of the Grand Lodge, in regard to the payment of the expenses of Grand Representatives, which is fully explained in the following amendment and resolutions.

ART. XII, of the Constitution was amended by the addition of the following Section.

5. "*The expenses of Representatives and Officers, (excepting those to whom stated salaries are given,) attending the sessions of the Grand Lodge of the United States, shall be paid by the Grand Lodge.*"

To carry into effect this amendment, the following resolutions were adopted:

Resolved, That the pay of Representatives to, and Officers of this Body, (excepting those to whom stated salaries are allowed,) shall be three dollars per diem, during their attendance upon the sessions of the Grand Lodge of the United States.

Be it further resolved, That in addition to the above, the said Representatives and Officers, shall also receive six cents for each mile travelled, from their respective residences to the place of meeting of the Grand Lodge of the United States and back again; the said mileage to be computed by the nearest mail route between said points.

And be it further resolved, That the said per diem allowance and mileage shall be paid by the Grand Treasurer, on the certificate of the Grand Secretary.

And be it further resolved, That to meet the payment of the said per diem allowance and mileage, the Grand Sire and the Grand Secretary shall make an annual assessment upon each State Grand Body—said assessment to be estimated pro rata upon the number of members of the Subordinate Lodges and Encampments of such State Grand Bodies respectively.

Resolved, That the representative tax assessed by Art. XII, Sec. 4, be, and it is hereby ordered to be hereafter appropriated towards the payment of expenses of Representatives, as provided for in the amendment to Art. XII. adopted at this session.

Resolved, That the officers of this Lodge, in making an assessment in conformity with resolutions adopted at this session, shall make an assessment merely for such sums as may be necessary in addition to the representative tax.

This measure, your Representatives believe to be just and proper, inasmuch as heretofore, those jurisdictions located geographically near to Baltimore have incurred but small expense to secure their voice in the Grand Lodge, while those more remotely situated have found the tax onerous and burdensome. By the present law, each Grand Body, however it may

be situated, will share equally in the expense in proportion to the number of its subordinate members, which may fairly be presumed to be in a just proportion to its ability. And as the representative tax is to be appropriated to the same purpose, the aggregate amount paid by State jurisdictions, will be diminished nearly two thousand dollars.

The following resolutions, designating the city of Cincinnati, Ohio, as the place of meeting for the next session of the Grand Lodge, and providing also for a special session to revise its Constitution, were adopted :

Resolved, That when this Grand Lodge shall have passed upon the business brought and to be brought before it, instead of closing the present session, it shall adjourn to the second Monday of September, 1850, to meet at the city of Cincinnati, then and there to take into consideration the present Constitution of the Grand Lodge of the United States, and to digest and agree to report the same, with such alterations or amendments as may be deemed advisable; which, having been agreed upon, shall be entered upon the minutes of the session, as a proposition to amend the Constitution, and shall lay on the table until the next Annual Session of the Grand Lodge of the United States, which shall be held in the city of Cincinnati, to be considered and acted upon by the Representatives to that session, in the manner and form prescribed by the present Constitution.

Resolved, That at such adjourned session the Grand Lodge of the United States will not entertain any motion for, or transact any business except that mentioned in the above resolution.

It was evident early in the session, that the minds of a majority of the members were awake to the evils, which were likely to arise from permitting the exercise of a power, so extraordinary and unlimited, as had been claimed by those who had held the controlling influence in the business of the Grand Lodge. Many of the State jurisdictions had instructed their Representatives, to place upon her records their denial of such powers. It was but too evident from the events of the past two years, that if steps were not taken to confine the Grand Lodge of the United States, within explicit and well defined limits, the harmony and well being of the Order might be jeopardized or destroyed, whenever a faction could gain temporary control of that body. The above resolutions were adopted, after mature deliberation, on the last day of the Session, with very little opposition, except from the jurisdictions of Maryland, Pennsylvania, Delaware and District of Columbia; New England, the most remotely situated portion, giving but three votes out of sixteen in opposition to the measure.

The Order ranks among its members many brothers of distinguished ability and enlarged views; and impressed as the whole Order is with the importance of the measure; with ample time for consideration and unlimited scope in its revision—we may look forward with confident expectation that the constitutional laws of the Order will be placed upon a firm basis, adapted to our free institutions, and commensurate with the wants of our widely extended institution.

For several years past the time of the Grand Lodge has been occupied, and its records lumbered, with questions upon points of order, usages and other unimportant matters, which before the publication of the Digest appeared to be well understood and unquestioned. Questions the most trivial have been made the subject of grave deliberation,—“whether a V. G. could wear the N. G's. Regalia when he took the Chair in his absence,”

"whether a citizen in a State or Territory where there is no Lodge, can be initiated in an adjoining State"—are but specimens of about fifty presented at the last session, and the Report of the Grand Sire, was principally made up in rehearsing his decisions on points of similar importance, during the recess. The ease with which decisions were thus obtained, induced subordinate officers, lodges and even individual members, (disliking the decisions of superior officers of their own jurisdiction, or even the enactments of the Grand Bodies) to raise questions for the decision of the Grand Sire, or Grand Lodge, glossed of course with the color of their own minds, and often, the solemn acts of State jurisdictions, or their executive Officers, have been set at naught by the hasty opinion of a committee, or the Grand Sire, either of whom were profoundly ignorant of the local laws or usages, upon which the acts were predicated. This course has contributed in no small degree towards the usurpations of the Grand Lodge. To remedy this evil, the following resolution was adopted, which it is hoped will prove a salutary correction.

Resolved, That the Grand Lodge of the United States, will neither entertain or consider any resolution or inquiry as to the laws or usages of the Order, unless the same be brought before the body, by an appeal from the decision of a State Grand Lodge, or unless the same be presented by a State Grand Lodge.

In reviewing the action of the last Session, and its bearings, the most important items of which we have here presented, we feel strongly impressed by the evidence it affords of the strength of principle in our Order. We have passed through a threatening crisis, and have once more settled down into the calmness of harmony and peace. The quicksands and shoals, which for a moment endangered our safety, have been surveyed and marked, and the whole Order has risen in its wisdom and strength—resolved to widen its channel, cast out the dangerous impediments, that our friendship laden barque may pass in safety and sunshine, into the broad ocean of universal brotherhood.

All of which is respectfully submitted,

LUCIUS A. THOMAS,
SAMUEL LOCKWOOD, Jr.
